## EXECUTIVE DIRECTOR'S MESSAGE

**Prof. (Dr) Vikas Bhatia**

**Executive Director**

**All India Institute of Medical Sciences**

**Bibinagar, Hyderabad**

**Telangana - 508126**

**Ex –Founder, Dean AIIMS, Bhubaneswar**

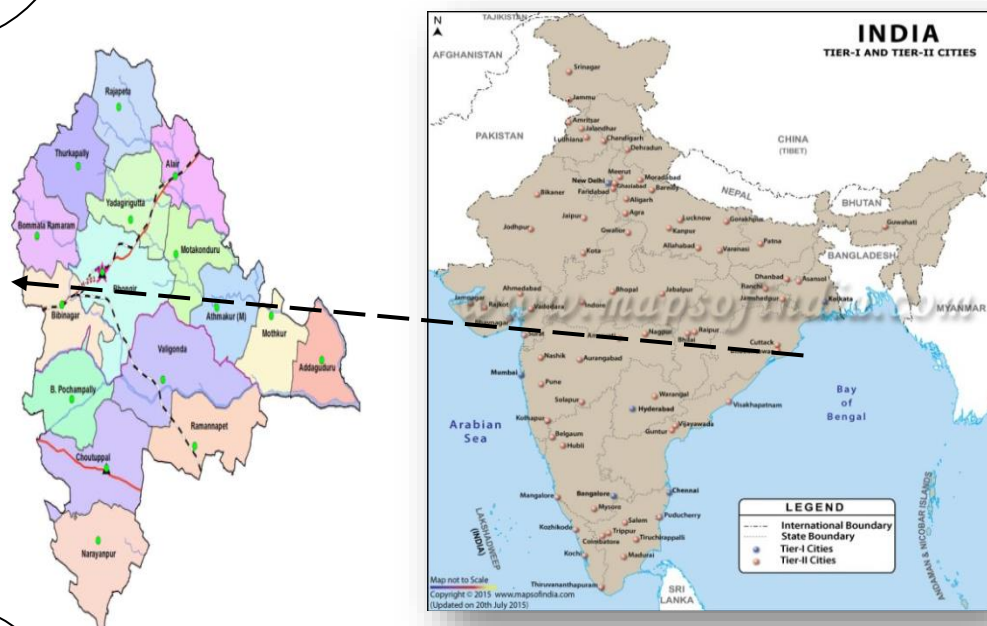

AIIMS, Bibinagar in Hyderabad Metropolitan Region, Telangana began its journey in 2019 under the Pradhan Mantri Swasthya Surakshya Yojana, Ministry of Health and Family Welfare, Government of India. After joining as Executive Director of the Institute, it has been my prime objective to ensure best of the academic environment for students and develop class apart healthcare services to patients. With help of a mighty team of faculty and staff members, I can see my vision accomplish in the years to come. My experience as being founder Dean at AIIMS Bhubaneswar, where I joined right from it's beginning in August, 2012, will help me and the Institute to stride along the ladder to success. The lessons learnt are still fresh in mind. This surely would be of immense help to me towards developing this Institute at a rapid pace. It undoubtedly is a herculean task but I hope and believe that with the right people, right environment and right direction, we shall strive for nothing, but the best.

The 2020 – 2021 Annual Report will brief us about our achievements, strife challenges and unwilting dedication to overcome. I wish all the very best in our endeavors and pray for our happy and healthy life.

## 1. THE INSTITUTE AND INSTITUTE BODY

The Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) which was announced in 2003 started functioning with the objectives of correcting regional imbalances in the availability of affordable/reliable tertiary healthcare services and to augment facilities for quality medical education in the country. To facilitate the creation of very important institutions in the country, the Government of India has legislated AIIMS Act, 1956 under which AIIMS are established under Ministry of Health and Family Welfare, Government of India. AIIMS, Bibinagar Hyderabad Metropolitan Region (HMR) (Telangana) was denoted in "Phase-VII" of PMSSY. It made its beginning in August 2019. The Institute is located on a 201-acre area in the villages of Rangapur and Kondamadugu, Bibinagar Mandal, Yadadri-Bhuvanagiri District. The land is about 13 km from the District Headquarters of Bhongir. The nearest railway station (Bibinagar) and bus stand are two Km away and the International Airport (Shamshabad) is located at a distance of about 54 Km. The site is located on the NH-163 - Hyderabad - Warangal National Highway.

## **2. GENERAL OVERVIEW AND ADMINISTRATION**

All India Institute of Medical Sciences at Bibinagar started its maiden journey in February 2019. The Ministry identified NIMS, Rangapur village, Bibinagar Mandal, Nalgonda District as the suitable place in order to establish AIIMS Bibinagar and nominated AIIMS Bhopal as mentor Institute (till 18<sup>th</sup> December 2019), followed by JIPMER, Puducherry. The first batch of MBBS students commenced their academic session from 27<sup>th</sup> August 2019 after their counseling process through common entrance Exam for AIIMS, conducted by AIIMS New Delhi. AIIMS Bibinagar started functioning from 27<sup>th</sup> August, 2019 with the Departments of Anatomy, Physiology, Biochemistry and Community & Family Medicine. The Institute commenced with 12 Faculty (contract basis) and 7 Senior Residents. Fifty students were enrolled in the first batch of MBBS in the Institute. Further, five Faculty and five senior residents from the departments of General Medicine, Pathology, Ophthalmology, General Surgery, Orthopaedics, Microbiology, Obstetrics and Gynecology were recruited in the month of December, 2019 with the aim to provide further clinical and laboratory services. Dr. George D'Souza, Dean, St. John's Medical College, Bengaluru was appointed as President and Prof (Dr.) Vikas Bhatia was appointed as the Executive Director for AIIMS Bibinagar. Prof (Dr.) Vikas Bhatia joined as Executive Director on 8<sup>th</sup> May, 2020 in the midst of the ongoing COVID-19 first wave of pandemic. Utmost dedication and an undying spirit to excel made the Institute grow in a motivated and nurturing environment. At present, AIIMS Bibinagar has started functioning independently and the mentorship has been discontinued.

## 2.2 ADMINISTRATION

The General Administration Division of the Institute is an important wing managing the activities and renders administrative support to the Director to meet the objectives of the Institute. It broadly includes all establishment matters of Faculty and non-Faculty, stores & procurement, grievances, conducting review meetings and other administrative matters as assigned by the Director. For the smooth conduct and functioning, academic section, finance, hospital services and centers, report to Director. With the joining of Deputy Director Administration, Col.S.P.Anantrao in November, 2020, along with the Accounts Officer, the Institute made greater strides towards progress and development and gained financial independence. Administrative Officer (I/C), Assistant Controller of Examinations and other staff members, further percolated the legacy of hard work and administration in the Institute. With the support of mentor Institute and PMSSY, MoH& FW, AIIMS Bibinagar commenced in the existing building of the NIMS Campus.

