VISION

To emerge as a leading global healthcare institute offering quality medical education, promote relevant scientific research and provide accessible and quality health care to patients. The Institute lays emphasis on inculcating ethical and moral values in students and mould them into competent health care providers.

MISSION

To evolve as a centre of excellence in medical education, scientific research and patient care. To inculcate a positive work culture to nurture mutual trust and respect. To set high professional standards with good interpersonal relationships and lasting reputation.

EXECUTIVE DIRECTOR'S MESSAGE

Prof. (Dr) Vikas Bhatia

Executive Director

All India Institute of Medical Sciences Bibinagar,

Hyderabad Metropolitan Region, Telangana

AIIMS, Bibinagar, situated in Telangana, stands as a premier healthcare institution established under the aegis of the Ministry of Health & Family Welfare, Government of India. Designated as "Phase-VII" of PMSSY, this institute commenced operations in 2019. Spread over a sprawling 201-acres along the Hyderabad-Warangal Highway (NH-163) in YadadriBhuvanagiri District, it serves as a beacon of excellence in medical education, research, and patient care.

Expressing heartfelt gratitude to Prime Minister of India, Honourable Shri Narendra Modi ji for his invaluable support and guidance to the institute from its inception culminating in the historic occasion of laying the Foundation stone on 08 April 2023, a momentous day in the annals of AIIMS, Bibinagar. My sincere thanks to Shri Jagat Prakash Nadda ji, Hon'ble Union Minister for Health & Family Welfare and Chemicals & Fertilizers, GoI; Shri Prataprao Jadhav, Hon'ble Minister of State, Ministry of Health and Family Welfare; and Smt. Anupriya Patel, Hon'ble Minister of State, Health & Family Welfare and Chemical & Fertilizers, GoI for their support and guidance.

I express my sincere gratitude to Dr. Mansukh Mandaviya ji, Hon'ble Union Minister for Health & Family Welfare and Chemicals & Fertilizers, Govt. of India, for visiting the institute on 18th December 2022 and being a continuous source of motivation for our Institution. I also thank Dr. Bharati Pravin Pawar, Hon'ble Union Minister of State for Health & Family Welfare, Govt. of India & Prof. S.P. Singh Baghel, Hon'ble Union Minister of State for Health & Family Welfare, Government of India.

I also express my sincere thanks to Shri Apurva Chandra, IAS, Secretary (H&FW), MoH&FW, Govt. of India, Shri Sudhansh Pant, IAS, former Secretary (H&FW), Shri Rajesh Bhushan, IAS, former Secretary (H&FW), Govt of India for their unwavering support and guidance. I also thank Ms. Punya Salila Srivastava, Secretary (H&FW), Shri Jaideep Kumar Mishra, AS&FA, MoH&FW, Govt. of India, who have always been very supportive to our institute. Special thanks are extended to Ms. Ankita Mishra Bundela, IAS, Joint Secretary, PMSSY, MoH&FW, Govt of India, for her instrumental role in guiding our developmental endeavors.

I extend my gratitude to the members of the Institute Body which became functional from August 2020 and played pivotal role in shaping the strategic direction of our institute. Dr. George D' Souza, President of the Institute Body, Secretary, MoH&FW, Government of India & Chairman, Standing Finance Committee, Dr. Subbiah Shanmugam, Chairman, Standing Selection Committee, Dr. Vasantha Kamath, Chairperson, Standing Academic Committee along with our other dedicated Institute Body members, for their tireless support and guidance.

The sanctioning of Rs. 1,366 crores further fueled our aspirations, propelling us toward our goal with unwavering determination. The physical progress of construction work of 20 blocks has reached 57.05% of the planned milestones and are expected to be completed within the next 01 year and AIIMS Bibinagar, will be attaining near full functionality.

I am glad to mention that AIIMS Bibinagar enrolled its 1st MBBS batch with 50 students in the year 2019 and since then a total of five batches consisting of 411 students have been admitted at the institute. The first batch of students started their internship on 1st January 2024. Academic pursuits thrive within our institution we witness the flourishing of MD/MS programs across 18 departments. The recent approval of DM/M.Ch courses in the department of Neurology and Pediatric Surgery, with two seats per year, reflects our commitment to fostering super-specialization and innovation in medical education. In tandem with our academic endeavors, research at AIIMS Bibinagar resonates with vigor and impact. The publication of 658 research articles signifies our steadfast dedication to pioneering breakthroughs in healthcare. The commencement of the College of Nursing in August 2023 marked a significant stride towards our holistic approach to healthcare education. Moreover, the augmentation of the B.Sc. (Hons.) Nursing seat matrix from 30 to 60 seats, effective from the August 2024 session and introduction of the M.Sc. Nursing program epitomizes our commitment to nurturing the next generation of healthcare professionals. Expansion of allied health courses from three to seven underscores our resolve to cater to diverse healthcare needs comprehensively.

In hospital area, our clinical services, have done over Seven Lakh outpatient consultations and about 11,000 inpatient admissions attest to our unwavering focus on patient care and wellness despite operating from existing partially constructed building. With 32 functional departments staffed by 115 Faculty Members, Senior Residents, Junior Residents, and over Five Hundred Nursing Officers, our commitment to delivering quality healthcare remains unwavering. In Three functional Operation Theaters 15-20 major surgeries daily have been done at very affordable cost in addition to over 33,000 surgical procedures. Facilities like 20 bedded ICUs, Hemo-Dialysis Service, Labour Room, Blood Storage Center, MRIs & state of art diagnostic services are now established at AIIMS, Bibinagar. e-Sanjeevani (video conferencing consultations) is reaching to all 33 Districts of Telangana and provided over 70,000 consultations. Community outreach program through Medical Module Unit have adopted 06 villages &conducted 248 health camps, patient care through Rural Health Training Centre to rural community reflects our commitment.

I also appreciate our Faculty, Doctors, Nursing Officers, Hospital staffs, Administration, Finance Section, Engineering Section and Academic, Examination & Research Sections and students for their dedication and hard work, despite operational challenges. Their commitment to providing quality healthcare services has been exemplary, and we are confident that together, as a strong team, we will continue to build upon our successes for the benefit of the people of Telangana and beyond.

Together, we take pride in this journey in creation of AIIMS Bibinagar, an Institute of National Importance.

Prof. (Dr.) Vikas Bhatia

1.2. List of Projects

- **Project: 1 - Title:** "ICMR'S National Hospital Based Registry on Venous Thrombo-Embolic Disorders (i-RegVED)" under Prof. (Dr.) Vikas Bhatia, Executive Director cum CEO, All India Institute of Medical Sciences (AIIMS), Bibinagar, Hyderabad – 508126. **Started** in Jan 2023; **Ending** in Year 2026. **Portal framed by**: ICMR. **Total Fund amount:** INR 30,93,312/-.

- **Project: 2 - Title:** Natural water resources and Non-point water pollution leading to Infections and Syndromes in Humans & at Community level Human-Animal-Environment Interface in YadadriBhuvanagiri district of Telangana (NAWA-NISHCHAIY: NOVEL RESOLUTION) **Original project:** Date of submission – July 2022. This project was technically approved by DHR, but it was suggested to reduce the number of villages from proposed eight (8) to 1-2 villages as a pilot. The work related to the project is yet to begin. **Revised project:** Date of submission – February 2023

- **Project – 3 - Title:** State Centre of Excellence for Nutrition for implementation and monitoring of intensive Community based Management of Severe and Moderate Acute Malnutrition among 0-59 months children in selected districts of Telangana. **Funded by**: UNICEF. **Started** in Mar 2023; Ongoing. The State Centre of Excellence for Nutrition was established at AIIMS Bibinagar, in April 2023. AIIMS Bibinagar is supporting in capacity building, supply chain and program monitoring of the SSFP program of Government of Telangana in collaboration with WCDW department in 3 districts - Asifabad, Gadwal and Kama Reddy.

- **Project – 4 – MR U-DHR Project Titled: "**Strengthening of Biomedical Waste Management at different Health Care Level – A District Model" and "Gap analysis, challenges, encountered and strengthen of Primary Health Care delivery among tribal population of India",started on September-2023 -Total funds released -1,40,00,000/-. Total fund sanctioned Rs.5 Crores.

1.4. Awards and Achievements

SN	Awards
1.	Attended 2nd National Consultation on Bidi Life Cycle and Health and Economic Burden of Bidi Consumption in India organized by NAMS, New Delhi and School of Public Health, AIIMS Jodhpur on 19.05.2023.
2.	Chairperson - 3rd National Consultation Dissemination of Good Replicable and Innovative Practices of Tobacco Control in India organized by National Academy of Medical Sciences (NAMS), New Delhi on 18.07.2023.
3.	Guest in Hypertension Care and Control Workshop on the National Program for Prevention and Control of NCD organized by NIHFW, New Delhi on 03.08.2023.
4.	Speaker for the plenary discussion during the Annual National Conference of Epidemiology Foundation of India (EFICON - 2023) conducted on 30.09.2023 & 01.10.2023 at Goa.
5.	Special Invitee for the 1st Convocation Ceremony of AIIMS, Patna on 19.10.2023 in the August presence of the Hon'ble President of India.
6.	Chairperson in the MIYCN Conference on 25.10.2023, AIIMS, New Delhi.
7.	Attended "Orientation Workshop on Integrative Medicine" at NIMHANS, Bangalore organized by Ministry of Health and Family Welfare, Government of India on 30.10.2023.
8.	Honorable Governor of Telangana, Smt Tamilisai Soundararajan participated in International Nutri Cereal Convention 5.0 Organised by Nutrihub, ICAR - Indian Institute of Millets Research at Hyderabad as Chief Guest. Prof. (Dr.) Vikas Bhatia, Executive Directorattended the event as Guest of Honour on 27 & 28 Nov 2023.
9.	Attended "3rd National Consultation on Health and Economic Burden Due to Bidi Consumption in India" at All India Institute of Medical Sciences, Jodhpur on 28 & 29.01.2024.
10.	Panelist - Stakeholders Convention on Integrative Health Solutions for Infectious Diseases" organized by ICMR, National Institute of Traditional Medicine, Belgavi on 14 & 15.03.2024.
11.	Chief Guest for the 15th Graduation Day Ceremony of MBBS (2018-19) Batch of MVJ Medical College & Research Hospital, Bangalore on 23.03.2024.

2. THE INSTITUTE - GENERAL OVERVIEW

The Pradhan Mantri Swasthya SurakshaYojana (PMSSY) was announced in 2003 with the objectives of correcting regional imbalances in the availability of affordable/reliable tertiary healthcare services and to augment facilities for quality medical education in the country. To facilitate the creation of very important institutions in the country, the Government of India has legislated AIIMS Act, 1956 under which AIIMS are established under Ministry of Health and Family Welfare, Government of India. AIIMS, Bibinagar Hyderabad Metropolitan Region (HMR) (Telangana) was denoted in "Phase-VII" of PMSSY. It made its beginning in August 2019. The Institute is located on a 201-acre area in the villages of Rangapur and Kondamadugu, Bibinagar Mandal, Yadadri-Bhuvanagiri District. The land is about 13 km from the District Headquarters of Bhongir. The nearest railway station (Bibinagar) and bus stand are two Km away and the International Airport (Shamshabad) is located at a distance of about 54 Km. The site is located on the NH-163 - Hyderabad - Warangal National Highway.

AIIMS Bibinagar is presently operating from a temporary building (erstwhile NIMS Hospital). The construction of new buildings is ongoing with few blocks already handed over. A total of 412 MBBS students in five batches are at present pursuing their career with the 1st batch of 50 students doing internship. Currently, patient care, academics, department establishment, administration and hostel facilities are all being managed in three floors of the existing blocks A, B along with the few new blocks handed over to us. Over a span of four and half years, the Institute has been able to grow by leaps and bounds and provide a nurturing environment for faculty development, teaching, research, collaborations, community activities, and patient care.

2.1. BRIEF OF AIIMS, BIBINAGAR

Project Details:

1. Location: Rangapur, Bibinagar, Yadadri-Bhuvanagiri, Telangana
2. Land Area: 201.648 Acres & 3. Project Cost: Rs. 1365.95 Cr (Approved on 20.02.2023)
4. Executing Agency: M/s HLL HITES under EPC Contract Mode
5. Procurement support Agency: M/s HLL HITES

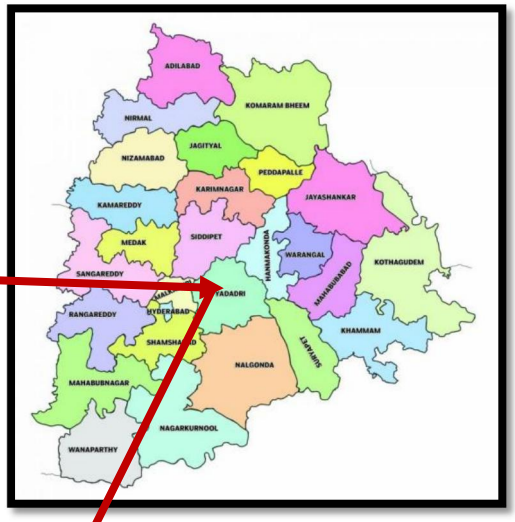

6. Brief of Construction is as follows:

   a. Hospital Block: 750 Bedded with OPD, IPD, AYUSH & OT Block
   b. Academic Block: Medical College, Nursing College
   c. Residential Block: Director’s Bungalow, Guest House, Residential accommodation for faculty and staff, Hostels for Doctors, Nurses and Students and night shelter for patients

2.2. SITE LOCATION:

Village: Rangapur & Kondamadugu
Mandal: Bibinagar
District: Yadadri-Bhuvanagiri, Hyderabad Metropolitan Region

11.3	Transfer of land 201 acres	04.06.2020	Transferred from Revenue Dept. T.S.
11.4	Construction		• Amrit Niwas (Night Shelter): First building handed over in Aug, 2023 • AYUSH block: Handed over in Oct, 2023 • Physical progress is 57.05% • Project Fund Status a. Funds Received from MoHFW is 512.55 Cr. b. Funds Utilized is 502.24 Cr.