### **3.2. ACADEMIC ACTIVITIES:**

#### **3.2.1. UNDER GRADUATE ACADEMICS**

In the first batch of MBBS at AIIMS, Bibinagar, 50 students were admitted in the month of August 2019. Due to the Covid-19 pandemic, the students were sent home during the lockdown period. The Academic activities continued through online teaching. Timetable was prepared and schedule for online teaching was followed stringently. It was ensured that every student is reached through online platform and for the students facing difficulty accessing the online platform, alternative measures were taken by sending the video recordings of lectures and other educational material. Various assessments like unit tests and End Semester examinations were conducted through online mode. Faculty completed the 1<sup>st</sup> professional MBBS syllabus on time and the students were physically called back to the campus on 01 December 2020. All measures of Covid-19 appropriate behavior were strictly followed.

### 3.4. ADMISSION OF SECOND BATCH OF MBBS STUDENTS-ACADEMIC YEAR 2020-21

62 students were admitted in the second batch of MBBS students for the academic year 2020-21 in the month of Dec 2020. Out of 62 students 33 are Boys and 29 are Girlstudents from various states of India e.g., Telangana State-26, Andhra Pradesh- 07, Kerala-09, Karnataka-03, Maharashtra-06, Odisha-01 and Bihar-01.

### 3.4.1. ORIENTATION PROGRAMME AND FOUNDATION COURSE

The foundation course was conducted on 16<sup>th</sup> December 2020 by Orientation and Foundation Committee. A two week long Orientation programme and Foundation Course was conducted in order to make the students aware of their roles, responsibilities and expectations. The modules given by the Medical Council of India, NMC, CISP and GMER 2019 were referred to as and when required. However, owing to the present Pandemic scenario, it was decided to conduct a virtual meet of students with subject experts from different parts of the country. All students reported for admissions and were allotted the hostel rooms. Classes started with effect from 16<sup>th</sup> December 2020 with an inauguration ceremony chaired by chief guest Prof Dr. George D Souza, President of AIIMS, Bibinagar. Dr. Vikas Bhatia, Executive Director addressed the students and Dr. Neeraj Agarwal, Dean, gave an overview of the Academics and the Institute. This was followed by various sessions covering the subjects, language, attitude, ethics, and professionalism modules, cultural and aesthetic values. There were also few virtual demonstrations of skill sets. Overview of Foundation Course, Universal Precautions ahead of the Pandemic Scenario, Hostel rules and Anti Ragging - Rules and Regulation, Indian Medical Graduate – Roles and AETCOM modules were taken by internal faculty of the institute. Valedictory session was graced by the District Collector, Smt. Anita Ramachandran who was the chief guest and the programme was presided by the Director and Dean of the Institute. Interactive ice breaking sessions allowed the students to understand each other and also helped build team spirit among themselves. Besides orientation of students regarding the role of doctors, Indian medical graduate, hostel and anti-ragging rules, sessions on career prospects, holistic health, doctor patient relationship, professional behavior, nutrition goals for fitness, time management, stress management and basics of research were also taken. The students were also given sessions on developing the necessary attitude, ethics and communication skills as per the modules. A unique virtual cultural fest was conducted on 24<sup>th</sup> December by the students that was a real treat to the eyes as well as to the mind. The daily reflections given by few students showed that they were curious to learn and were highly appraised by the inspiring talks. The question answer rounds following each talk were equally interesting where some really practical and tricky scenarios were dealt with.

### **3.5 FACULTY DEVELOPMENT PROGRAMME**

All India Institute of Medical Sciences, Bibinagar was established under the purview of the PMSSY in 2019. Being an Institute of National Importance, AIIMS attracts talented and efficient faculty from all over the country coming from varying backgrounds and institutional affiliations. The faculties are recruited through an organized, objective and meticulous process. An Institute in its budding stages requires the faculty to be adept not only in their subject but also in the fields of administration, finance, equipment procurement and official procedures. Keeping the above needs in mind, a Training Need Analysis was conducted in our Institute to assess the knowledge and experience of the faculty in Central Government Rules, departmental and Institute administration.

A Human Resource Development cell chaired by the Dr. Neeraj Agarwal, Dean, was constituted. The members of the committee are: Dr. Nitin Ashok John, Co-chair, Dr. Rashmi Kundapur, Co-ordinator, Dr. Gunvanthi Rathod, Member, Dr. Annapurna Srirambhatla, Member, Dr. Shereen S and Dr. Yadukul.S as members. Under the able guidance of our Executive Director, Dr. Vikas Bhatia and Dean, the Human Resource Development cell conducted the Faculty Development Program from 27/01/2021 to 05/03/2021.

Inaugurated by Dr. A.K. Mahapatra on the 27<sup>th</sup> January 2021, the program set out to address the needs of the Faculty and bridge the gaps required for building a strong work force focused on the development of the Institute. The program consisted of interactive sessions taken by esteemed and knowledgeable faculty from premiere institutes all over India. Faculty from other AIIMS who were keen to attend the sessions joined online.

The sessions reinforced the three main requisites of AIIMS, efficient and excellent patient care, premiere medical education and diligent research.

### **3.6. HOSTEL COMMITTEE:**

Hostel is the second home for the students in educational life where in they find friends for life, achieve their dreams and goals and create memories which will be cherished forever. For the smooth functioning of hostel, hostel committee is constituted.

- Chief Hostel Superintendent - Dr. Pragnesh Parmar, Additional Prof, FMT
- Additional Hostel Superintendent – Dr. Lakshmi Jyothi Tadi, Additional Prof, Microbiology
- Hostel Superintendent (Girls) - Dr. Madhavi Erike, Associate Prof, Pharmacology
- Deputy Hostel Superintendent (Girls) - Dr. Alka Bhingardeo, Asst.Prof, Anatomy
- Hostel Superintendent (Boys) - Dr. Prafull K, Associate Prof, Physiology
- Deputy Hostel Superintendent (Boys) - Dr. Vaman Kulkarni, Asst.Prof, CFM

#### **Highlights:**

Sixty two MBBS students of batch 2020–2021 and fifty students of MBBS from batch 2019–2020 are accommodated in first floor and second floor hostels (boys & girls) separately in AIIMS, Bibinagar. Furnished twin sharing accommodation is provided for students in the hostels. Provision of mess for food of the students is available on the first floor of the hostels. Separate dining area for both the batches has been identified.

The hostel committee takes care and plans for the overall development and healthy living of students. Facilities like Washing machine, WiFi, Water Coolers, Sports and Gymnasium are under consideration. Regular checkup of students and record of their health issues is maintained by the committee. Free investigations of students in the Institute laboratory and availability of basic drugs in the campus pharmacy are also certain other pre-requisites. As per committees' request, emergency services are provided to the students with the availability of on-duty emergency doctor and nursing staff twenty-four hours in the campus. Considering current pandemic, strict COVID guidelines are followed and regular testing and follow up of students with symptoms is carried out. For the safety of students' anti-snake venom facilities, mesh for the windows, snake bite management, webinars and demonstrations are proposed by the committee. Members from the Anti-ragging committee are on duty and always available in campus. Dr. Alka Bhingardeo, Deputy Girl's Warden and Sister Anusha, Assistant Warden, stay in campus along with students to supervise the smooth functioning of hostel. Students maintain strict study hours as well as celebrate life under strict discipline.