2. AIIMS,Bibinagar is currently operating from temporary campus in old partially constructed building (approx. 20% habitable) located in allotted 201 acres of land handed over for establishing AIIMS Bibinagar, Amrit Niwas & AYUSH Block

ENGINEERING SECTION

ENGINEERING SECTION:

The Engineering Section headed by the Superintending Engineer is looking after the engineering requirements of the current Hospital building. In addition, the Engineering Section has been coordinating between various departments of AIIMS and HITES, the Executing Agency of AIIMS Bibinagar project for various constructions, re-organization of space, and other engineering-related matters. The Engineering section at present has JE (Civ), JE (Elect) & JE (A/C & R). These JEs have joined in the 4th Quarter of 2023-24. The Engineering Section has carried out various expansion activities/works during the FY 2023-24 to meet the requirements of the Institute. These works were vital for the functioning of the institute as the details of some of the major expansion works taken up in the existing building are as given below.

SN	Name of the Work	User Department
1.	Provision of DG Set and allied Civil Works for MRI Machine.	Radiology
2.	Creation of space by providing Aluminium partitions for various departments including OPD & Diagnostics.	Hospital Administration
3.	Provision of Nursing Hostel in the 1st Floor of B Block	Nursing
4.	Provision of Nursing College, Classrooms, and Hostel for Girl students of MBBS in the 3rd Floor of A Block	Academics
5.	Audiology Booth	ENT
6.	Establishment of RO Plant	Administration

The AIIMS Bibinagar project has started taking shape this year with the completion of Night Shelter and Aayush Block in 2023-24. These two blocks are currently being used as hostels for the MBBS students. The execution of works as stated above, and completion of Night Shelter and Aayush blocks has helped the institute to shift the students, who were staying at rented premises outside the campus to inside the campus. The coming year will be an eventful year for the institute as most of the infrastructure works will be completed as a part of the AIIMS Bibinagar Project.

Status of Construction work at AIIMS, Bibinagar:

Description	Actual
Physical Progress (%)	57.05%
Financial Progress(Rs.)	Rs.502.24Cr

The contract for construction work of AIIMS Bibinagar has been awarded to M/s NCC Limitedandthe present status is as under:

Client	:	**Ministry of Health & Family Welfare (MoHFW)**
Executing Agency	:	HITES
EPCContractor	:	M/sNCC LTD.
Sanction/ApprovalDate	:	17.12.2018
Sanctioned Revised cost	:	Rs.1365.95 Cr(Approvedon 20.02.2023)
Date of commencement of work	:	Jul-2022 (Building&Services)
Schedule completion	:	Jul-2024 (Building&Services)
Target Completion	:	Jan-2025 (Inc.MedicalEquipment)

Description	Planned	Actual
Physical Progress	87.88%	64.40%
Financial Progress(Rs)– 31-05-2024	Rs.926.32Cr	Rs. 573.41Cr(fund released)

ProjectFundstatus upto31-05-2024:

FundsReceivedfromMoHFW	Rs.573.41 Cr.
FundsUtilized	Rs.519.96Cr.
Funds available with HITES	Rs.53.45 Cr.
Total Funds required upto June-2024(Q1- 2024-25)	Rs.150 Cr.
Total Funds required–July-24 to Mar-25 (Q2 to Q4 2024-25)	Rs.448 Cr.

Status of Statutory approval

- NOCs from Environmental clearance, AAI, Irrigation department, AERB, Pollution Control Board &Fire Department obtained.
- Waiver of statutory fees for Permanent HT supply and Water supply received.
- HMD Approval is under process.Waiver of statutory fee/charges forwarded shall be requested from the State Government.

The proposed timelines given by HITES for various buildings is as follows:

SN	Name of Block	Floors	Targeted completion
1	Hospital Vishram Grah (Night Shelter)	G+3	28-Aug-23 (Completed)
2	Ayush block	G+1	14-Oct-23 (Completed)
3	Type-VIquarters	G+5	20th -July-24
4	GuestHouse	G+2	
5	CommunityBuilding	G	
6	Director Residence	G+1	
7	ESS & Services Buildings for the above buildings	G	
8	UG Boys Hostel	G+18	
9	Dining Block	G+1	
10	ESS & Services Buildings for the above two buildings	G	
11	Academic block	G+5	
12	UG Girls Hostel	G+19	24th -Aug-24
13	Type-II	G+15	31st-Oct-24
14	Type-II&III	G+15	
15	Auditorium	G+1	30th -Nov-24
16	Existing Hospital Block C & F	G+4	
17	Type – IV&Vquarters	G+23	
18	PG Boys& Girls Hostel	G+16	
19	PG Married&Working Nurses Hostel	G+20	
20	New Hospital Block	G+4	31st-Dec-24
21	Existing hospital (OtherBlocks)	LG+G+5	31st-Jan-25

DETAILS OF FACILITIES

S.N.	Buildings / Particulars	No.of Floors	Capacity
1	Hospital building (Addl.work, Demolition &remodeling of existing building)	LG+G+5	720 beds + 1 OT for Emergency & 1 OT for Labour
2	New Hospital Block & Connecting corridor	G+4	16 OTs & Radiotherapy facilities incl. 1 OT for Brachy therapy
3	AYUSH Hospital	G+1	30beds
4	Academic block	G+5	125 admissions(100MBBS+EWS) 60 admissions (Nursing College)
5	Auditorium	G+1	650 - Seater + Conference hall
6	Amrit Niwas	G+3	249 occupancy + 6 shops
7	Director Bungalow	G+1	1unit
8	Guest House &Club	G+2	8 rooms,4 suites & 2 VIPsuites
9	Type-II quarters	G+15	62DU& 8 shops
10	Type-II & III quarters	G+15	48 DU of T-II & 16 of T-III

ADMINISTRATION

ADMINISTRATION

The General Administration Division of the Institute is an important wing managing the activities and renders administrative support to the Executive Director to meet the objectives of the Institute. It broadly includes all establishment matters of Faculty and staff, stores & procurement, grievances, conducting review meetings and other administrative matters as assigned by the Executive Director. For the smooth conduct and functioning, administrative, academic section, finance, hospital services, departments and health centers, report to the Executive Director. Deputy Director Administration, along with the Admin Officer and Accounts Officer, work towards progress and development of the institute. Academic section, Examination section, Research wing and the Medical Education Unit are fully functional and work in coordination with each other to establish a positive work culture. The media and social networking are also being wonderfully dealt by a team of dedicated faculty and the Public Relation Officer.

Dr.Bipin P. Varghese
Deputy Director Administration

10	Upper Division Clerk	C	05

DPR (Equipment) Wing

Detailed Project Report or DPR, as is commonly known, is an initiative by HLL HITES wherein the equipment is managed for AIIMS Bibinagar. The Tri-partite agreement, signed between the President of India acting vide Ministry of Health and Family Welfare, Government of India, and The Executive Director, AIIMS Bibinagar, and the President, HLL HITES is a unique document that has paved the way for an easy process of getting medical equipment for AIIMS Bibinagar. In its essence, faculty from AIIMS Bibinagar can choose equipment for their departments from a comprehensive list of equipment, distinctive for each department and amounting to a total budget of 185 crores; then HLL HITES issues the supply order and the equipment gets delivered and installed at AIIMS Bibinagar, following which the payment is released to the supplier, moderated by the Ministry of Health and Family Welfare, Government of India.

The DPR Wing was created, vide Office Order AIIMS/BBN/Admin/OO/2023 dated 13th January 2023 to manage the equipment under DPR for AIIMS Bibinagar. The DPR wing consists of a team which includes the following team members**:**

SN	Name	Designation	Role
1	Dr. Shashanka Panda	Additional Professor and Head, Paediatric Surgery	Nodal Officer
2	Dr. Parag Patil	Assistant Professor, Pathology and Lab Medicine	Additional Nodal Officer
3	Mr. Sevakram Yadav	Nursing Officer	Member

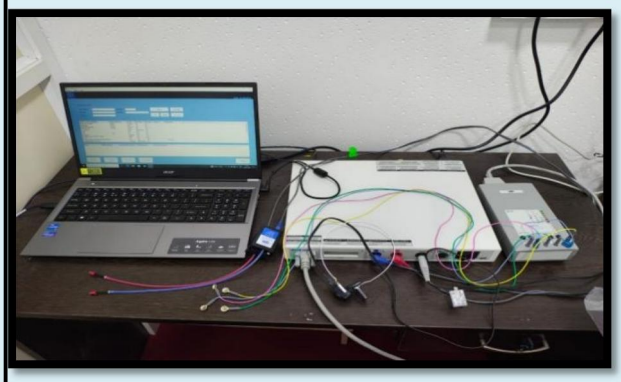

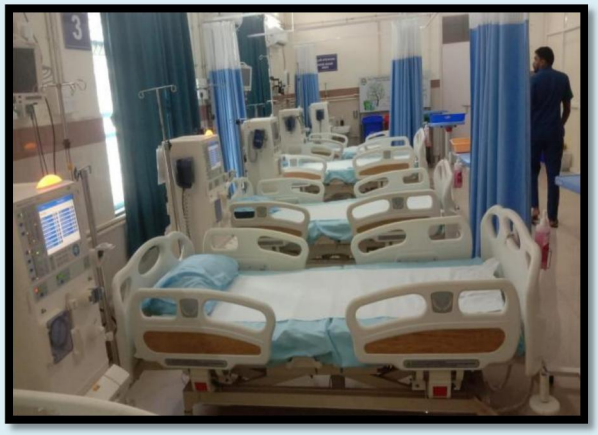

The wing aims to optimize and streamline the processes associated with receiving, inspecting, and installing medical equipment, ensuring that patients, students and faculty have access to cutting-edge tools for patient care, practical learning and research. By implementing efficient procedures and fostering collaboration between various departments, AIIMS Bibinagar can enhance its capabilities and maintain its position as a centre of excellence in healthcare education.

DPR FUND EXPENDITURE STATEMENT, AIIMS BIBINAGAR

Total funds sanctioned for AIIMS Bibinagar for Equipment to be purchased through DPR: 185 Crores:

DPR Phase	Year	No of Equipment	Funds (in Crores)	Paid by	Funds exhausted (in Crores)
I	2020 - 2021	46 (Non & Para Clinical)	2.247	AIIMS, Bibinagar	**50.4**
IIa	2021 - 2022	58 (Non & Para Clinical)	2.23	AIIMS, Bibinagar	
IIb	2021 - 2022	CSSD	0.516	AIIMS, Bibinagar	
IIIa	2022 - 2023	140 (Speciality Dept)	23.8	PMSSY

*AIIMS Bibinagar – A Physically Handicapped friendly campus - Constructions are going on and all necessary facilities are being taken care of.

ACADEMICS

DEAN (ACADEMICS)

The Academic Section develops policy, plans, and conducts academic activities. These activities encompass the undergraduate courses and faculty development. This section handles admission formalities for new students, develops and revises curriculum, and administers teaching programs including assessment of undergraduate students admitted to MBBS.

Name	Designation
Dr. Rahul Narang, Professor & Head, Microbiology	Dean (Academics), AIIMS Bibinagar
Dr. Nitin Ashok John, Professor, Physiology	Dean (Examination), AIIMS Bibinagar
Dr. Sangeetha Sampath, Professor, Biochemistry	Dean (Research), AIIMS Bibinagar
Dr. Gunvanti Rathod, Additional Professor, Pathology	Associate Dean (Academic)
Dr. Mrudula C, Additional Professor, Anatomy	Associate Dean (Research)
Dr. Prashanth Mada, Assistant Professor, FMT	Assistant Controller of Examination
Dr. B Aparna Varma, Additional Professor, Biochemistry	Registrar
Dr. Madhusudhan U, Assistant Professor, Physiology	UG, Faculty I/C (Academics)
Dr. Ashutosh Rath, Assistant Professor, Pathology	PG, Faculty I/C (Academics)

UG (Academics)

- The 5th batch of MBBS admission process was completed.Out of 100 allotted seats, 100 were filled by the end of the stray vacancy round of MCC. The existing batch of 2022 comprises 99 students.
- The first batch of internships commenced on January 2024

Students' Activities & Achievements

- Student exchange program with AIIMS Bhubaneshwar was initiated with the approval of competent authority from 16th June to 29th July 2023, wherein students of MBBS 2019 (final year) batch were posted in casualty, emergency & trauma center&other departments batch-wise
- MBBS 2019 batch appeared for their 3rd MBBS Professional exam in December 2023
- Internship was commenced in 1stJanuary 2024. A log book for interns was prepared & the same was released on the Internship orientation day by our Executive director Dr Vikas Bhatia.
- For 5th Batch of MBBS 2023 orientation was commenced on 04th September 2023 & completed on 14.09.23
- MBBS batch 2022 appeared for their first professional exam in October 2023, results were declared in November & orientation to 2ND MBBS was given on November 2023
- MBBS batch 2020 entered the 8th semester. Orientation was conducted on 08th& 09th January 2024

MBBS Batch 2019

- Mudavath Nikhil Kumar and Ankith Reddy Saddi won 3rd place in AEGEUS - Quiz on Research Methodology, Biostatistics and Ethics conducted by Seth G S Medical College, Mumbai on August 12th, 2023

- Afnan Rimzy P and Nalmas Sanjana won 1st place in State level quiz held by the Annual Conference of the Indian Psychiatric Society (TSPSYCON) at Hyderabad, Telangana on 24th June 2023
- Afnan Rimzy P and Nalmas Sanjana won 1st place in the south zone level quiz held by IPSOCON 2023 at Guntur, Andhrapradesh on 14th October 2023
- Afnan Rimzy P and Nalmas Sanjana won 2nd place in the national round of psychiatry quiz held by the Annual Conference of Indian Psychiatric Society (ANCIPS 2024) at Kochi, Kerala on 21st January 2024
- Sanjay Chandra Mohan and Afnan Rimzy P won 1st place in the IAP UG Quiz DIVISIONAL Round held at Government Medical College Nalgonda on 20 September 2023
- Sanjay Chandra Mohan and Afnan Rimzy P won 1st place in the IAP UG Quiz Telangana STATE Round held at Niloufer Hospital, Hyderabad on 9th October 2023
- Sanjay Chandra Mohan and Afnan Rimzy P won 3rd place in IAP UG Quiz
- Central zonal Round held at RVMIMS, Hyderabad on 10th November 2023