- All India Institute of Medical Sciences, Bibinagar was established under the purview of PMSSY in 2019. Being an Institute of National Importance, AIIMS attracts talented and efficient faculty from all over the country coming from varying backgrounds and institutional affiliations. The faculty are recruited through an organized, objective and meticulous process.
- An Institute in its budding stage requires the faculty to be adept not only in their subject but also in the fields of administration, finance, equipment procurement and official procedures.
- Keeping the above needs in mind, a Training Need Analysis was conducted in our Institute to assess the knowledge and experience of the faculty about Central Government Rules, departmental and Institute administration.
- Under the able guidance of our Executive Director, Dr.Vikas Bhatia and Dean, Dr. Neeraj Agarwal, the Human Resource Development cell conducted the Faculty Development Program from 27/01/2021 to 05/03/2021. Inaugurated by Dr. A.K.Mahapatra, Vice Chancellor, SOA deemed to be University on the 27th January 2021, the program set out to address the needs of the faculty and bridge the gaps required for building a strong workforce foundation focused on the development of our Institute.
- The program consisted of interactive sessions taken by esteemed and knowledgeable faculty from premiere Institutes all over India. Faculty from other AIIMS who were keen to attend the sessions joined online. The sessions reinforced the three main requisites of AIIMS - efficient, excellent patient care, premiere medical education and diligent research.
- The various topics covered by the speakers e.g., AIIMSONIAN- What to expect? What is expected, My Hospital my Pride, Pride of AIIMS as faculty, Importance of Research for AIIMS faculty and many more.
- The HRD cell remains committed to ensure smooth transition of faculty joining our Institute to meet the expectations desired.

## FACULTY AFFAIRS

After joining of Executive Director, Dr. Vikas Bhatia on 08 May 2020, The Standing Selection Committee [SSC] had conducted recruitment in 5 phases for faculty. A total of 99 appointment orders issued out off which 77 faculty members had joined in various departments and many are in the process of joining.

## DEPARTMENT OF ANATOMY

### **Highlights:**

Anatomy is the heart of medicine. Under the aegis of Director Dr. Vikas Bhatia and Dean Dr. Neeraj Agarwal and with the headship of Dr. Mrudula Chandrupatla, Department of Anatomy is dedicated to integrated, interdisciplinary teaching and Research in Basic and Applied Human Anatomy since one year. The foundation day of the Department was celebrated on 27<sup>th</sup> January 2020, where Histology laboratory, Dissection hall, Anatomy Museum & Cold Storage were inaugurated by Dr. A K Mahapatra Vice Chancellor, SOA, University Bhubaneswar in the presence of honorable Director Dr. Vikas Bhatia. The department had organized White Coat Ceremony, a rite of passage for the students into their journey to the service of humanity. In this program the White Coat was adorned to the students by Chief Guest Dr. Sanjeev Lalwani, Registrar, AIIMS New Delhi and students vowed the Hippocratic Oath for their noble mission in the health care services. Dissection is the core of Anatomy and cadavers are the first teachers in this specialty. To inculcate respect and empathy towards these silent mentors, the department had organized Cadaveric Oath ceremony, a pledge paying tribute to the donated cadavers and an oath with emphasis on maintaining dignity and integrity of human remains. The ceremony was carried out in the presence of esteemed Director Dr. Vikas Bhatia and Deputy Director Administration Col. S.P. Anantrao. To encourage the creativity among students, the Anatomy department had also organized cell model and embryo model exhibition where the students got platform to showcase their hidden talent of arts and crafts having fun with intelligence. Department had also organized seminars and quiz for the students. To correlate the basic knowledge with clinical application, department had organized various horizontal and vertical integration teaching programs in coordination with other preclinical and clinical departments. Research is the integral part of the medical science. Department of Anatomy, AIIMS Bibinagar had received international recognition in the area of Research. The Senior Resident Dr. Sushma Daripalli with the Head of the Department, Dr. Mrudula Chandrupatla received the best paper award in the International Virtual Anatomy Conference (IVACON) Anatomical society King George's Medical University, UP, Lucknow; while Dr. Alka Bhingardeo, Assistant Professor in the department was invited as a Speaker in the Second World Congress of Anatomy, Rome Italy. The department faculty had various publications in the national and international journals.

## DEPARTMENT OF BIOCHEMISTRY

### **Highlights:**

The Department of Biochemistry at AIIMS Bibinagar is involved in teaching of Medical Biochemistry to MBBS students, offers clinical Biochemistry services in the hospital and focuses on various cutting-edge medical Biochemistry Research areas. The department has 7 Faculty members who have versatile research and teaching experience in premier Institutions of India and abroad. The Department envisions to be a global Centre of excellence in the discipline of Medical Biochemistry and Metabolic Medicine by imparting in-depth knowledge to the students, facilitating research activities of highest standards and also catering to quality laboratory services to the patient care. The primary mission of the department is to achieve excellence in the field of Medical Education, Diagnostic Clinical Laboratory Services and Interdisciplinary Research. It aims to provide holistic education inclusive of practical skills, competencies and knowledge so as to ignite young minds propelling them to the frontiers of learning. It also aims to achieve excellence in Laboratory Medicine by establishing Tertiary level Clinical Biochemistry Laboratories to cater to the patients and community at large. The department follows stringent quality control procedures and processes in the Labs and produce reliable Clinical Laboratory results so as to impart excellent patient care and promote patient satisfaction. It also conducts interdisciplinary clinically relevant unbiased research with an endeavor to translate into meaningful applications for patients and society. The faculty in the department of Biochemistry undertake research in a broad spectrum of areas related to healthcare such as Pulmonary diseases, Cardiovascular diseases, Non-Alcoholic Fatty Liver disease, In-born Errors of metabolism, Genomics & Precision Medicine and Tuberculosis.

- Online conduct of End Semester Examination on 15th July 2020
- Pre-professional Theory Examination was conducted from 06/08/2020 and 07/08/2020
- Pre-professional Practical Examination for MBBS 2019 Batch was conducted from 17/08/2020 to 20/08/2020
- First Professional MBBS regular Theory Examinations for MBBS 2019 Batch were conducted from 7/12/2020 to 18/12/2020 & 21/12/2020
- First Professional MBBS regular Practical Examinations for MBBS 2019 Batch were conducted from 21/12/2020 to 23/12/2020
- The results of the First Professional MBBS regular Examinations for MBBS 2019 Batch was excellent despite COVID restrictions on learning. The Pass Percentage was 96, with number of First Class students were 29 and 9 distinctions.
- First Professional MBBS Supplementary Theory & Practical Examination for MBBS 2019 Batch were conducted from 02/02/2021 to 12/02/2021 & 15/02/2021 to 17/02/2021 respectively.
- First Professional MBBS Supplementary Examination for 2019 Batch pass percentage for 2019 Batch was 100

## **Details of Academics and Training: Conferences/CME/Workshops**

- Dr. Sangeetha Sampath attended a Webinar on “Armed Forces Medical Research Conference 2021” organized by Office of Director General Armed Forces Medical Services on 04 to 05 Feb 2021.
- Dr. Aparna Verma Bhongir served as Scientific Committee Member at 4<sup>th</sup> State Conference of AMBI-TS 2021 (Virtual) conducted by Osmania Medical College, Hyderabad from 7<sup>th</sup>-8<sup>th</sup> February 2021 under aegis of ABMI-Telangana Chapter.
- Dr. Aparna Verma Bhongir, attended Renaissance Webinar Series on topic: “Biochemistry: The Basis of Medicine and the new CBME Curriculum” Hosted by Wolters Kluwer on Tuesday, November 10, 2020 12:00 pm, India.
- Dr. Aparna Verma Bhongir, attended a Webinar on “Practical applications of Six Sigma in Clinical Laboratory Medicine” organized by Association of Clinical Biochemists of India on 5th February 2021.
- Dr. Aparna Verma Bhongir, attended CME on: “GUT Microbiome, Nutrition and its impact on Physical and Mental well-being” held on 22nd February 2021 at AIIMS Bibinagar.
- Dr. Anand Pyati attended a Webinar on “Critical Role of Clinical Laboratories in the COVID-19 Pandemic” organized by IFCC on 15 - 17 Feb 2021
- Dr. Anand Pyati attended Online Workshop on “Basic Course in Biomedical Research” organized by NMC on July 2020 to March 2021
- Dr. Madhu Latha Karra attended online Basic course in Biomedical Research- Cycle 3 by ICMR (Jan-Mar 2021)
- Dr. Madhu Latha Karra attended CME on "GUT Microbiome, Nutrition and its impact on Physical and Mental well-being" held on 22nd February 2021 at AIIMS Bibinagar.
- Dr. Madhu Latha Karra attended webinar on "Deciphering the Biochemical Conundrum of COVID-19" held on 26th February 2021

- Dr. Madhu LathaKarra attended Workshop on "Biomedical waste management" organized by AIIMS Bibinagar on March 6, 2021
- Dr. Rohit Salujaattended “Practical applications of Six Sigma in Clinical Laboratory Medicine” organized by Association of Clinical Biochemists on 5th February 2021.
- Dr. Rohit Saluja attended CME on "GUT Microbiome, Nutrition and its impact on Physical and Mental well-being” held on 22nd February 2021 at AIIMS Bibinagar.
- Dr. SailuYellaboina attended Workshop on "Biomedical Waste Management" organized by AIIMS Bibinagar on March 6, 2021
- Dr. Yuvaraj.B attended CME on "GUT Microbiome, Nutrition and its impact on Physical and Mental well-being” held on 22nd February 2021 at AIIMS Bibinagar.
- Dr. Yuvaraj.B attended a Webinar on “Practical applications of Six Sigma in Clinical Laboratory Medicine” organized by Association of Clinical Biochemists on 5th February 2021.

#### **Lectures Delivered:**

- Dr Rohit Salujadelivered a lecture on “Principle, Mechanism of action and applications of Gel Electrophoresis & Real Time PCR at Bundelkhand University, Jhansi on 31.05.2020.
- Dr Rohit Salujadelivered a lecture on “Real Time PCR and its implication in diagnosis of COVID-19, International e Conference on Bio-Electronics and Informatics in present scenario organizedby Shobhit Institute of Engineering &Technology, Meerut India on June 26-27, 2020.
- Dr SailuYellaboina delivered a lecture on "Integrative analysis of Genomic datasets" at Centre for DNA Fingerprinting & Diagnostics on March 4, 2021

#### **Papers Presented:**

- Dr. Sangeetha Sampath presented “DNA Methylation status in promoter region of p15 gene in patients of Acute Myeloid Leukemia and Myelodysplastic Syndrome at the Armed Forces Medical Research Conference at Pune on 04 Feb 21.
- Dr. Rohit Saluja presented “Elucidating the potential role of Interleukin-33 in Asthmatic patients”, at the 44th Indian Social Science Congress at Vidisha on 15 March 2021

#### **Facilities available in the Department**

- Analytical Balance
- Hot Air Oven
- Lyophilizer
- Orbital Shaker
- Electrolyte Analyzer
- Random access medium throughput Fully Automated Chemistry Analyzer XL 1000
- UV Visible Double Beam Spectrophotometer
- Refrigerated Centrifuge, Refrigerated Microcentrifuge
- Water Purification System
- Erba Chem 5X Semi Auto Analyzer
- Autoclave (vertical)
- Binocular Microscope
- Nano SpectroBio-photometer
- CO2 Incubator , Refrigerator (300-380L)
- BOD Incubator, Microplate Multimode Reader
- HPLC based Automated Analyzer for HbA1c &Hemoglobinopathy Testing

**Department Highlights / Achievements: Awards / Honors / Recognition**

**Dr Sangeetha Sampath**

- Head of committee to finalize Nursing rules and regulations and induction training for AIIMS Bibinagar.
- Organized the Foundation Day celebration of the dept and inauguration of Clinical chemistry lab on 26 Mar 21

**Dr. Aparna Verma Bhongir**

- Member of Indian Academy of Biomedical Sciences
- Reviewed "Lippincott Illustrated Reviews: Biochemistry", South Asian edition. Wolters Kluwer Health, Lippincott Williams & Wilkins.
- As a member of MEU conducted a Training session to Faculty on group dynamics on 24 July 2020.
- Worked as Faculty In-charge Administration until November 2020.
- Worked as a coordinator for organizing the Deputation post interview on 2th June 2020 and prepared the documents for the consultant posts.
- Prepared the agenda and worked as a coordinator for organizing First Institute Body virtual meet on 13 August 2020.
- Worked as a coordinator for organizing the SR and JR recruitment from 19th August 2020.
- As a chairperson of the Equipment Committee - prepared list for 100-bedded hospital, for teaching and training purposes of the various departments. (August 2020).
- As a chairperson of the outsource Staff Committee - prepared the requirement of Manpower, Housekeeping staff and Security personnel. (September 2020)
- Participated in a Workshop of 83<sup>rd</sup> National Course on Educational Science for Teachers of Health Professionals conducted by Department of Medical Education NTTC JIPMER Puducherry from 5-16<sup>th</sup> October 2020.
- Authored the first Annual Report of AIIMS Bibinagar. (November 2020)
- Started the Clinical Biochemistry lab for routine investigations for patient care from 5th November 2020 with Semi-autoanalyzer Chem 7 of TransAsia.