MBBS Batch 2020

- Hiranya Deore Pawar Bhagwant Ganesh Runner-up ERUDITE (All Subjects - National Quiz Competition, AIIMS Bhubaneswar)
- Hiranya Deore, Abdul Rahman Consolation prize @ National Autopsy Quiz (FMT, AIIMS Bhopal)
- Hiranya Deore, Abdul Rahman winners @ Forensic Causa 8.0 Quiz (FMT)
- Dhanalakshmi V,) first prize One Health Foundation Day - Think Out Of The Box (Novel Solution on World Problem
- Rohan Jagtap, Sudarshan Karhale, Pawar Bhagwant Ganesh first prize in IAPSM World Health Day Quiz
- Kashyap Sanjeev Mangathaya Aman Naved Shaikh first place in MED-E-BATE (Kakatiya Medical College, Warangal

MBBS Batch 2021

1. Omkar Patnaik
   - 1st Prize in Epidauria Junior mediquiz , CMC Vellore
   - 2nd Prize in National pharmacology quiz, AIIMS Mangala Giri
   - 1st Prize in National Hematology quiz, AIIMS Jodhpur
   - 2nd Prize in UG clinical poster competition on Foundation Day, AIIMS Bibinagar.
2. Anshuman Pradhan
   - 2nd prize in the National Pharmacology Quiz, ISRPTCON-2023, KMC MANIPAL,
   - Winner of the Servicer Research Grant Award at the annual conference of the Venous Association of India (VAICON-2024)
   - Oral Paper Presentation at the Vascular Society of India (VSICON-2023, Mumbai)
3. Manogna and Ragini - 2nd prize in Pediatrics Clinical Case Presentation, JIPMER Connaissance 2023
4. Aadil Sinha:
   - Winner: EPIDAURIA-Junior quizcmc Vellore
   - Runner up: Cognition-national pharmacology quiz AIIMS Mangalagiri
   - Winner: national hematology quiz for undergraduates AIIMS Jodhpur

MBBS Batch 2022

- Prajapati Joshi & Vishal Chimkode 1st position in Med Mavens Lite, an Inter-College Pre-clinical quiz at ELYSSIA-2024, AIIMS Kalyani
- Ayush Amlan :1st prize in Resonate (patient education seminar) at Illuminati, Medfest of AFMC
- Aishwarya Gunjkar
  1. AIIMS Mangalgiri: 2nd prize in Anatomy Model Presentation.
  2. Blood Donation Day Poster presentation: 1st prize
  3. International Workshop on lifestyle medicine poster presentation(duet): 1st prize
  4. Tribal Health Poster presentation :1st prize
  5. IAPSM community medicine quiz (group of 3): 3rd prize
  6. AMR awareness week rangoli: 2nd prize

MBBS Batch 2023

- Stefi Maria Lal and Vishnu Sarath- Consolation prize for an e-poster competition on account of Institute Foundation day
- Aayansh Agrawal and Mohammad Wadoo- 3rd prize in E-poster presentation (Students category)
- P Amuktha Malyada- 2nd prize for Oration on Legends of Anatomy during Cadaveric Oath
- Karan Soni - 1st prize in poster making on anatomy day.

STUDENT WELFARE COMMITTEE

The committee was constituted on 09.09.2023 to address students' physical & mental issues & to promote their physical & mental well-being. The committee members are:

- Dr Sai Krishna Tikka, Associate Professor, Psychiatry -Faculty in charge
- Dr Madhusudhan U, Assistant Professor, Physiology, Faculty I/C UGg academics as Member (Student Welfare)
- Dr Shailaja Prabhala, Additional Professor, Pathology& Chairman as member (Student Mentorship Programme) member
- Dr. Debasis Bisoi, Assistant Professor, Pharmacology as a member (Student EHS)
- Dr Bhushan Kamble, Assistant Professor, CFM as member (Student EHS)
- Dr Supriya Garapati, Associate professor, Anatomy& as member (Cultural Committee)
- Dr Rekha Priyadarshini U, Assistant professor, Pharmacology as a member (Sports)

Activities conducted

- Since there was no health scheme,the welfare Committee recommended STUDENT HEALTH SCHEME on 20.11.23 with its operational guidelines & submitted it to the ministry through the proper channel.
- Committee meets 4th Friday of every month to discuss, if any issues are addressed by the students & submits the minutes to Dean office periodically.

PG ACADEMICS:

Currently, there are 78 postgraduate (MD/MS) students. In July 2023 session, 9 candidates, and in the January 2024 session, 39 candidates joined. The postgraduate courses are available in 18 departments. The standing academic committee has approved a total of 53 seats in a year in various, pre-clinical, para-clinical, and broad specialty departments. The number of postgraduate students in each department is listed below:

SN	Departments	Number of Postgraduates
1	Anatomy	01
2	Biochemistry	04
3	Community Medicine and Family Medicine	08
4	Forensic Medicine & Toxicology	02
5	Microbiology	04
6	Pathology	10
7	Pharmacology	02
8	Physiology	03
9	General Medicine	05
10	General Surgery	05
11	Orthopaedics	07
12	Obstetrics and Gynaecology	05
13	Ophthalmology	02
14	Otorhinolaryngology (ENT)	02
15	Pediatrics	06
16	Radiodiagnosis	06
17	Anaesthesiology	04
18	Psychiatry	02
	Total	78

Academic achievements of postgraduate residents:

- Dr. Raviteja Punnapa, postgraduate of Anatomy, was awarded third prize in poster presentation in RSA meet – 2023, held in Mamata Academy of Medical Sciences, Hyderabad.
- Dr. Anwesha Dutta Chowdhary, postgraduate of Pathology, was awarded First position in the Team Quiz for Post Graduates on “Multiple Myeloma” on the occasion of Myeloma
- Awareness Month organized by the Department of Biochemistry, AIIMS Bibinagar.
- Dr. Arjun Banerjee and Dr. Rajesh Kanna K, postgraduate residents of Microbiology have received financial support from the ICMR-PG thesis program. Postgraduate residents from various departments have published articles in indexed Journals.

MEDICAL EDUCATION UNIT

The faculty members of the Medical Education Unit (MEU) are as follows:

1. Chairman : Dr. Rahul Narang, Dean (Academic).
2. Co-chairman : Dr. Neeraj Agarwal, HOD, CFM
3. Overall, In-charge : Dr. Aparna Varma B, Registrar

Team	Name	Department	Work/Task Designated
Team-1	Dr. Lakshmi Jyothi Tadi	Microbiology	Basic Training and Teaching and Learning Strategies in Medical Education
	Dr. Namitkant Singh	ENT	
Team-2	Dr. Mrudula.C	Anatomy	Training for different methods of assessment and evaluation
	Dr. Sumitra Sivakoti	Pathology	
Team-3	Dr. Shailaja Prabhala	Pathology	Obtaining feedback from students and faculty and taking measures to improve it
	Dr. Prashanth Mada	FMT	
Team-4	Dr. Rashmi Kundapur	CM&FM	Monitoring and Implementation of Integrated Teaching
	Dr. Kishore Yadav J	CM&FM	
Team-5	Dr. Madhuri Taranikanti	Physiology	Attitude, Ethics and Communication (AETCOM) Competencies
	Dr. R Shyamala	Microbiology	
Team-6	Dr. Gunvanti Rathod	Physiology	Foundation and Orientation Course for new Entrants, II phase and III phase students and interns
	Dr. M Kalpana	Pathology	
	Dr. Rohit Saluja	Physiology	
Team-7	Dr. Aparna Varma	Biochemistry	Objective Structured Clinical Examination (OSCE), Objective Stractured Pratical Examination (OSPE) and Lab (Skill Lab)
	Dr. Nabnita Patnaik	OBGY	
	Dr. Prafull K	Physiology	
Team-8	Dr. Pragnesh Parmar	FMT	Early Clinical Exposure and Elective Postings
	Dr. Naina Kumar	OBGY	
	Dr. Vishaka Jain	General Medicine	

BASIC TRAINING AND TEACHING

- **Report - 1:** Team has been further expanded with the inclusion of 3 more faculties– Dr. Rekha, Asst Professor, Department of Pharmacology, Dr. Vidya Asst Professor, Department of Physiology, and Dr. Ashutosh's Professor, Department of Pathology
- **Report - 2:** The 89thNational Course on Educational Science for Teachers of Health Professionals was held from 04.10.2023 to 10.10.2023 in the Department of Medical Education, JIPMER, Puducherry.
- **Report - 3:** We completed the Workshop on Medical Literature Searching and Referencing, held on January 29, 2024, from 9 am to 5 pm. Under the esteemed guidance and support of Executive Director Sir, Prof. Dr. Vikas Bhatia, Dean Academics Prof Dr. Rahul Narang, Dean Research Prof Dr Sangeetha Sampath, and Registrar Dr. Aparna, the event proved to be a commendable initiative in advancing medical knowledge and research.
- **Report- 4:** The 90th National Course on Educational Science for Teachers of Health Professionals was scheduled from 26.02.2024 to 02.03.2024 in the Department of Medical Education, JIPMER, Puducherry.

ASSESSMENT & FEEDBACK

The student feedback forms of the 2022 batch were analyzed and the following points were noted:

- 84 students filled in the feedback form for the Department of Anatomy, 80 for the Department of Physiology, and 91 students filled out the forms for the Department of Biochemistry.
- Almost all the students agree that the teaching schedules were followed and exams were conducted on time by all departments. The teaching schedules and exam portions were displayed in advance on the respective notice boards and students were made aware of it.
- All the departments have conducted exams as per schedules from the Registrar's Office and theory and Practical exams were conducted satisfactorily.
- The faculty is available and approachable to all students to clear their doubts and queries.
- The departments can inform the students to check the notice boards after display of mark lists
- The feedback, in general, by students for first professional year departments is very good.

The student feedback forms were analyzed 2019 batch and the following points were noted:

- Almost all the students agree that the teaching schedules were followed and exams were conducted on time by all departments. The teaching schedules and exam portions were displayed in advance on the respective notice boards and students were made aware of it.
- All the departments have conducted exams as per schedules from the Registrar's Office and theory and Practical exams were conducted satisfactorily.
- The Faculty is available and approachable to all students to clear their doubts and queries.
- The departments can inform the students to check the notice boards after the display of mark lists
- The feedback, in general, by students for final professional year departments is very good.
- Most of the students have asked for a 24-hour Library facility and for Up To Date to be available in the library.

INTEGRATED TEACHING

Integrated learning a centralized plan for the 4th term and 7th term was planned with block posting and as case-based learning, problem-based learning with public health problems like Anaemia, Diabetes, Jaundice, Stroke, and Tuberculosis was prepared. 5 other Public health problem integrated modulesare getting ready.

As per the circular, we couldn't carry out the integrated module and we conducted 7 classes of the Anaemia module which was Case-based learning and students highly appreciated it. The exam score of students was average 73 which indicates it was a good learning process All 1st year, 2nd year departments were involved. OBG and Medicine with CFM were involved.

Members

Name	Designation	Department
Dr. Rashmi Kundapur	Nodal officer	Additional Professor, CFM
Dr. Kishore J	Additional nodal officer	Assistant Prof. CFM
Dr. Meely Panda	Member	Assistant Prof. CFM
Dr. Seetu Palo	Member	Assistant Prof. Pathology
Dr. Prashanth Mada	Member	Assistant Prof. Forensic
Dr. Mishu Mangala	Member	Assistant Prof. OBG

AETCOM

The team AETCOM, a unit of MEU is continuing to provide a holistic approach to medical profession by training the undergraduate medical students and paramedical students the concepts of Attitude, Ethics and Communication (AETCOM). We, the team AETCOM have conducted the AETCOM sessions and modules for undergraduate medical students which included many innovative game-based small group activities, interactive sessions and group discussions, and presentation of videos of real-life scenarios and patient encounters. The team ensured that the budding doctors would inculcate the essence of AETCOM and lifelong learning in them.

Team members:

Name	Designation	Department
Dr. Madhuri Taranikanti (Team leader)	Additional professor	Physiology
Dr. R. Shyamala	Associate Professor	Microbiology
Dr. G. Vidya	Assistant Professor	Physiology
Dr. Abhimanyu Sharma	Assistant professor	Pathology
Dr. Sai Krishna T	Assistant professor	Psychiatry
Dr. Neemu Hage	Assistant professor	ENT

FOUNDATION COURSE:

Commencement of 10 days Foundation Course for the 1st Semester MBBS students (Batch 2023)

- Foundation Course for the 1st Semester MBBS students (Batch 2023) AIIMS Bibinagar Hyderabad, was inaugurated today on 04.09.2023. The course is planned for the next 10 days till 14.09.2023.

(ER) Satyabrata Sahoo, Chairman, SEVA Foundation, Vice President, SAKSHAM, Odisha.

Orientation Programme for 2020 MBBS Batch

- The orientation program for the 2020 MBBS batch was conducted from 13 – 14 March 2023 in the Auditorium at AIIMS Bibinagar. An overview of the orientation was given by Dr. Madhusudhan U, Assistant Professor, Department of Physiology, Role of students in Research was explained by Dr. Mrudula C, Associate Dean (Research). Interactive session including role play by students on vocal & verbal communication as a part of AETCOM by Dr. Shyamala, Associate Professor, Department of Microbiology. The students also learned how to write a research proposal session taken by various faculty members.

Internship Orientation Program on 1st January 2024.

- The Internship Orientation Program for the MBBS batch of 2019 commenced on January 1, 2024, with esteemed dignitaries including Director Dr. Vikas Bhatia, Dr. Rahul Narang, Dean Academics, Medical Superintendent Dr. Abhishek Arora, and Registrar Dr. Aparna Verma gracing the stage.
- Dr. Vishakha, Additional Professor and Head of General Medicine Dept., delivered a speech on patient care in the IPD setting. Dr. Tushar Parmeshwar, Assistant Professor, Dept. of General Surgery, then provided insights into Surgical Triage and care of surgical patients.
- The session ended with Dr. Yadukul, Assistant Professor from the Dept. of Forensic Medicine and Toxicology, delivering a comprehensive talk on MLC reporting and death declaration.
- The fresh batch of interns actively engaged in the program, setting a positive tone for their upcoming internship journey.