- Joined as Additional Professor (regular post), department of Biochemistry on 31 December 2020.
- As a chairperson conducted the Foundation Course for the MBBS Batch 2020 from 16th December 2020 to 5 January 2021.
- Assigned the additional responsibility as Registrar, AIIMS Bibinagar w.e.f from 19th January 2021.
- Got the AISHE code of our Institute for National Scholarship Portal.
- Prepared time tables for the first and second MBBS, Integrated teaching schedule and Clinical Postings for 3rd Semester. Organized the distribution of medals for academic excellence for overall topper for first MBBS and subject toppers of Anatomy, Biochemistry and Physiology during the first Annual day celebrations on 10th March 2021.
- Felicitated by local Sarpanch and local Leaders of Yadadri-Bhuvanagiri district on 8<sup>th</sup> March 2021 for Woman Day celebrations for significant contribution in the medical field.

#### **Dr. Anand Pati**

- Planning of Theory and Academic activities for first MBBS students
- Planning and conductance of Examinations for first MBBS students
- Member of Food & Catering Committee for Annual Day celebrations
- Organization of Foundation Day events for department of Biochemistry
- Supervision of equipment installation & training activities
- Supervision of reagents & chemicals stock & indenting
- Submitted -Omics Mission Mode research project proposal to ICMR

#### **Dr. Madhulatha Karra**

- In-charge of the clinical chemistry Laboratory & addressing its requirements including indenting, statistics and reporting.
- In-charge for conducting Biochemistry practical by the 1st MBBS students.
- Planning the Sports Day, Annual days as a member of the Cultural Committee and Food & Catering Committee.
- Played a key role in the planning of the Foundation of the department (Video presentation of "Journey of the department"; Décor, Banner and Memento designing are few of them).
- Serving as a member of the Institutional Medical Board
- Serving as Additional Nodal Officer for "Green Campus"

#### **Dr. Rohit Saluja**

- Serving as Nodal Officer Digital / IT Activities Committee
- Serving as an Additional Nodal Officer Official Language Committee
- Serving as a Member of the Store Inspection Committee
- Serving as a Member of the Auditorium Programmes Committee
- Actively involved in taking Theory classes, Practical classes and Tutorials
- Member of the IT committee, contributing to IT related work in my department

#### **Dr. Sailu Yellaboina**

- Maintenance of Reagents & Chemicals, Stock and Indenting
- Organization of Foundation Day events for department of Biochemistry
- Coordination of equipment installation & training activities
- Coordination & submission of two Research Proposals to ICMR in response to the call on -Omics in Health and Disease
- Reviewer for several Journals such as Nature Scientific reports, Frontiers in Genetics

#### **Dr. Yuvaraj**

- Worked for Inauguration ceremony in Clinical Chemistry Laboratory
- Prepared Practical Teaching schedule for MBBS
- Involved in maintenance of Plastic and Glassware Register
- Member of Food and Catering Committee, organized and procurement of food items during annual day and sports day functions
- Submitted Research Proposal in ICMR for -Omics study

**Patient Care / Hospital Services:** Clinical Laboratory – 906 patients covered

#### **Major Events of the Department:**

The Department of Biochemistry celebrated its Foundation Day on 26th March 2021 and became fully operational with all the novel facilities. Dr. Vasantha Kamath, Professor and HOD, Department of Medicine, MVJ Medical College, Bengaluru and Chairman, Standing Academic Committee, AIIMS Bibinagar, inaugurated the sophisticated Clinical Chemistry Laboratory in the OPD Block, equipped with a fully Automated Clinical Chemistry Analyzer which can process up to 1000 tests an hour along with a HPLC based Hb Analysis System that can provide Hb Variant Analysis along with the HbA1c. The Lab also hosts an electrolyte analyzer which can run up to 500 serum electrolyte tests a day with a TAT of just 15 minutes.

Visionary Chief guest Dr. Manohar Kandakatla, Director of Nizam's Institute of Medical Sciences and Vice-Chairman, Standing Academic Committee at AIIMS Bibinagar, inaugurated the Department of Biochemistry in the college campus. Esteemed Director Dr. Vikas Bhatia, honorable Dean Dr. Neeraj Agarwal, acclaimed Deputy Director (Administration) Col. S.P. Anantrao, graced the occasion. The department has 7 faculty members who had versatile research and teaching experience in premier institutions of India and abroad. The Department of Biochemistry envisions to be a Global Centre of excellence in the discipline of Medical Biochemistry and Metabolic Medicine by imparting in-depth knowledge to the students, facilitating research activities of highest standards and also catering to quality Laboratory services to the patient care. The department has fully operational under-graduate and post-graduate Labs equipped thoroughly with high end instruments. A trailblazing Epigenetics Lab, cell culture lab, IEM and Proteomics Lab are in the pipeline to cater the ever-growing demands for patient care and research.

## DEPARTMENT OF PHYSIOLOGY

### **Highlights:**

AIIMS, Bibinagar, Hyderabad is a premiere Institute of the country. The faculty and residents of the Department of Physiology are constantly involved in innovative teaching methods, quality research and support the clinical departments in providing diagnostics services utilizing the laboratories. The goal of the department is to deliver accurate knowledge regarding roles and functions of human organ systems in health and disease; develop appropriate skills, attitude and inspire medical graduates to understand and carry out ethical research. To mark an official inauguration, the Foundation Day Ceremony of the Department of Physiology at AIIMS was celebrated on 29<sup>th</sup> January, 2021 under the leadership of Prof. Dr. Vikas Bhatia, Executive Director. The Department has set up state of the art Laboratories for teaching first MBBS students and Postgraduates. The laboratories include the Cardiovascular Physiology Lab where Autonomic Function Tests, Heart Rate Variability and other related tests will be conducted. Electrophysiology Lab, Digital Hematology Lab, Respiratory Physiology Lab and Exercise Physiology Lab are the other facilities available in the department. The department has also come up with a unique initiative of starting the Physiology Skills and Simulation lab to train the medical students in handling basic emergencies from the early phase of MBBS. Neurophysiology Lab set up by the department will perform various Nerve Conduction Studies and EEG. We also hosted the First National level virtual CME of AIIMS, Bibinagar, Hyderabad on 22<sup>nd</sup> Feb, 2021 under the aegis of ASSOPI. The CME provided an opportunity to over 370 delegates and students of AIIMS, Bibinagar who joined online to interact on the topic of “GUT-Microbiome, Nutrition and its Impact on Physical and Mental Well-being”. The Faculty and Residents are involved in writing various research papers, projects and establish collaborations with eminent Institutes.