Executive Director addressing the students on Foundation Course Inauguration to MBBS Batch 2023

Guest Talk by Speaker Prof Dr. Mahapatra, VC, SUM, Soa University, Bhubaneswar addressing

Student Activities during the10-day Foundation Course for MBBS Students.

Internship Orientation Program for the 1st Intern Batch in the Institute.

ELECTIVES: Committee Members

Committee members met on 26th November 2022 and submitted minutes of meetings regarding proceedings for electives at AIIMS Bibinagar. The committee asked for various clarifications and guidance from the registrar's office. After receiving various clarifications on certain points from registrar's office on 12th January 2023; the Committee meeting was held again on 13th January 2023. Minutes of the meeting for the same as well as tentative elective schedule was submitted on 13th January, 2023.

Student Mentorship Program

The Student Mentorship Program Committee was formed to plan the mentoring activities for MBBS students at AIIMS Bibinagar. The committee works under the guidance of the Dean (Academics)
The student mentoring program started in Jan 2021 with the first batch of MBBS students, ie, with the 2019 batch. At present there are five MBBS batches ie 2019, 2020, 2021, 2022, and 2023 batches. This program is voluntary for the students as well as the faculty. The approximate mentor-to-mentee ratio is 1:9. Monthly one hour, every third Friday is dedicated to mentor-mentee interaction since October 2022. The committee has faculty from across all three professional MBBS years for smoother coordination. A half-day Workshop on the theme 'Mentoring for Mentors' was conducted on 13th October 2023. Renowned faculty Prof. (Dr.) N.V.N. Reddy Professor & HOD Department of General Surgery Convener, NMC Regional Centre Gandhi Medical College, Hyderabad (TS) and Prof. (Dr.) G. Jyothi Lakshmi Professor & HOD Department of Microbiology MEU Co-Ordinator Osmania Medical College, Hyderabad (TS) were invited as guest speakers.

Student Mentorship Committee along with Dean (A) Prof, Dr. Rahul Narang and the guest speakers on 13 October 2023 during workshop titled 'Mentoring for Mentors'

FACULTY AFFAIRS

The Standing selection committee [SSC] conducted recruitment in multiple phases for various posts. A total of **130** appointment orders were issued out of which **115** faculty members had joined in various departments including super specialty departments and many are in the process of joining. Out of these **114** faculty members,**11**are Professors, **20** Additional Professor, **22** Associate Professor, and **63** Assistant Professor. In addition to that we have **116** Senior Residents and **55** Junior Residents (Non-Academic) &**02**Senior Residents **78** Junior Residents (Academic) in various departments.

5th STANDING ACADEMIC COMMITTEE (SAC) MEETING

The 5th meeting of the Standing Academic Committee of AIIMS Bibinagar was held on 04th March 2024 at 10:30 am in the Conference Room of AIIMS Bibinagar.The quorum of the meeting was complete and the meeting was convened.

- Approval for increasing the seat matrix from 30 to 60 of the B.Sc. (Hons.) Nursing program for the Academic year 2024.
- Approval on starting of MSc. Nursing courses in various disciplines at AIIMS, Bibinagar
- Approval for commencement of six years integrated DM Course in the Department of Neurology
- Approval for starting a 6-year Integrated Super Specialty M. Ch course in the Department of Pediatric Surgery
- Approval for starting DM in Global Health and Clinical Epidemiology at AIIMS Bibinagar
- Approval of Internship Logbook of MBBS training program
- Approval of increase in the number of seats for B. Sc Allied Health in existing courses
- Approval of new courses of B. Sc (Honours) Allied Health
- Approval to Start the MDS course in the Department of Dentistry at AIIMS, Bibinagar with effect from July 2024

ANTI-RAGGING COMMITTEE

The Committee headed by the Executive Director Dr. Vikas Bhatia as Chairperson has taken utmost precaution in curbing the menace within AIIMS Bibinagar campus. The campus is ragging free. The Dean Prof. Dr. Rahul Narang, in his capacity as the Vice-Chairperson, channels all the requisite support in this regard for making the Anti-ragging Committee fully operational. The new hostel "AYUSH BUILDING, within the campus" is separate ragging free abode of newcomers. There will be wardens on duty to take care of students. Security guards are posted for 24 hours. As per Honorable Supreme Court's ant-ragging norm, one Assistant Professor will be on duty each day residing in campus ensuring safe and healthy atmosphere for the students.

A letter to the parents of the senior batch students to apprise regarding the various anti-raging measures at the Institute in accordance with the National Medical Commission (Prevention and Prohibition of Ragging in Medical Colleges and Institutions) Regulations, 2022 was also sent previously. Awareness boards regarding anti-ragging rules with revised Anti-ragging Committee member notifications were placed in different areas within the campus. The Committee also includes representation from students (senior and junior), Sub-Inspector, Local media person, and an NGO member.Hostel committee members part of antiragging committee are always in contact with students and parents ensuring providing healthy and holistic environment to the students.

EXAMINATION SECTION

During the academic year 2023-2024, the Examination section executed various activities:

Group A, B & C Examinations:

- The section agreed with Tata Consultancy Services (TCS) Limited, Chennai for the administration of Computer-Based Test (CBT) examinations for filling up various Group A, B & C Posts, this collaboration extended to coordinating with the agency for the conduction of CBT examinations for both Group B & C posts, along with the Non-Faculty Group 'A' (Nursing College) CBT Examination and Candidates were then shortlisted based on their performance in the CBT examination. Additionally, the section agreed with the National Skill Training Institute (NSTI), Hyderabad for the conduction of the Skill test for various Group B & C Posts. Subsequently, in June and July, the Examination section organized Document Verification & Skill Tests for the shortlisted candidates for filling up various Group B & C Posts.

MBBS Examinations: In September 2023, Section contributed to the foundation course by delivering the following:

- Overview of Examinations at AIIMS Bibinagar and Assessment and Scoring.
- Furthermore, the section administered several examinations, including the Batch- 2020 Second MBBS Supplementary Professional Theory and Practical Examination in August 2023, the Batch- 2022 First MBBS Regular Professional Theory and Practical Examinations in October 2023, and the Batch- 2019 Third MBBS Regular Professional Theory and Practical Examinations in December 2023.
- In January 2024, the section successfully administered the Batch-2022 First year MBBS Supplementary Professional Theory and Practical Examinations.
- Original Marks Memos were issued to First and Second-year MBBS students. In addition to distributing Original Marks Memos, the Section also issued Provisional Marks Memos for the 2019 Batch final year MBBS students.

SR Recruitment:

- In June & July 2023, the section conducted Senior Residents (SR) (Advt. No. 1219 & 1311) Interviews, followed by SR (Advt. No. 1561) Interviews in October 2023.
- In December 2023, the Examination section conducted a Multiple-Choice Questions (MCQ) Screening Test for the recruitment of SR (Advt. No. 2003) in the Department of Dentistry and shortlisted the candidates for interview based on their performance.

Empanelment with C-DAC (Recruitment Portal):

- It is noteworthy to mention that, the section has facilitated the e-recruitment portal services for recruitment of various posts at AIIMS Bibinagar online.
- As a part of this initiative, a collaboration was made with C-DAC (Centre for Development of Advanced Computing) for the recruitment of these positions through an online portal. This strategic collaboration aimed to enhance the efficiency and transparency of the recruitment process, ensuring a seamless experience for both applicants and the organization

Online Paper Evaluation:

- The section has taken a step forward for evaluation of papers by the examiners through an online format. As part of this, we are collaborating with NIC (National Informatics Centre) for the evaluation process.

Examination & Assessment:

Basic Research Methodology Workshop:

The Institute Research Cell (IRC) of AIIMS, Bibinagar under the aegis of Director, Prof (Dr) Vikas Bhatia and guidance of Dean (Academic), Prof (Dr.) Rahul Narang and Dean (Research), Prof (Dr.) Sangeetha Sampath organized a 2-and-a-half day Basic Research Methodology Workshop (BMRW) for the newly joined Junior Residents (Academic) from 23rd Jan 2024 to 25th Jan 2024.
The participants included JRs from the departments of OBGY, Physiology, General Medicine, General Surgery, Pathology, Orthopedics, Pharmacology, Anaesthesiology, Paediatrics, Radio Diagnosis, FMT, ENT, Psychiatry, Biochemistry and Community Medicine and Family Medicine. The workshop was coordinated by Dr. Vaman Kulkarni, Assistant Professor, and Dept. of CMFM. The resource persons included: Dr. Aparna Varma, Dr. Rashmi Kundapur, Dr. Mrudula C, Dr. Madhavi Eerike, Dr. Meely Panda, and Dr. Rohit Saluja. The following were the activities conducted:

Day 1 (23.01.2024): Various lectures on research topic and research question, review of literature, different types of study designs and practical aspects of sample size calculation, interspersed with hands-on activities.

Day 2 (24.01.2024): Various lectures on basic statistics, ethical aspects of research, study protocol anddata collection tools, SOPs for conduct of research activities interspersed with hands-on activities.

Day 3 (25.01.2024): The pre-decided groups of JRs prepared and presented draft research protocols which were attended by all the resource faculty members, who provided their valuable feedback on important aspects of the protocol.

The exchange of information and ideas was enjoyed by both the faculty and residents.
Standard operating procedure (SOP) for the conduct of clinical trials at AIIMS, Bibinagar has been made for the institute.

The Institute has been awarded Recognition of AIIMS Bibinagar as a Scientific and Industrial Research Organization (SIRO) by the Department of Scientific andIndustrial Research and a certificate for the recognition received

Third SAC meeting was held on 16.03.2024. In the meeting, 15 intramural proposals were presented.

The 3rd SAC under the guidance of Chairman SAC, Dr Yogesh Chawla Ex Director PGI Chandigarh, assembled to review intramural projects costing almost 75 lakhs.

The Scientific Advisory Committee of the Institute has technically approved 36 new Intramural funded projects

Presently there are 32 extramural funding projects and 3 Clinical trials are going on

The Institute has a total of 657 publications by faculty and students with AIIMS affiliation

EXTRAMURAL FUNDED PROJECTS

SN	Project Title	PI	Date of sanction/ Agency	Budget In Rs.
1.	A mixed method approach for evaluation and supporting supervision of community-based implementation of SSFP for management of children with SAM&MAM in selected districts of Telangana	Dr. Neeraj Agarwal	UNICEF 23.9.2021	77,19,438
2.	Evaluation of the effectiveness of the National Health Mission (NHM) policy of co-locating AYUSH within primary healthcare	Dr. Vikas Bhatia	AYUSH 3/4/2020	29,97,750/-
3.	Implementation research on post tuberculosis care in primary settings: Assessment and management of risk factors, co-morbidities and lung disability (IR-PTC)	Dr. Gomathi. R	ICMR 2/12/2024	71,68,637
4.	Development and validation of prediction of prediction equations for respiratory impedance by forced oscillation technique in an Indian population-multicentric cross-sectional study	Dr.Nitin Ashok John	ICMR 2/23/2024	43,09,061
5.	Cue reactivity and attention in alcohol addiction: A relapse tracker	Dr.Kalpana.M	ICMR 1/28/2024	46,92,275
6.	Ultrasound Triggered Active Drug Delivery (Uadd) System for Triple Negative Breast Cancer Therapy	Dr.Annapurna Srirambhatla	ICMR 27.2.2024	12,84,648
7.	A pilot study to assess the effect of elevated fluoride levels on maternal fetal, neonatal and neuro developmental outcomes	Dr. Aparna Varma B	Telangana Government 25.03.2022	10,00,000
8.	Zoonotic Enteric Pathogen: Is it a hidden enemy in the Human–Animal interfaces? – A retrospective cohort study in children less than five years from a rural community of Telangana	Dr.Rahul Narang	ICMR 20.04.2022	25,60,195/-
9.	Predictors of breakthrough infection and re-infection of COVID-19 among Indian population a deep learning approach	Dr.Gerard Marshal	ICMR 20.04.2022	9,67,000
10.	Multi-slice spiral CT scan study of surgical Anatomy of hepatic veins- application in living live donor liver transplantation	Dr.Alka Bhingardeo	ICMR 20.04.2022	1,27,250
11.	Diabetes and Latent Tuberculosis Infection in primary care settings in selected districts of India: A cohort study (DiaLTB)	Dr.Gomathi. R	ICMR 20.04.2022	15,72,687
12.	Development of a Loop-Medical Isothermal Amplification (LAMP) assay for on-site diagnosis of Thrichomonas vaginalis, chamydiatrachomatics and Neisseria gonorrhoeae from patients attending STI clinic.	Dr. Rudresh SM	ICMR 8/2/2024	16,62,522
13.	Feasibility study on use of drone in the transportation of sputum samples for diagnosis of tuberculosis in rural areas of YadadriBhuvangiri district of Telangana	Dr.Bhushan Kamble	ICMR 7.06.2022	16,23,000
14.	ICMR National Registry on venous thrombo-Embolic Disorders (I-Reg Ved)	Dr. Vikas Bhatia	ICMR 26.08.2022	30,93,312
15.	Adipocyte derived exosomes as a diagnostic biomarker for insulin resistance: key components for Type 2 diabetes mellitus	Dr. Komal Rani	HRD 23.11.2022	46,46,250/-

16.	Continuous non-invasive advanced hemodynamic monitoring versus standaard care for the management of pediatric septic shock- A pilot randomized control trial	Dr.Mounika Reddy	SERB-SRG 1/12/2023	30,71,400/-
17.	Setting up a pathogen surveillance system for environmental microbiological surveillance and AMR gens beyond SARS-CoV-2 in collaboration with CCMB Hyderabad	Dr.Rahul Narang	CCMB 2/1/2023	52,30,340
18.	Assessment of unmet and access to assistive technologies among the general population through digital rATA tool- Across-sectional survey in India	Dr.Meely Panda	ICMR 4/13/2023	41,96,899
19.	Identification of composite neural biomarker for differentiating psychotic disorders using quantitative EEG and speech signal analysis	Dr.Sai Krishna Tikka	SERB 2/17/2023	24,65,936
20.	Building a surveillance model for detecting Zoonotic spillover in increased animal-human interaction setting using a one health approach: A study at selected slaughter houses.	Dr.Rahul Narang	ICMR 5/17/2024	1,78,84,226
21.	Pan India surveillance for respiratory viruses through DHR-ICMR VRDL Network	Dr.Rahul Narang	ICMR-DHR-VRDL 4/15/2024	76162320
22.	A prospective study to explore the risk of diabetes in patients on long term proton pump inhibitors	Dr. Madhavi Eerike	DHR 7/24/2023	45,42,630
23.	Evidence synthesis for the use of stem cell therapy: Conducting systematic review/Meta analysis	Dr.Madhavi Eerike	ICMR-DHR 9/11/2023	7,09,200
24.	Mobile application- based tracking and its role in improving compliance to Primaquine radical therapy and follow up of P. vivax malaria cases in highly endemic districts of Telangana	Dr.Nikhat Shareein	ICMR 10/3/2023	13,33,348
25.	Assessment of diagnostic performance of ingeniously developed sample collection and concentration device (K-8 spider) for diagnosing childhood TB with reference to conventional technique of gastric aspiration and sputum collection.	Dr.Rahul Narang	ICMR 21.9.2023	14,21,674
26.	Mapping the spectrum of sexually transmitted infections (STIs) and reproductive tract infections (RTIs) among the selected high-risk groups (HRGs)-A multicentric study	Dr.Bhushan Kamble	ICMR-STI 10/31/2023	67,57,317
27.	Mapping the health seeking pathway and sexuality problems among the migrants of the metropolitan region"	Dr .RashmiKundapur	ICMR-STI 10/23/2023	30,50,148
28.	Salivary exosomes: a non-invasive approach for the early detection of poor oral hygiene triggered pre-malignant oral lesions"	Dr .Patil Parag Parshuram	ICMR 12/15/2023	57,35,042
29.	Prevalence of sexually transmitted infections, their associated risk factors, and treatment seeking behavior among tribal population in India-A multicentric study	Dr. Raja. S	ICMR 2/5/2024	38,47,401
30.	Sankalp": Strengthening Program Implementation and Monitoring to Achieve Single-digit Neonatal Mortality – An Implementation Research	Dr. S Thanigainathan	BMGF 1/12/2024	6,24,16,341
31.	Efficacy of animal source food on macro and micro nutritional status of adolescent girls in residential schools of Telangana-Anon-randomized control trial (EASNAR study)	Dr.Gomathi. R,	ICMR-NMRI 1/10/2024	22,00,00,000

32.	**"**Strengthening of Biomedical Waste Management at different Health Care Level – A District Model" and "Gap analysis, challenges, encountered and strengthen of Primary Health Care delivery among tribal population of India"	Dr. Vikas Bhatia	Under ICMR-MRU-DHR	5,00,00,000

INTRAMURAL FUNDED PROJECTS

SN	Title of the Project	PI Names	Sanction of the Date	Budget
1	Assessment of psychosis risk in Indian youth: A community based cross-sectional pilot study, Yadadri-Bhuvanagiri district, Telangana	Dr. Sai krishna Tikka	24/01/2022	Rs 2,52,000
2	Prevalence and predictors of vitamin B12 deficiency in children with moderate acute malnutrition: a cross-sectional study from a tertiary care hospital in South India	Dr. Madhusudhan. S	6/24/2024	Rs.4,82,521
3	Clinical and immunological responses to COVID 19 vaccination in Rheumatoid arthritis patients on treatment with DMARDs – AProspective Cohort Study	Dr.MadhaviEerike	25/9/2021	Rs 4,98,437
4	Long COVID phenomenon and its association with deranged coagulation	Dr.Sandeep Garee	25/9/2021	Rs 3,72,643
5	Assessment of micronutrients levels in patients with post COVIDmusculoskeletal manifestations	Dr. Ch Ramakrishna Prasad	25/9/2021	Rs 3,95,704
6	Association between post COVID respiratory dysfunction and new onsetanxiety disorders	Dr.Kiran Kumar G	9/11/2021	Rs 67,000
7	Study of association of non-alcoholic fatty pancreatic disease with beta celldysfunction in metabolic syndrome and type 2 diabetes mellitus	Dr. Anand Pyati	9/11/2021	Rs.4,94,650
8	Validation of Dried Blood Spot sample as a method of Screening ofHemoglobinopathies in newborn babies and use the technique to study the prevalence ofhemoglobinopathies in the newborns of Yadadri-Bhuvangiri and Warangal districts: A pilot study	Dr. Madhu Latha	9/11/2021	Rs.4,85,350
9	Serum levels of nitric Oxide metabolites in relation to body Mass Index and arterial stiffness in young individuals	Dr. Vidya Ganji	9/11/2021	Rs 2,24,500
10	Anatomical evaluation of venous drainage of liver and its associated variations by corrosion cast method	Dr. Alka Bhingardeo	9/11/2021	Rs.82,400
11	Etiology of acute undifferentiated fever in Yadadri-Bhongir District	Dr. R.Shyamala	24/12/2021	Rs 4,95,750
12	Diagnostic Efficacy of in house TB Loop Mediated Isothermal Amplification (LAMP) compared to conventional techniques in detecting Extra-pulmonary Tuberculosis for IRC approval.	Dr. Raja S	24/12/2021	Rs 4,95,750
13	Association of neurotrophic factors with Diabetic Neuropathy.	Dr. Archana Gaur T	24/12/2021	Rs 3,74,000
14	A study on the community prevalence and clinic-biochemical correlation of B12, folate and iron deficiency in adolescents in the district of Yadadri-Bhuvanagiri	Dr.Emaine A. Rahiman	24/12/2021	Rs 4,99,500
15	Safety and efficacy of Atropine 0.05% vs 0.01% for prevention of myopic progression in children	Dr. Siddharam S Janti	24/12/2021	Rs 2,99,600
16	Genetic epidemiology of Familial Hypercholesterolemia in Yadadri-Bhongir district and neighboring districts of Telangana state	Dr. Supriya Garapati	24/12/2021	Rs 3,13,000
17	Zinc deficiency-A harbinger of cognitive and vestibular dysfunction	Dr. Madhusudhan U	24/01/2022	Rs.2,84,248
18	Histological Grading of Cartilage in Osteoarthritis of the knee joint and its Association with Metabolic Syndrome	Dr. Rohini Motwani	24/01/2022	Rs.1,90,000

19	Study to evaluate the role of clinical infection score in the differentiation of bacterial and viral infections.	Dr. Prashanth Mada	24/01/2022	Rs.1,82,400
20	Role of Novel urinary biomarkers in Diabetic Nephropathy	Dr. SakthivadivelV	24/01/2022	Rs.4,95,000
21	Isolation and Identification of Non Tuberculous Mycobacterium from Human and Environmental samples in YadadriBhuvanagiri district	Dr. Sunil kumar D Chavan	24/01/2022	Rs.4,69,500
22	A study to determine the prevalence of anemia and the causes of. Hemolyticanemia in tribal 1population residing in Yadadri-Bhuvangiri district of Telangana state	Dr.Parag Parushuram Patil	24/01/2022	Rs.4,98,435
23	Estimation of chronological age by X-ray findings among adolescent &elderly age group which are of Medico-legal importance	Dr.Yadukul S	24/01/2022	Rs.1,44,000
24	Association of serum cathelicidinLevels with treatment outcomes in newly diagnosed tuberculosis patients.	Dr. Yuvaraj B	24/01/2022	Rs.3,53,180
25	A comparative Study to know the efficacy of Four layer dressing plus hydrocolloid patch with four layer dressing in the management of chronic active venous ulcer patients	Dr. Krishna Ramavath	24/01/2022	Rs.4,25,000
26	Exploring klotho and biomarkers: Prognostic significance and early detection potential in oral squamous cell carcinoma and oral dysplastic lesions	Dr. Namit Kant Singh	6/25/2024	Rs. 5,00,000
27	Study on tobacco use among high school students of Bibinagar Mandal and efficacy of school based multiple components intervention in reducing and preventing tobacco use among high school students	Dr. Kishore Yadav Jothula	6/25/2024	Rs. 3,04,500
28	A study of post Covid-19 arthritic manifestations in Telangana	Dr. Anish Signal	24/01/2022	Rs.4,92,353
29	Comparision of cognitive functions between Bilingual and Multilingual	Dr. Kalpana M	24/01/2022	Rs.1,50,545
30	Epidermiology, etiology and outcomes of severe acute respiratory infections (SARI) in children aged 1 month to 18 years in the Covid-19 era-a hospital-based prospective observational study	Dr.Mounika Reddy	10/22/2022	Rs.4,98,500/-
31	Targeting Mitochondrial Behavior And Load In Exfoliated Buccal Epithelial Cells As Prognostic Markers Of Glycation In Type-2 Diabetes Targeting mitochondrial behavior	Dr Surraj.S	3/7/2023	Rs. 1,96,760
32	Genotoxicity and hepatotoxicity testing of Artificial Sweeteners in the Liver tissue of Rats by Comet Assay and histopathological techniques: An Experimental Study	Dr.Ariyanachi K	3/7/2023	Rs. 4,97,870
33	Assessment of Immune cells in the endometrial tissue in women with heavy menstrual bleeding and in those with normal cycles: A Cross Sectional Comparative Study	Dr.Mishu Mangla	3/7/2023	Rs.4,99,800
34	Utility of cell block preparation in comparison to conventional smears in the evaluation of Abnormal uterine bleeding by directly sampled endometrial cytology: A pilot study	Dr. Immanuel Pradeep	3/7/2023	Rs. 1,19,550
35	Identification of Novel Inhibitor targeting IL-33 Signaling pathway and its validation in Human Mast Cell line by using cell culture approach	Dr. Rohit Saluja	3/7/2023	Rs.4,99,500
36	Role of Contrast Ultrasound in differentiating benign from malignant breast lesions amongst the BIRADS 4 category	Dr. Annapurna S	3/7/2023	Rs.5,00,000

37	Prognostic Relevance Of Lymphocyte Activation Gene 3 (Lag3) And Fibrinogen-Like Protein 1 (Fgl1) In Colorectal Carcinoma	Dr. Seetu Palo	3/7/2023	Rs.5,00,000
38	Correlation of magnesium and inflammatory markers in hyperurecemia patients attending a tertiary care institute in South India- A cross-sectional analytical study	Dr.Maley Deepak Kumar	6/25/2024	Rs. 2,43,257.15
39	Evaluation of nutritional deficiencies measures of dental rehabilitation and nutritional supplementation in S-ECC amount 3-6 years old children – A randomized controlled trial	Dr. Pranitha. V	6/25/2024	Rs. 4,99,927
40	Unveiling the aging genome" A study to investigate the age related Y chromosome loss or SRY gene mutation as associative biomarkers for cardivasular diseases in elderly males	Dr. Geetha. S.G	6/25/2024	Rs. 4,33,500
41	Association of knee osteoarthritis and its severity with fluoride levels in tertiary health care center of south India – An analytical cross sectional study	Dr.Sandeep Dhole	6/25/2024	Rs. 2,46,400
42	Prevalence of micronutrient deficiency in Type-II Diabetic patients with and without foot ulcer in comparison with non diabetic patients with and without foot ulcers	Dr. Tushar Mohanlal Parmeshwar	6/25/2024	Rs. 4,90,400
43	Comparative analysis of LIFT with autologous platelet rich plasma versus LIFT with fibrin glue versus LIFT alone in intersphincteric and transphincteric fistula-in-ano patients a pilot study	Dr. A. Nyna Sindhu	6/25/2024	Rs. 3,54,650
44	To evaluate the efficacy of 38% of silver diamine fluoride along with a traumatic restorative technique in arresting caries among secondary school children in rural Telangana: A randomized controlled trial	Dr.Vijay	6/25/2024	Rs. 4,85,250
45	Neuroplastic changes in acquired "haptic perceptional skills" in blindfolded children a functional MRI study	Dr. T. Ashok Vardhan Reddy	6/25/2024	Rs. 3,88,960
46	Serum levels of imterleukin-6 and interleukin-33 in chronic urtricaria and their correlation with disease severity	Dr.Deepthi Konda	6/25/2024	Rs. 4,99,500
47	Efficacy of oral probiotics therapy for woman with vulvovaginal candidiasis: A randomized controlled study	Dr. J. Aparna	6/25/2024	Rs. 3,41,250
48	Expression levels of miR-125b in Asthma patients and normal individuals with an emphasis on inflammatory markers	Dr.Vemuri Mahesh Babu	7/22/2024	Rs.5,00,000

COMMITTEES

CULTURAL COMMITTEE

1. Highlights

76th Republic Day celebration at AIIMS Bibinagar where all the faculty, Nursing officers, Students (MBBS and Nursing) non-teaching staff, security, and housekeeping attended the program. A provisional MBBS degree certificate was issued for the first batch of students 2019 batch.

A cultural event "Dandiya night", Bathukamma celebrations, Republic Day celebrations, and UDBHAV were celebrated which was attended by all faculty members along with their families, students, and their Family and friends.

UDBHAV 2024, the annual students'socio-culturalprogram started on 5th March. It was followed by various literary and art competitions like face painting, best out of waste, Mock Parliament, solo singing, and solo dance. Mock parliament, resembling the real parliament was a big hit, with students showcasing their talent with wonderful discussions and debates on various political topics. This year, online competitions were also organized; wherein, around 100 students from different colleges participated actively and won prizes. On March 5th, the events started in the morning with group singing, instrument, rangoli, and mehendi, and later by the fun-filledQuizzotica and Just a Minute, a Group dance competition that went on till evening. Students did a spectacular fashion show with which all the events came to an end. The cultural event was conducted during annual day celebrations on 10th and 11th March 2023 by the active participation of the faculty, residents, students, and Nursing officers.