## **DEPARTMENT OF FORENSIC MEDICINE & TOXICOLOGY**

### **Highlights:**

Department of Forensic Medicine and Toxicology at AIIMS, Bibinagar was established in October 2020. Various facilities for teaching MBBS undergraduate available in the department include, a Forensic Laboratory, Forensic Museum with various Specimens and Spotters like Weapons, Poisons and Bones as well as a Demonstration room. As a part of Jan Andolan Programme, an Educational Video regarding COVID Positive Dead Body Disposal was made by the Department to increase public awareness and teach proper handling practices of COVID Dead Bodies. The Department Faculty also practice new and Innovative techniques like Role Play, Case Discussions, Quiz Programmes, etc. to help students understand the practical aspects of Subject. Academic teaching activities also extend to Trainee Judges and Trainee Police. Post-Graduate Courses in Forensic Medicine would also be started in the following academic year. Various forms and Standard Operating Procedures required to handle Medico-legal cases were prepared and handed over to the concerned authorities. The Department has also proposed to conduct several Workshops to train Nurses, Residents and Faculty on the procedures involved in handling Medico-legal cases. The Department is in the process of procuring State of the Art Autopsy Equipment. It also plans to focus on other areas of Medico-legal work, under which, proposals for starting a Clinical Forensic Medicine Unit have been formulated and forwarded to the higher authorities. The faculty are not only involved in teaching and academic works but also actively participate in Sports and other Extracurricular activities.

## **DEPARTMENT OF MICROBIOLOGY**

### **Highlights:**

The BSL-2 Molecular Biology Lab of Department of Microbiology was inaugurated on 26-03-2021 while the second wave of COVID-19 Pandemic was evolving in the country. The Lab is now providing RT-PCR as well as Rapid Antigen Test (RAT) reports regularly for Yadadri-Bhongir and Nalgonda Districts, thus bolstering the much-needed diagnostic services support to Telangana. Department took ample care to ensure that the academic program for UG students does not suffer in spite of prevailing situation and theory as well as practical classes were conducted on time, utilizing both online and offline platforms as per feasibility. On the occasion of World TB Day, department took initiative to organize Vertical Integrated Teaching Program involving various Paraclinical and Clinical departments. The event was very well received by the students and was a resounding success. The Department established linkages with various International and National Universities/Institutes and signed at least two MoU, one with The Pennsylvania State University and other with ICMR-National Institute of Malaria Research, for collaborative research. The Department submitted “Strategic Plan to Predict and Prevent Epidemics in Telangana State- A Model for other States” worth 32.5 crore to MoHFW. Informal Working Groups for various aspects of Research were conceived, viz. Malaria, Health & Disease Surveillance System (HDSS), Inborn Errors of Metabolism and Primary Immunodeficiency (Rare Diseases), One Health, Sepsis, TB, and Genetics & Genomics. The department features in National Map of Zoonotic TB and will act as coordinating center for 7 states in India. Two multi-centric research proposals were submitted to national funding agencies on TB.

Faculty members of our department, as members of various Institute Committees, organized and actively participated in several programs, viz. Foundation Course for MBBS students, Mentor-Mentee program, Faculty Development Program, Sports Carnival, Annual Day, Biomedical Waste Management Workshop etc.

## DEPARTMENT OF PHARMACOLOGY

### Highlights:

The Department of Pharmacology has started functioning since November 2020. Major activities include teaching Pharmacology (Theory and Practical) to second MBBS Students, Research and Patient Care Services. Establishment of AMC (Adverse Reaction Monitoring Centre), MDC (Medical Device Adverse Event Monitoring Centre) and Medication Safety Centre are in process. A Short Video on “Awareness on Medication Use during COVID-19” exclusively developed by the Faculty was well received for wider population. Faculty have received Best Research Award and published an edited Book in Springer; as well as won prize in poster competition. Faculty have presented their topics in weekly faculty presentation program. All Faculty members have attended and are trained in all domains of the Faculty Induction Training Program.

- Clinical Case Scenarios
- Problem-Solving Exercises
- Computer-assisted Learning (ExPharm Pro – Animal Simulator software)
- Tutorials
- Seminars
- Role Play
- Self-directed Learning
- Novel Teaching Tool used during Teaching– Interactive Display

### Academics and Training: Conferences/CME/Workshops Attended / Organized:

#### Dr. Madhavi Eerike:

- Attended Workshop on Good Clinical Trial Practices (GCP) on 12/12/2020 conducted by NABH and Healthcare providers.
- Attended Workshop on 7th National Conference of Forum for Ethics Review Committees in India (FERCICON2020) organized by the EPL, Dept. of Pharmacology, PGIMER, Chandigarh, India from 27th to 29th November 2020.
- Virtual Conference on Drug Designing on SARS-CoV-2 organized by the Experimental Pharmacology Laboratory (EPL), Dept. of Pharmacology, Postgraduate Institute of Medical Education & Research (PGIMER), Chandigarh under the aegis of Medical Pharmacologist Society on 8<sup>th</sup> and 9<sup>th</sup> January 2021.
- Judge for Virtual Conference APPSCON on 4th & 5th December, 2020 organized by Kurnool Medical College.

○ **Dr. Debasis Bisoi:**

- Attended “Pharmacovigilance Programme of India for Assuring Drug Safety “CME organized by Indira Gandhi Medical College & Research Institute, Puducherry on 14<sup>th</sup> December 2020 and participated in the “Pharmacovigilance Awareness Quiz” organized by the ADR Monitoring Centre, Dept. of Pharmacology, IGMCI & RI, Puducherry on 14<sup>th</sup> December 2020.
- Attended Virtual Conference on Drug Designing against SARS-CoV-2 from 8<sup>th</sup> to 9<sup>th</sup> January 2021 organized by PGIMER Chandigarh.
- Attended Webinar on Pharmacovigilance: From the Reporter's Perspectives by Dept. of Pharmacology VIMSAR Burla on 24 Jan, 2021.
- Attended webinar “Phygital Conclave Challenges faced by Academic Investigators in Industry Sponsored Studies” conducted by Indian Medical Pharmacologist Association (IMPA) and Indian Society for Clinical Research (ISCR) on 22<sup>nd</sup>– 23<sup>rd</sup> Feb 2021.
- Attended workshop on Swachhata Action Plan (SAP) on Biomedical Waste Management conducted at AIIMS Bibinagar on 31<sup>st</sup> March 2021.