2. Members

Name	Designation	Department
Dr. Rashmi Kundapur	Chairman	Additional Professor CFM
Dr. Kalpana.M	Nodal Officer	Associate Professor Physiology
Dr.Deepthi. Konda	Additional Nodal Officer	Assistant Professor Dermatology
Dr. Rohini.Motwani	Member	Associate Prof. Anatomy
Dr. Rekha.U	Member	Assistant Professor Pharmacology
Dr. Vijitha	Member	Assistant Professor Opthalmology
Dr. Sai Spoorthy	Member	Assistant Professor Psychiatry
Dr.Neemu H	Member	Assistant Professor ENT
Dr. Madhulatha.K	Member	Assistant Professor Biochemistry
Dr.Gayathri	Member	Assistant Professor Endocrinology
Dr. V Mahesh Babu	Member	Assistant professor Plastic surgery
Mr. Manjunath	Member	Nursing Officer

Major Events

ANNUAL DAY FUNCTION AND EVENTS HELD ON 10 MARCH 2024

LITERARY ACTIVITIES COMMITTEE

1. Highlights

Literary Activities Committee is divided into two sub-committees as Institute Magazine Committee and Literary Activities Committee. The Institute Magazine committee is involved in designing and creating the annual magazine and the members work in close association with the students of every new incoming MBBS batch to create the magazine. The objective of the institute magazine is to provide a platform to students and also to all the staff to showcase their literary and artistic talents of writing prose, poetry, art works, photography etc. It invites contributions from three languages ie, English, Hindi and local Telugu language. After a year long preparation, the magazine named as "Invictus- always the winners" is released every year on the Annual Day i.e. 10th March.

This year, the Institute Magazine "Invictus" was released by the Chief Guest, Shri. Zendage Hanumatodi, Collector, District Magistrate, Yadadri Bhuvanagiri, and Guest of Honour Dr. Karunakar Reddy, VC, KNR University of Health Sciences, Warangal. It was graced by the presence of Executive Director, Prof (Dr) Vikas Bhatia, Dean Academics, Prof (Dr) Rahul Narang and Medical Superintendent, Prof (Dr) Abhishek Arora, all faculty, students, Nursing officers, administrative staff and also some of the parents of students.

The other subcommittee looks after organizing literary events, namely, debate, quiz, just-a-minute, Mad-Ads, etc, for students, which are conducted usually in conjunction with the institute cultural committee during the annual institute cultural festival.

2A. Members of Institute Magazine Sub Committee

Name	Designation	Department

SPORTS COMMITTEE

1. Highlights

Dr. Ayya Shyama Sundar and Dr. Rekha Priyadarshini were appointed as Nodal Officer and Additional Nodal Officer for Sports on 2nd February 2021. For the smooth conduct of the sports activities for the year 2021-2022, the sports committee was formed by the nodal officers on 9th February 2021. The sports committee has been actively involved in the conduct of various sports and other fitness activities and also the establishment of the gynaecium.

2. Members

Name	Designation	Department
Dr. Ayya Syama Sundar	Nodal officer	Additional Prof.Anaesthesiology
Dr. Rekha Priyadarshini	Additional Nodal Officer	Assistant Prof., Pharmacology
Dr. Yadukul S	Member	Associate prof., Forensic medicine
Dr. Prafull K	Member	Associate Prof., Physiology
Dr. Sumitra Sivakoti	Member	Assistant Prof., Pathology
Dr. Raja	Member	Assistant Prof., Microbiology
Dr. Geetha S G	Member	Assistant Prof., Anatomy

4th Annual Sports Day (SPARK) 2023, from 19.02.2023 to 24.02.2024

3rd Monsoon Sports Tournament 2022 and Prize Distribution

CENTRAL LIBRARY

1. Highlights

The Institute Central Library plays a significant role in serving the faculty members, Residents, Staff, and students. It is equipped with 2000 UG, Post Graduate, and B.SC Para Medical Books. Nursing Books procurement is under process. Central Library established an E-Library that manages knowledge, both in print and digital formats and ensures seamless discovery and access to scholarly resources. E-Library is equipped with Digital Software that has access to e-books and e-journals through the MyLoft application. It has plagiarism detection software and NIC E-Granthalaya as an Integrated Library Management Software for Book transactions.

2. Members

Name	Department	Designation

CSR COMMITTEE

1. Highlights

The committee was constituted on 24/07/2023 to formulate CSR policies and modes of operation for the smooth functioning of the Institute. We prepared the "AIIMS CSR Fund Policy" which was approved. A checklist was created to collect the list of needful equipment from the departments based on priority for patient care, research, and academic purposes. All the data was compiled and the final list was prepared based on hospital needs.

We were successful in procuring four mannequins through the Rotary Club of Kokapet in collaboration with the Pemmasani Foundation for Basic Life Support Training. ONGC has expressed interest in upgrading the facilities of Critical Care, Emergency, and Oncology. However, due to a change in company policy, they stepped back from procuring the equipment and instead offered to release the financial aid to the institute's CSR account which is currently in process. The Bank of Baroda approached with the idea of improving basic hospital care facilities for which the list of equipment was prepared and sent for the current financial year.

2. Members

Name	Designation	Department
Dr. S.Kalyani SDL	Chairperson	HOD, Department of Anesthesia
Dr. Pranitha Vallala	Member Secretary & Nodal Officer	Asst Professor, Dentistry
Dr. Manasa Reddy	Member	Asst Professor, Paediatric Surgery
Dr. Mula Rohit Babu	Member	Asst Professor, Burns & Plastic Surgery

EMPLOYEES HEALTH SCHEME COMMITTEE

1. Highlights

EHS Cell was started on 01-06-2022 with full setup and the main objective is to reimburse the medical bills of regular employees as per CGHS norms/ Government orders. Ever since the EHS Cell started, the regular employees and their dependents have increased slightly day by day as detailed:

SN	Designation	Total	Average total dependents per employee	Total
1	Faculty	114	4	456
2	Nursing Faculty	19	4	76
3	Nursing Offr	537	4	2148
4	Gp B&C	54	4	216
5	SR (A)	2	4	8
6	JR (A)	79	4	316
7	SR (NA)	114	4	456
8	JR (NA)	45	4	180
Total		**964**	**4**	**3856**

The amount towards reimbursement of medical bills has been paid to regular employees/ Empaneled hospital from 01-06-2022 to till date.

1. Out Patient Medical claims - Rs 49,56,748.00
2. In-Patient Medical claims - Rs 14,91,913.00
3. Reimbursement to Hospital:

- Malla Reddy Narayana Multispecialty Hospital: Rs 8,94,510.00
- Aster Prime Hospital: Rs 2,68,074.00

2.Members

Name	Designation	Department
Dr. Arvind Kumar Morya	Chairperson	Addl Prof & Head Ophthalmology

INFORMATION TECHNOLOGY CELL

1.Highlights

The IT cell at AIIMS Bibinagar, consisting of dedicated faculty members and IT professionals, works tirelessly to support various Information Technology activities essential for the institute's functioning. One of our key responsibilities is the maintenance and regular updates of the official website (https://aiimsbibinagar.edu.in). Moreover, IT technical team provides crucial support for conducting online interviews and facilitating online recruitment processes for faculty and staff. We ensure that all online meetings are conducted seamlessly. The IT team also provides technical support for audio-visual equipment, enabling effective communication and presentation capabilities during meetings and events. Additionally, the IT cell offers comprehensive NIC email support. In the pursuit of advancing our technological infrastructure, the IT Cell recently established the National Knowledge Network (NKN) connection. IT Cell is delighted to announce the implementation of the e-office system in our institute This system will enhance efficiency, transparency, and accountability in our day-to-day operations by enabling electronic file management.

3	Dr. Vaman Kulkarni	Dept of CM&FM	Member
4	Dr. Neemu Hage	Dept of ENT	Member
5	Dr. Ariyanachi K	Dept of Anatomy	Member

3. Activities conducted

- After necessary approvals committee identified faculty coordinators in the following departments of Phase 1 MBBS
    - Anatomy
    - Physiology
    - Biochemistry
- Faculty coordinators were instructed to select topics from the list & identify faculty who will prepare e learning modules according to the CBME (Competency Based Medical Education) topics.
- The faculty members prepared their PPTs in prescribed format, after approval from NRC (National Resource Centre, New Delhi), they were allowed to go ahead with video recording of their selected topics, the following topics are successfully updated on NMCN portal
    - PY 6.4 High altitude physiology: Presenter Dr Nitin Ashok John, Prof & Head Physiology
    - AN 2.1 Skeletal system: Presenter Dr Ariyanachi K , Asst Prof, Anatomy
    - BI 6.8 Arterial blood gas analysis: Presenter Dr Madhu Latha, Asst Prof, Biochemistry
- Faculty coordinators for phase 2 MBBS was also initiated, topics are finalized, Faculty member are preparing PPTs for updating.
- Committee members meet every last Saturday of the month to discuss the progress.

OFFICIAL LANGUAGE COMMITTEE (RAJBHASHA SAMITI)

1. Highlights

- Making official documents of the institute bilingual.
- Providing Hindi translation for correspondence with the ministry.
- Assisting the institution's departments with Hindi-related matters.

2. Members:

Name	Designation	Department
Prof. (Dr.) Vikas Bhatia	Patron	Executive Director's

VIGILANCE CELL

1. Highlight

The Vigilance Cell of an Institute deals with all matters pertaining to vigilance. Vigilance functions to be performed by the Cell are of wide sweep and include collecting intelligence about the corrupt practices committed, or likely to be committed by the employees of the Institute; investigating or causing an investigation to be made into allegations reported to the Cell; processing investigation reports for further consideration of the disciplinary authority concerned; referring the matters to the Commission for advice wherever necessary; taking steps to prevent improper practices and commission of misconducts, etc. Thus, the Vigilance Cell functions can broadly be divided into three categories, as under: - a) Preventive vigilance b) Punitive vigilance c) Surveillance and detection.

2. Members

Name	Designation	Department
Dr Shasanka Shekhar Panda	CVO	Additional Professor & HOD, Pediatric Surgery
Dr Prashanth Mada	VO	Assistant Professor, F.M.T.

3. ACHIEVEMENTS & MAJOR EVENTS

- In 2023, Vigilance Awareness Week was observed from 30 October to 5 November with the theme of "Say no to corruption; commit to the Nation, भ्रष्टाचारकाविरोधकरें; राष्ट्रकेप्रविसमवपिरहें".
- In view of above, various activities during the three months campaign starting from August month for undertaking Preventive Vigilance at AIIMS Bibinagar was as follows:
- In August Displaying banner and posters of PIDPI* at premises.
- In September E-Integrity Pledge for all employees
- In October CyberHygiene and security awareness session
- In November Vigilance Awareness session & Integrity Pledge by all employees.
- Preparation of proforma for seeking vigilance clearance for AIIMS Bibinagar officers.
- Vigilance clearance for various assistant professors who have completed three years of service as Assistant professors – placement of pay matrix level 13.
- Release of circulars to Improve vigilance administration – Increasing transparency in procurement: Strict adherence to GFR & CVC provisions for procurement.

Swacchata Abhiyaan Committee

A 3-day workshop on Hospital Disaster Management – Training of Trainers was organized by the Swachhata Abhiyaan Committee at AIIMS Bibinagar. The event showcased a remarkable convergence of expertise and commitment to disaster preparedness. Distinguished Resource Persons were Air Vice Marshal Dr. M.S. Sridhar, Colonel Dr. Venkatesh Iyengar, and Air Commodore Dr. Anurakshat Gupta. The key Highlights were on Mass Casualty Drill and the Interactive Sessions.

Mass Casualty Drill - 43 participants demonstrated the evacuation, triaging, and prioritized handling of 10 casualties. This practical exercise brought theoretical knowledge to life and showcased the readiness of healthcare professionals in dealing with real-life disaster scenarios.

Interactive Sessions: Engaging and informative sessions were conducted on various aspects of disaster management, providing participants with a comprehensive understanding of the protocols and best practices.

Enthusiastic Participation: The workshop witnessed enthusiastic participation from the senior faculty of AIIMS Bibinagar and dedicated nursing officers, reflecting a shared commitment to enhancing disaster management capabilities within the healthcare community.

DEPARTMENTS

1. DEPARTMENT OF ANAESTHESIOLOGY

1. HIGHLIGHTS

The Department of Anaesthesiology offers in-patient services including perioperative anaesthesia management, Acute and Chronic pain management, Critical care management and emergency services. OPD services like pre-anaesthetic checks, chronic pain, post covid clinics and critical care clinics.

We are actively involved in undergraduate and post-graduate training, technician training, critical care, and operation theatre nurses' continuous education and training. Oxygen cell and CSSD services are also covered by the faculty of anaesthesiology. At present, we are having 3 functioning operation theatres. During the 2023-2024 academic year, we have provided perioperative care for **2213** surgical procedures in the operation theatres. Out of these 639patients were treated with regional anaesthesia,**613** patients received general anaesthesia and 961patients were managed with monitored anaesthesia care.

There is provision of round-the-clock services to the critical care patients in our 10 bedded ICU. Advanced techniques like FOB (Fibre Optic Bronchoscopy) guided intubation for difficult airways, invasive haemodynamic monitoring, ultrasound-guided regional anaesthesia, peri-operative echocardiography, and high thoracic epidural anaesthesia are regularly performed for improving the outcome in high-risk patients/surgeries. Post-operative pain was effectively managed by multi-disciplinary approach, which includes continuous epidural infusions, transdermal opioid (fentanyl and buprenorphine) patches, surgical site infiltration, paravertebral infusions, fascial plane blocks, and non-opioid medications.**2947** patients were evaluated at PAC (Pre anaesthetic clinic) clinic for fitness for surgery. We are rendering chronic pain management services, a total of **88** patients were managed, and out of these **21** patients received C-arm or ultrasound-guided interventional procedures.

11	3 staff 2 students	56	Anesthesia Technician – 2; CSSD Technician -1, DEO – 1; Attenders -3, Housekeeping –4; ICU Attendant -1, ICU Housekeeping -6

4. ACADEMICS

4.1. Teaching: i. Teaching Learning Methods adopted

Courses	Theory	Practical	Other Teaching Learning Methods
MBBS	52 hours	-	BLS training: 12 hours
PG	140 hours	1500 hours	Short group teaching: 21 hours
Technician	400 hours	1100 hours	Interactive sessions: 190 hours
Nursing staff	24 hours	300 hours	

ii. Examination & Assessment

Type of Exam	Jan 2023	July 2023
Internal Assessments	2	1
Pass percentage	100%	100%

4.2. Conferences/CME/Workshops/Guest Lectures:

i. Events Organized: 02

- A Hands-on workshop Local Anaesthetic Systematic toxicity (**LAST**) on 16th October 2023, 100 participants
- Spinal Sonography and its Applications on 14th March 2024, 50 participants.

ii. Invited Lectures / talks delivered by Faculties

- Dr. S. Kalyani SDL: 7
- Dr. Ayya Syama Sundar: 12
- Dr. Rama Krishna Prasad: 5
- Dr. Sandeep Garre- 7

iii. List of conferences / CMEs / Workshops / Training Programs attended

- Dr. S. Kalyani SDL: 3
- Dr. Ayya Syama Sundar: 3
- Dr. Rama Krishna Prasad: 4
- Dr. Sandeep Garre: 4
- Dr. Anish: 3

iv. Oral & posters presentations

- **Dr. Ayya Syama Sundar:** Coeliac Plexus Block as a diagnostic tool to confirm candidature for corrective surgery in a patient with Median Arcuate Ligament Syndrome.
- **Dr. Aniruth** & Dr Kalyani SDL**:** Retrosternal goitre: an airway problem?

4.3. Award and Achievements

Name	Award / Achievements
Dr. Ayya Syama Sundar	Best poster award. (1st prize) – ISSPCON-2024.

5. FACILITIES AVAILABLE

- Special clinics / Labs, Operation Theatre services,Pre-Anesthetic Check Up Clinic,
- Post Operative Recovery Unit, Pain Clinic, Intensive Care Unit, Post Covid Clinic
- Peri-operative Echocardiography

6. RESEARCH

- Total Publications of department: 9
- Total Articles of the department which are published in PubMed indexed journals:3
- Total articles of the department which are original articles:9

DETAILS:

6.1. Publications

Author	No of Publications
Dr. Kalyani SDL	4
Dr. Syama Sundar	3
Dr Ch Rama Krishna Prasad	2
Dr Sandeep G	1

6.2. Books / Chapters

- **Dr. Rama Krishna Prasad.** Assessment and Risk Stratification in Cardiac Surgery in CME Book.

6.3. Research Projects

Investigator	No of the Project
Dr. Kalyani SDL	Intramural- 2
Dr. Ayya Syama Sundar	Intramural-5

Dr. Anish	Intramural Non-Funded-1
Dr. Sumaiya	Intramural Non-Funded-1
Dr. Aniruth	Intramural Non-Funded-1

7. PATIENT CARE / HOSPITAL SERVICES:

Facilities provided	Patients covered
Operation theatre including major, minor surgeries	2213
Intensive care unit services	558
Pain clinic	88
Preanesthetic clinic	2947
Total number of ultrasound guided procedures done	158
Total number of echocardiography done	85
Total number of patients requiring perioperative ultrasonography for diagnostic/ screening purposes	512

8. IMPORTANT EVENTS

“A Hands-on workshop Local Anesthetic Systematic toxicity (LAST)” celebrating World Anesthesia Day
16 October 2023

Workshop on “Spinal Sonography and its Applications” organized by the Department of Anesthesiology
14 March 2024

2. DEPARTMENT OF ANATOMY

1. HIGHLIGHTS

The Department of Anatomy at AIIMS Bibinagar stands as a beacon of academic excellence and research prowess, led by a team of dedicated faculty members who bring a wealth of experience and expertise to the table. The department was the first to be officially inaugurated in the institution in the year 2021-2022. Technologically advanced teaching methods and aids, such as the demonstration of histology slides and their projection via a trinocular research microscope connected to LCD screens, as well as live demonstrations and projection of real-time cadaveric dissection or synthetic cadaver demonstrations via remotely placed LCDscreens, are being implemented. Internal assessments, including regular assignments, online and offline quizzes, poster competitions, model-making competitions, and seminars, areconducted to enhance the learning experience and achieve continuous improvement in students. Integrated classes, combining horizontal and vertical teaching with other basicscience and clinical disciplines, enhance students'ability to apply basic science knowledge clinically. Events like the White Coat Ceremony andCadaveric Oath-taking are conducted. We areequipped with modern teaching labs and specializedclinics/labs essential for anatomy education and research, the department extends its expertisebeyond the campus through outreach services, awareness programmes enriching healtheducation, and community engagement. While primarily focused on education and research, we also play a crucial role in training healthcareprofessionals and supportingclinical practices by contributing to FetalAutopsy services of the hospital. It epitomizes excellence in medicaleducation, research, and service. Its multifaceted approach, coupled with a commitment toinnovation and continuous learning, ensures a transformative impact on medical practice andhealthcare delivery.

- Dr. Punnapa Raviteja: 02

4.3 Award and Achievements

Name of the Faculty	Details of Award / Achievements
Dr. Surraj S	• **Best E-poster** among faculty – **First Prize cum Certificate on** 'First Institution foundation day' – AIIMS Bibinagar. • Title of e-poster – **Deciphering the Role of Prostate Gland Concretions as Artefacts and Their Role in Routine Histology.**
Dr. Ariyanachi	• Completed and awarded the E-certificate for BCBR
Dr. Supriya Garapati	• Completed 90TH National Teachers Training Course at JIPMER Pondicherry 26th Feb till 2nd March 2024.
Dr. Rohini Motwani	• **Best Poster [Gold Medal] Award** (*Dr. Rajendra Babu Award*) for Poster Presentation on the topic entitles "Variant Pectoralis Minor Muscle: A Case Study with Clinical relevance" in the 19th Regional Society of Anatomists AP & TS meet at Dr. Pinnamaneni Siddhartha Institute of Medical Sciences & Research Foundation, Vijayawada (AP). Received on 8th July 2023.

5. FACILITIES AVAILABLE

Teaching labs: 2 – Dissection lab and Histology lab; Special clinics / Labs: Synthetic cadaver lab, Fetal autopsy lab.; Outreach Services: Body donation program, Fetal autopsy.

6. Research

Total Publications of department: 27

6.1 Books / Chapters:

Dr.Mrudula - 9th edition – BD Chaurasia – Text book of Anatomy – CBS Publisher

Dr.Mrudula - 2nd edition – Applied Anatomy & Physiology for Nursing – Frontline Publisher.

Anatomy Foundation Day
27 January 2024

3. DEPARTMENT OF BIOCHEMISTRY

1. HIGHLIGHTS

The Department of Biochemistry at AIIMS Bibinagar is engaged in medical education, clinical laboratory services, and healthcare research. With seven faculty members, the department offers research in areas such as pulmonary diseases, cardiovascular diseases, non-alcoholic fatty liver disease, in-born errors of metabolism, cancer, and bioinformatics. The department envisions becoming a global center of excellence in Medical Biochemistry and Metabolic Medicine. The MBBS 2022 batch had a 89.8% pass percentage, with 47 first-class and 26 distinctions. Four Junior Residents are pursuing their MD in Biochemistry. In the 2023-24 fiscal year, the department installed three new clinical lab equipment: the Vitros 5600 system, which combines clinical chemistry, hormone, and immunoassay processing in one instrument; the DXI 600 Immunoassay System for prenatal screening; and capillary electrophoresis for Hemoglobin variant analysis. The department conducted over 8,78,282 tests, with a monthly average of 73,190. It has completed 7 projects and has 15 ongoing extramural and 18 intramural projects.

Pass percentage	93	89.8	
First Classes	46	47	
Distinctions	29	26	

4.2. Conferences/CME/Workshops/Guest Lectures organized and lectures delivered

i. Conferences/CME/Workshops/Guest Lectures organized

The 4th Foundation Day of the Department of Biochemistry, AIIMS Bibinagar was celebrated on 26th March 2024 with great zeal. It was marked by the inauguration of Vitros 5600 Dry Chemistry Analyzer. The State-of-the-art Vitros 5600 system combines clinical chemistry, hormones and immunoassay processing in one instrument. It's helpful in consolidating critical testing par excellence. This instrument utilizes the new Micro-slide, Micro-tip & Micro-Well technology that delivers a brilliant through-put of a whopping 945 test results in one hour. The Department of Biochemistry is now fully equipped to report myriad specialized tests such as the tumor markers that will aid not only to diagnose malignancies but also predict prognosis of these conditions to a large extent.

4. DEPARTMENT OF COMMUNITY AND FAMILY MEDICINE

1. HIGHLIGHTS:

The department has been carrying out the teaching, training, research and clinical activities since its inception in October 2020 under the headship of Prof. Dr. Neeraj Agarwal; who also acted as the Medical Superintendent of AIIMS Bibinagar till July 2023. The teaching and training of undergraduate, postgraduate and paramedical are carried out in form of theory and practical classes. Newer forms of learning methods are adopted in form of Integrated learning in coordination with other departments based on the topic to be taught. Primary Health Centre Bommalaramaram, which is the Rural Health Training Centre (RHTC) for AIIMS caters to routine Comprehensive Primary care patient care as well as specialist care for a population of 38000. Mobile Medical Unit provides preventive and curative services for the populations of those who live in remote, inaccessible, un-served and underserved areas in the 6 adopted villages. Last year it has conducted 140 camps and examined 6273 patients in the 6 adopted villages. There are 6 clinics for ICTC, DMC, NCD, Geriatric, Immunization and Health & Happiness which provide the clinical facilities respectively.

2. FACULTY:

 **Dr. Neeraj Agarwal** *Professor &HoD*	 **Dr. Rashmi Kundapur** *Additional Professor*	 **Dr. Govindrao NK** *Associate Professor*
 **Dr. Durgesh P Sahoo** *Assistant Professor*	 **Dr. Meely Panda** *Assistant Professor*	 **Dr. Vaman Kulkarni** *Assistant Professor*

4.2. Conferences/CME/Workshops/Guest Lectures:

- Total number of events [Conference/workshop/talks etc] Organized: 13
- Total number of events [Conference/workshop/talks etc] Attended: 56

i. Conferences/CME/Workshops/Guest Lectures organized

- Jan Jatiya Gaurav Divas under Ministry of Tribal Health from 15 - 25 November 2023 at AIIMS Bibinagar and Indriyala village Zilla school.
- Workshop for Yoga Training Regular: Y Break for Students, staff and Faculty at IDY training activity, AIIMS Bibinagar on May 2023 to December 2023
- District level workshop on National Tobacco Control Program on 13th July 2023 at Collector Office, Mahabubnagar by AIIMS Bibinagar and RCTC PGI Chandigarh
- Under Suposhan project from AIIMS, Bibinagar, coordinated with Seva Bharati and the ECIL for implementing test, treat and talk (T3) for anemia among adolescent girls. Two days training program were organized in September 2023 at AIIMS, Bibinagar to train of over 40 volunteers on T3 for anemia, testing and treatment of 1000 adolescents from urban slum areas of Hyderabad.
- Workshop for Community Awareness and Training for ASHAs, ANMs and Mothers, RHTC Bommalaramaram on August 5th 2023
- Training of Faculty members of AIIMS, Bibinagar regarding Adverse Events Following Immunization (AEFI) surveillance on 5th October 2023 in collaboration with WHO.
- Conducted the training of trainers on Anaemia Mukt Bharat in collaboration with NCEAR-A, AIIMS, New Delhi during 17-19th August 2023.
- Conducted session on biomedical waste management during the induction training of nursing officers at AIIMS, Bibinagar.
- Organized 3rd Basic Research Methodology Workshop for Junior Residents (Acad) of AIIMS, Bibinagar during January 23rd to 25th 2024.
- Organizing Team - Yoga Activity Programme: International Yoga Day Celebrations “Yoga Committee AIIMS Bibinagar on June 21st 2023’
- Part of Organizing Team for AYUSMAN BHAVA PROGRAM: Organ Donation Pledge drive at RHTC Bommalaramaram” Organ Donation Awareness and Pledge, AIIMS Bibinagar on September 27th 2023.
- Part of Organizing team in Millet Program - Community Awareness for ASHAs, ANMs and Mothers, RHTC Bommalaramaram at AIIMS Bibinagar on January 29th 2024
- Part of Institute Organizing Team in carrying out Events such as Annual Day, Minister visits, Central Library workshops, Research workshops, Outreach activity and Academiv events.

Mobile Medical Unit

Dept. of Community Medicine and Family Medicine

A new initiative of Mobile Medical Unit (MMU)- **"AROGYA RATHAM"** under the Department of Community & Family Medicine, AIIMS, Bibinagar,Hyderabad has been started on 7th April 2022 (World Health Day) to provide preventive and curative services for the populations those who are living in remote, inaccessible, un-served and underserved areas of YadadriBhuvanagiri district of Telangana. A team of doctors from the department of Community & Family Medicine selected six villages based on scarcity of health care services and having majority tribal or backward community population in that area. The 6 villages include Muripirala, Puttagudem, Indriyala, KoyyalagudemDharmareddypalle and Bibinagar. MMU team consists of doctors, nursing officers, medical social worker, pharmacist and local ANM/ASHA workers. Every fortnightly, community medicine doctors are visiting these villages and specialist doctor from Dept. of Ophthalmology, Pediatrics and Orthopedics are visiting these villages once a month.

Highlights:

- Catering to 17,348 population spread across six villages in Yadadri district
- Providing specialized services such as Pediatrics, Orthopedics, and Ophthalmology in addition to primary care.
- Free distribution of medicines and basic tests such as RBS/Hb
- Health education regarding local prevalent public health issues.
- Referral services

Achievements:

- Conducted **85 health camps** and served **4000 villages** till 29th December 2022.
- Providing NCD services to 336 hypertensive and 275 diabetic patients
- Anemia test and treat camp was carried out among 300 adolescent girls during PoshanMaah.
- Health camp for school students was carried out in muripiral village on Doctor's day celebration

Future plans:

Provision of free lab tests such as Rapid tests for malaria & dengue, HbA1c, LFT/RFT, CBC, TSH/T3/T4

Table.1 Morbidity profile of patients attending MMU (N=1437)

Morbidity	Frequency	Percentage
Hypertension	225	15.7
Diabetes	164	11.4
Both Hypertension and Diabetes	111	7.7
Upper Respiratory tract Infections	286	19.9
Skin Infections	84	5.8
Anaemia	30	2.1
Osteoarthritis	312	21.7
Gastritis	159	11.1
Cataract	66	4.6

8. IMPORTANT EVENTS

Awareness campaign by MMU team on organ donation and pledge registration activity at Megha Engineering College, Ghatkesar under Seva Pakhwada of Ayushman Bhava Program17 Sep 2023.

Launch of Health camps under MMU to Celebrate Viksit Bharat Sankalp Yatra by Executive Director on December 2023.