**Dr. Gerard Marshall Raj:**

- National E-Symposium on ‘Inculcation of Research and Innovation Spirit in Postgraduate Medical Students and Faculty’ under the aegis of National Academy of Medical Sciences (NAMS), organized by Centre for Advanced Research on Platelet Signaling and Thrombus Biology (ICMR), Dept. of Biochemistry, Institute of Medical Sciences, Banaras Hindu University, Varanasi, Uttar Pradesh on 20<sup>th</sup> and 21<sup>st</sup> March 2021.
- Delivered an invited talk on ‘My Experiences with Book Writing in Pharmacology’ in the “Online Symposium on Experience with Book Writing in Pharmacology” organized by the Department of Pharmacology, JIPMER, Puducherry on 3<sup>rd</sup> February 2021.
- Attended the “Virtual Conference on Drug Designing on SARS-CoV-2” organized by the Experimental Pharmacology Laboratory (EPL), Dept. of Pharmacology, Postgraduate Institute of Medical Education & Research (PGIMER), Chandigarh under the aegis of Medical Pharmacologist Society on 8<sup>th</sup> and 9<sup>th</sup> January 2021.
- Attended the “7<sup>th</sup> National Conference of Forum for Ethics Review Committees in India (FERCICON2020)” organized by the EPL, Dept. of Pharmacology, PGIMER, Chandigarh, India from 27<sup>th</sup> to 29<sup>th</sup> November 2020.
- Attended the CME (virtual) on “Gut Microbiome, Nutrition & its Impact on Physical and Mental Well-being” organized by the Dept. of Physiology, AIIMS, Bibinagar, Hyderabad on 22<sup>nd</sup> February 2021.
- Participated in the “Pharmacovigilance Awareness Quiz” organized by the ADR Monitoring Centre, Dept. of Pharmacology, IGMCI & RI, Puducherry in December 2020.
- Attended the “Advanced Workshop on Bioavailability / Bioequivalence (BA/BE) Studies (Virtual)” conducted by the Dept. of Pharmacology, Sri Manakula Vinagarayar Medical College and Hospital, Puducherry on 3<sup>rd</sup> and 4<sup>th</sup> of December 2020.
- Attended the Webinar on “Are we Competent to Assess Competence? A Review of the Changes Required in Assessment Techniques to Fit the New Medical Curriculum” conducted by the Medical Education Unit, SVMCH & RC, Puducherry on 18<sup>th</sup> November 2020.

**Dr. Rekha Priyadarshini:**

- Presented an E-Poster on the theme “Adverse Drug reactions: Detection, Assessment and Prevention” organized by the Department of pharmacology AIIMS, Mangalagiri, AP on 10<sup>th</sup> April 2021.
- Attended the National E-Symposium on ‘Inculcation of Research and Innovation Spirit in Postgraduate Medical Students and Faculty’ under the aegis of National Academy of Medical Sciences (NAMS), organized by Center for Advanced Research on Platelet Signaling and Thrombus Biology (ICMR), Dept. of Biochemistry, Institute of Medical Sciences, Banaras Hindu University, Varanasi, Uttar Pradesh on 20<sup>th</sup>- 21<sup>st</sup> March 2021.

## **DEPARTMENT OF COMMUNITY & FAMILY MEDICINE**

### **Highlights:**

Department of Community and Family Medicine started on 5<sup>th</sup> August 2019. Prof. Neeraj Agarwal joined as Head of the Department on 19<sup>th</sup> October 2020 and he took over as the Dean of the Institute on November, 2020. The Department was established with Curriculum development in its unique way with the guidelines based on Field Visits and Pattern-based Demonstrations. We also developed the Curriculum which included Competency Based Learning and Innovative Teaching Learning Methods with continuous assessment as part of learning; thereby, making learning a process and not Exam based. Curriculum is an Outcome-based process of making a basic Doctor. Establishment of Clinics and Health Centers. The RHTC started functioning from 1<sup>st</sup> March 2021 in Bommalaramaram and UHTC is yet to be established soon. Immunization Clinic is conducting Sessions and providing services to the beneficiaries as per the Govt of India mandate. COVID Vaccination drive was successfully started on 15<sup>th</sup> March 2021 and has till 31<sup>st</sup> March immunized 386 Person. It's open to Public on all days including Sundays and Holidays. Total of 456 Health Care Workers and Front-line workers were vaccinated in January and February, 2021. Community activities under the Swatch Bharat Abhiyan were conducted on Women's Day 8<sup>th</sup> March and distributed Sanitary Napkins to Adolescent Girls. Field visits are being taken up by our Health workers for the purpose of planning MBBS Visits and Data collection. Faculty are part of many committees in the Institute like IEC, IRC, Annual Report, Cultural, Sports, Faculty development, Library, Admission, Recruitment etc. and have willingly contributed to the growth of the Department as well as Institute. The Training activities for Sanitation Staff and House Keeping Staff were carried out under the SMS - COVID Appropriate Behavior from October – December 2020. Teaching, Curriculum development, Demonstrations, MBBS Visits and Assessments are carried out. We wish to build a department with a vision to serve the last men in the Community and provide them highest level of Health. Our plans are in building Center of Excellence in Teaching and to bring in Epidemiological Research, Operational Research and train Institute Faculty in Research Methodology, Faculty Development in Management and administration. Plan for Centre for Micronutrient Deficiency and improve tie –ups with State Govt.

## **DEPARTMENT OF GENERAL MEDICINE**

### **Highlights:**

The Outpatient Department (OPD) Services at AIIMS Bibinagar were opened up under the Leadership of Esteemed Director Dr. Vikas Bhatia on 2<sup>nd</sup> June 2020 amidst the COVID-19 Pandemic. But soon the raging Pandemic brought all routine Health Services since 16<sup>th</sup> July 2020 to standstill and AIIMS Bibinagar took this up as challenge and started Online Consultation through E-Sanjeevani Portal. The routine services were restarted on 5<sup>th</sup> November 2020. The Department of Medicine caters to Chronic Non-Communicable Disease (NCD) like Hypertension, Type 2 Diabetes Mellitus, Metabolic Syndrome, Ischemic Heart Disease, Chronic Obstructive Pulmonary Diseases, Chronic Kidney Disease, Chronic Liver Disease, Rheumatoid Arthritis, Gout, Joint and Collagen Vascular Disease etc. The Physicians also cater to Communicable Diseases like Malaria, Enteric Fever, Hepatitis, Dengue etc. The OPD offers consultation from experienced Physicians, Counselling for Life style disorders and management of all NCDs and Infectious Diseases. The OPD Services also offer Diagnostic Services like 12 - Lead Electrocardiogram and Point of Care Blood Sugar Monitoring. The Emergency Services offered by department catered to a variety of patients with Seizure disorders, Dehydration, Acute Gastroenteritis, Exacerbation of Bronchial Asthma, Injuries, Chest pain, Breathlessness, Hypoglycemia etc. OPD services in General Medicine also offer medical Checkups and fitness for employees. The Department has seen a transition from NCDs to Communicable disease like COVID-19 in this second wave of Pandemic. The Department of Medicine took it up and started a COVID-19 OPD for offering faster and better services to patients since 26<sup>th</sup> March 2021.

### **Education:**

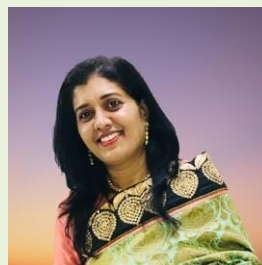

The Department of Medicine believes in keeping abreast with Modern Technology and Scientific Advances, but emphasizes on the Art and importance of Clinical-bedside Medicine. The Department is actively involved in teaching the Undergraduates the Art of History taking and honing their skills in examination and diagnosis.

### **Research:**

The Department focuses on Research issues that are locally relevant but possess a global focus. At present, the department is involved in Research on Autonomic Neuropathy in patients suffering from Anxiety and Depression and looking at the Knowledge and Practices of Nursing Officials as regards Insulin Therapy. In future, Department proposes to do Research in area on Infectious Disease (Tuberculosis) and Non-communicable Diseases (Diabetes Mellitus, Obesity, etc.)

## **DEPARTMENT OF OBSTETRICS AND GYNECOLOGY**

### **Highlights:**

With a clear vision to serve in the best possible way, the Department of Obstetrics and Gynecology started its journey at the AIIMS, Bibinagar in June 2020, amidst full lockdown. Despite of huge numbers of COVID cases, the Patient Care was not compromised and patient services were provided to the needful through e-Sanjivani, an Online App and Teleconsultation. From November 2020, the OPD was again opened to the patient for physical consultation. Since then, the patient base of this Department is growing. The Department prides itself on high-quality Patient Management and meticulous Research Analysis. It strives to incorporate excellent Clinical Services with a dedicated Academic Curriculum and advancing Research activities. Our emphasis has been on Ethical Practice, efficiency, and Cost-effectiveness in providing the highest quality personalized care to all our patients, promoting Education and Mentorship and incorporating the latest Advances in the field. The department is also conducting Clinical Postings for the Undergraduates, where they are taught to deal with patients, understand their problems and take a detailed History and Examination. Numerous funded and non-funded research Projects are going on in the department for the patient as well as community benefit on long run.

## DEPARTMENT OF GENERAL SURGERY

### **Highlights:**

At the Department of Surgery, AIIMS Bibinagar, we have started OPD services and we aim to provide efficient services to all our Patients. Our team of Surgeons are dedicated, patient, compassionate, capable and work toward fulfilling all the general and surgical needs of our Patients. We look forward to providing seamless services and expand our patient base in coming days. We provide Clinical Diagnostic services that cover all aspects of the general surgical spectrum including diseases of Thyroid, Breast (lumps, both benign and malignant), abdominal pain / lump, Inguinal / Perineal disease, Hemorrhoids, Fissures, Fistula, Varicose veins, various Superficial Lumps and Ulcers. In the present scenario, Surgical Procedures like minor superficial debridement of Ulcers with dressing, drainage of superficial Abscess / Paronychia, excision of Superficial Cysts can be done in the OPD. In the near future, the Hospital will establish a minor OT with all facilities to expand services to our OPD patients. In addition to the procedures already being offered in OPD, we will also be able to perform minor surgical procedures to help our patients. Apart from clinical work, the Department also has the responsibility of training our young Undergraduate Students in the Art and Science of Surgery so that they become able and efficient Doctors with a good and strong foundation in Surgical Craft.

## **DEPARTMENT OF DERMATOLOGY**

### **Highlight:**

In AIIMS, Bibinagar, Dermatology department officially started as a separate department with separate OPD room on 20/02/21 with me, Dr Deepthi Konda joining as Assistant Professor. Since then, Dermatology OPD services are continuously being provided to the patients without any interruption. As a sole faculty in the department, I gave and will always give my best to establish and improve the department. The substantial increase in OPD census from 25 in February to 140 in March 2021 is an example for this. I have also submitted the curriculum and syllabus for MBBS Undergraduate students. I have also submitted an article and started recruiting patients for my other research studies. Department is yet to receive the equipment needed for doing procedures. Once that is procured, many procedures like Biopsy, Excision of swellings, Corn Paring and removal, Intralesional injection of steroids, Electro surgery, Radio frequency surgery etc will be done in the department. Also, CMEs and other academic programmes will also be conducted in the future.

**AIIMS Bibinagar launches real-time video consultation app**

**₹349 cr sanctioned for medical corps**

**Hyderabad:** All India Institute of Medical Sciences (AIIMS) in Bibinagar on Tuesday became the first hospital in the state to start video consultation through eSanjeevani OPD app. This will likely come as a major relief for non-Covid patients in the state.

The service will be available across departments of general medicine, general surgery, gynaecology, orthopaedics, ophthalmology and family medicine. The consultation, which can be availed on phone and will be free of cost for patients, will be provided from 10 am to 1 pm from Monday to Saturday. An e-prescription will also be sent to the patients.

**Hyderabad:** The state health department sanctioned over ₹349 crore to Telangana State Medical Services and Infrastructure Development Corporation (TSMISIDC) for procurement and supply of drugs, consumables and other logistics to fight Covid-19.

While the initiative has been launched in view of the pandemic, which has made healthcare services out of bounds for many, the institute plans to continue the service even after the pandemic is over.

Speaking about the initiative, Dr Vikas Bhatia, executive director of the institute, said, "We have been providing patient care services in the form of teleconsultation over phone calls and have now decided to upgrade the facility by collaborating with the Centre for Development of Advanced Computing (C-DAC), Department of Electronics and IT, GOI to launch real-time telemedicine with video consultation through a web portal/ app named eSanjeevani OPD."

Through this initiative, a patient from any district of the state can consult the doctors using computer, laptop or mobile phone. Discussions with the doctors can be done through live video conferencing or text messages.

# ACCOUNTS

2020 - 2021

**Seperate Audit Report of the Comptroller & Auditor General of India on the Accounts of All India Institute of Medical Sciences(AIIMS) Bibinagar for the year ended 31 March 2021**

1. We have audited the attached Balance Sheet of All India Institute of Medical Sciences (AIIMS) Bibinagar as on 31 March 2021 and the Income & Expenditure Account/Receipts & Payment Account for the year ended on that date under Section 19(2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 18 (2) of AIIMS Act 1956 & AIIMS Amendment Act 2012. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii. The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format approved by Government of India, Ministry of Finance.
- iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Institute as required under Finance Bye-law 31 of the Institute, in so far as it appears from our examination of such books.
- iv. We further report that:

## A. General

1. Institute has not made provisions for "Employees Retirement and Terminal Benefits" though the institute has employed regular staff in the financial year 2020-21 as required under accounting standards 15 issued by ICAI.

2. Time barred issued for ₹ 24,908 and cheque for ₹ 5136 were neither cancelled nor written back in the accounts.

3. AIIMS, Bibinagar has revised the Annual Accounts for the year 2020-21 based on audit comments.

**B. Grants-in-aid:** Out of total Grants-in-aid of ₹ 47.28 crore (₹ 30 crore<sup>1</sup> received during the year + unspent balance of previous year of ₹ 17.28 crore), the Institute had utilized an amount of ₹ 23.28 crore<sup>2</sup> leaving a balance of ₹ 24.00 crore unutilized (including SAP) as on 31 March 2021.

C. AIIMS, Bibinagar has revised the Annual Accounts for the year 2020-21 based on audit comments.

## D. Management Letter

Deficiencies which have not been included in the Separate Audit Report have been brought to the notice of the Executive Director, All India Institute of Medical Sciences, Bibinagar, through a Management letter issued separately for remedial/corrective action.

vii. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this Report are in agreement with the books of accounts.

viii. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts and subject to the significant matters stated above and other matters mentioned in the Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:

a. In so far as it relates to the Balance Sheet, of the state of affairs of the All India Institute Of Medical Sciences, Bibinagar for the year ended 31 March, 2021 and

b. In so far as it relates to Income & Expenditure Account of the Surplus for the year ended on that date.

  
**Director General of Audit (Central)**