5. DEPARTMENT OF CARDIOLOGY

9.1. HIGHLIGHTS

Department of cardiology provides OPD consultation for coronary artery diseases, valvular heart disease, arrhythmia, congenital heart disease. Department has acquired Holter device for evaluation of arrhythmia, heart blocks and for evaluation of embolic stroke. New high end Echocardiography machine will help in diagnosis of coronary artery disease, heart failure and congenital heart disease.

Dr.Nitin Naik
Assistant Professor

5. Other Staff

SR and JRs	Staff Nurse
1 JR	4

3.PATIENT CARE / HOSPITAL SERVICES:

Type of services/ Facilities provided	Number of patients
OPD , IPD consultations, ECG, Holter, 2D echo	4217 till 30/4/2024

6. DEPARTMENT OF DENTISTRY

1. HIGHLIGHTS

The Department of Dentistry at AIIMS Bibinagar commenced operations in July 2023 following the recruitment of one Professor and two Assistant Professors. From its inception, the department initiated limited dental OPDs and began strategizing for equipment procurement and staff hiring. Within a mere eight months, the department successfully acquired three advanced dental chairs, a Digital Orthopantomogram, a Digital IOPA X-ray, and top-of-the-line dental instruments. Through collaborative efforts, the department launched community outreach programs, including school dental health camps and engagement via the E-sanjeevani platform.

2. FACULTY

6.1 Publications - Dr. Anurag Negi -1

6.2 Research Projects

Author	No. of Publications
Dr. Anurag Negi	Non-Funded - 1
Dr. Pranitha. V	Intramural Funded-1
Dr. Vijay	Intramural Funded-1

7 PATIENT CARE / HOSPITAL SERVICES:

Type of services/ Facilities provided	Number of patients
Limited OPD services	3054
E-Sanjeevani services	1500

8 IMPORTANT EVENTS

Facilities available in the DepartmentStaff during OPD service provision

Extra Oral Digital Radiograph Orthopantomogram installed for service provision

School Oral Health Program

7. DEPARTMENT OF DERMATOLOGY

1. HIGHLIGHTS

The departmenthas been providing continuous dermatology services to patients both outpatient and inpatient. We are doing procedures like biopsy, removal of warts, skin tags, corn paring, derma roller, intra-lesional injections, needling, and other such procedures regularly for the patients.

We organized an online CME "Updates in Dermatology" in collaboration with IADVLT Telangana, with 4 eminent national speakers and it was highly appreciated with around 350 participants. Over the last three years, from my date of joining on Feb 13, 2021, I as a single faculty in the department (along with residents) have provided continuous Dermatology services to the patients due to which the OPD number has increased from 140 in March 2021 to 792 in March 2022 to a whopping 19,992 and a total of 825 procedures from April 2023 to March 2024.

2. FACULTY

Dr. Deepthi Konda

4. ACADEMICS:

Teaching

i. Bedside clinical teaching and discussion for JR (6 hours per week)
ii. ICMR STS project proposal submitted under MBBS student Mr Vishnu Bandela
iii. Integrated undergraduate teaching class on 15th April 2023 with the departments of Ophthalmology and Nephrology

List of conferences / CMEs / Workshops / Training Programs delivered

- Delivered a lecture on T2DM research in India at the ESI's Voice of Endocrinology program on 8th January 2023 at Hyderabad
- Delivered a talk in the webinar on "Neurovascular risk assessment in Diabetes and Metabolic syndrome" by AIIMS Bibinagar on 6th April 2023.
- Participated as faculty in the 4th module of the IDEAL course on 14th December 2022, by the Indian Society of Paediatric and Adolescent Endocrinology.

List of conferences / CMEs / Workshops / Training Programs attended

- Attended the Endocrine Update 2023 on 4th February at Hyderabad organized by the Indian Medical Association
- Attended the National Diabetes conclave 2023 at Hyderabad on 22nd January 2023
- Attended the Indoglobaltalk show on Diabetes on 15thApril 2023 at Hyderabad

5. FACILITIES AVAILABLE

- GRBS monitoring
- A DXA machine procurement is underway

Research projects:

i. ICMR STS project proposal submitted under MBBS student Mr Vishnu Bandela
ii. 3 ICMR investigator-initiated projects submitted (one as PI)
iii. Co-PI in association with NIN in a project submitted to DBT titled "Evaluation of the effect of selenium and other minerals and environmental hazards on the expression of genes coding for deiodinase enzymes in hypothyroidism patients"

6. PATIENT CARE / HOSPITAL SERVICES:

Type of services/ Facilities provided	Number of patients
Out patient services	1475
In patient services	13
E sanjeevani services	1116

9. DEPARTMENT OF FORENSIC MEDICINE AND TOXICOLOGY

1. HIGHLIGHTS

Since its inception in October 2020, the faculty of the Department has worked diligently in organizing several activities of UG & PG training and research. Post-Graduate course in Forensic Medicine was started in February 2022. A unique hands-on experience on a virtual autopsy table was provided for a month, as a part of PG training, to train in the latest technologies. The Department has conducted a medico-legal symposium on Clinico-histopathological techniques in Forensics at National Forensic Science University, Gandhinagar on 3rd May 2023, a poster competition for Nursing Officers on 18th July 2023, and a Quiz for undergraduate students on 16th September 2023.

2. FACULTY

10. DEPARTMENT OF GENERAL MEDICINE

1. HIGHLIGHTS

The outpatient department (OPD) services at AIIMS Bibinagar were started on 2nd June 2020 amidst the COVID-19 pandemic. But soon the raging pandemic brought all routine health services since 16th July 2020 to standstill and AIIMS Bibinagar took this up as a challenge and started online consultation through E-Sanjeevani portal. The routine services were restarted on 5th November 2020. The health professionals in the department of Medicine have cared for about 1,45,046 outpatients till date and more than 1707 Emergencies till 31st March 2024. The department of Medicine also offers diagnostic services like 12- lead electrocardiogram, point of care blood sugar monitoring and 2D Echocardiography. We started treating critically ill patients by utilising 5 beds in the Intensive care unit (ICU) run by the department of Anaesthesia. We also offer services of teleconsultation on E-Sanjeevani 3 days/ week & have catered to 2804 online consultations.

10. DEPARTMENT OF GENERAL SURGERY

1. HIGHLIGHTS

At the Department of Surgery, we provide clinical diagnostic services that cover all aspects of the general surgical spectrum including diseases of the thyroid, breast (lumps, both benign and malignant), abdominal pain/lump, inguinal/perineal disease, hemorrhoids, fissures, fistula, varicose veins, various superficial lumps and ulcers. In addition, surgical procedures like debridement of ulcers with dressing, drainage of superficial abscess/paronychia, excision of superficial cysts, etc. are done. Apart from clinical work, the Department also has the responsibility of training our young undergraduate and postgraduate students in the art and science of Surgery so that they become able and efficient Doctors with a good and strong foundation in surgical craft.

12. DEPARTMENT OF HOSPITAL ADMINISTRATION

1. HIGHLIGHTS

The Department of Hospital Administration is functional since 21 April 2023 when the first and only faculty of the department joined the institute. The faculty has been involved in overseeing the construction-related issues in coordination with HITES as a Member Secretary of, the Construction Related Works Monitoring Committee. The faculty has also been designated as Faculty in chargeof Administration and has been discharging the duties of the Administrative Officer since 15 September 2023. The Department is also involved in securing statutory approvals and licences related to hospital operations and also in the implementation of health security schemes as well as training on Biomedical waste management for both Central and State Pollution Control Board officers at Engineering Staff College of India. The focus of the department for the year 2024-25 year would be to ensure end-to-end implementation of the Ayushman Bharat Scheme along with the Rajiv Aarogya scheme of Telangana state. Additionally, CGHS and Ex-Serviceman Health Scheme (ECHS) shall also be fully implemented by the department. The department shall also focus on the delivery of health services to Transgenders.

2. Faculty

13. DEPARTMENT OF MICROBIOLOGY

1. HIGHLIGHTS

The academic year April 2023 - March 2024 was the third year of operations for the Department of Microbiology. With tremendous growth, the department's human resource capital now totals 40 including the newly joined post-graduate and two regular faculty. The Medical College level Viral Research Diagnostic Laboratory (VRDL) of the department which was sanctioned by DHR-ICMR in March 2022 is now being upgraded to a BSL-3 facility under Phase 2 of PM-ABHIM with 17 crores budget. As a Regional Coordinator for One Health under NCDC, the Department of Microbiology established One Health Demographic Surveillance System (OHDSS) in its field practice area of YadadriBhuvanagiri District (2 villages-completed, 2 villages-ongoing). The department has been successful in procuring state-of-the-art equipment like BACT ALERT 3D, VITEK, Quant Studio – Real-Time PCR, etc to meet the needs of diagnostics, patient care, academics, and research.

14. DEPARTMENT OF NEPHROLOGY

1. HIGHLIGHTS

The Department of Nephrology, established in January 2023 with a single faculty member, has significantly expanded its services. Initially focusing on outpatient and inpatient care, we now provide a wide range of services, including ultrasound-guided renal biopsy procedures, covering conditions like Acute Kidney Injury, Chronic Kidney Disease, Urinary Tract Infections, Renal Stone Disease, various glomerular diseases, critical care nephrology, and pediatric nephrology. We are active in teaching, research, and public health initiatives. We organized a successful World Kidney Day CME titled "Renal Crosstalk: Exploring Interactions Across Organ Systems and Various Specialties" in March 2024. We are now fully equipped to run the unit and perform interventional procedures with a portable USG machine. Additionally, the faculty has secured a substantial grant for an ICMR project. As a major milestone, the hemodialysis unit was inaugurated on 18th April 2024, treating the first patient on 22nd April 2024.

2. FACULTY

Dr. Anitha Swamy
Assistant Professor

3. Other Staff

SR and JRs	Health Workers	Staff Nurse	Any other
SR (Non-Academic) -1 JR (Non-Academic) - 2	Housekeeping Staff- 1	5	Dialysis Technicians (Outsourcing basis) - 2

4. ACADEMICS: Teaching - i. Teaching Learning Methods

- OPD and bedside teaching and discussion for MBBS students, Non-Acad JRs, and Non-Acad SRs posted in the Nephrology department (6 hours per week).
- Live demonstration of interventional procedures like USG-guided renal biopsy, vascular access procedures, and hemodialysis sessions (3 hours per week).
- Seminar and Journal Club discussions for PGs on Nephrology related topics (1 hour per week)

- Total number of events [Conference/workshop/talks etc] Organized: 02
- Total number of events [Conference/workshop/talks etc] Attended: 05

i. Conferences/CME/Workshops/Guest Lectures organized

- The Inaugural Session and multiple programs under the "Organ Donation Sewa Pakhwada", as part of the "Ayushman Bhava" program under MoHFW, were organized from 17 September to 4 October 2023. Honorable Shri. Manasvi Kumar, IAS, Joint Secretary, MoHFW, presided as the Chief Guest for the inaugural session.
- World Kidney Day CME titled "Renal Crosstalk: Exploring Interactions Across Organ Systems and Various Specialties" on "14 March 2024", on behalf of the Department of Nephrology.

ii. Invited Lectures/talks delivered by Faculties: Dr. Anitha Swamy - 02

iii. List of conferences / Workshops Programs attended: Dr. Anitha Swamy - 05

iv. Oral &poster presentations: Dr. Anitha Swamy – 02

4.3 Awards and Achievements

Name	Details of Award / Achievements
Dr. Anitha Swamy	○ Completed the Glomerular Diseases Study and Trial Consortium (GlomCon) virtual International Fellowship for the class of 2022-2023
	○ Completed the Nephrology Social Media Collective (NSMC) Internship program (Online) for the year 2023, among 34 International Interns

5. FACILITIES AVAILABLE: Special clinics / Labs: A five-bedHemodialysis Unit with a procedure room for interventional procedures. Outreach Services: e-Sanjeevani

6. RESEARCH: Research Projects

Investigator	No.of Projects
Dr. Anitha Swamy	Extramural- 01; Non-Funded- 01

7. PATIENT CARE / HOSPITAL SERVICES:

Services/ Facilities provided	Patients covered
OPD Consultations	3,921
IPD Admissions	49
IPD Consultations	215
Renal Biopsy	10

8. IMPORTANT EVENTS

World Kidney Day CME was organized by the Department of Nephrology on 14 March 2024.

Hemodialysis Unit under the Department of Nephrology, with services commencing in April 2024.

15. DEPARTMENT OF NEUROLOGY

1. HIGHLIGHTS

The department started the DM program, and two students joined for the allotted seats from the January 2024 session. On average, the department serves 30-50 patients in the General Neurology outpatient clinics on Monday, Wednesday, and Friday. Simultaneous in-patient services are also provided. In addition to General Neurology OPD, the department started specialty services for patients with Movement Disorders and Stroke on March 10, 2023 (Every Tuesday). Our services provide care to patients with other neurological disorders including headache, demyelination disorder, peripheral neuropathy, epilepsy, and cervical and lumbosacral radiculopathy receive treatment regularly in the Neurology OPD. We started Botulinum toxin Injections for patients with Movement disorders like Hemifacial spasm, Blepharospasm, and Dystonia. In addition to teaching the DM Neurology trainees, we participate in teaching MBBS and MD (General Medicine and Paediatrics) students. We teach the MBBS students history taking and clinical examination of neurology patients.

16. DEPARTMENT OF NEONATOLOGY

1. HIGHLIGHTS

The Department of Neonatology was established on May 15, 2023. Since its commencement, the department has been handling all types of deliveries, including high-risk cases, and operates a 7-bed NICU, offering Level 1, Level 2, and Level 3 care. We also perform advanced procedures such as umbilical venous catheterization, peripherally inserted central venous catheterization, and screening for retinopathy of prematurity. There is daily outpatient services, including a well-baby clinic for all inborn and outborn babies and a high-risk follow-up clinic for neonatal cases discharged from the NICU.

17. DEPARTMENT OF OBSTETRICS AND GYNECOLOGY

1. HIGHLIGHTS

The department will be completing four years of service. The number of patients attending the OPD has increased to over 120 -140 per day on average & provides a full range of services & procedures like endometrial biopsies, IUCD insertion, and removal along with screening of cervical cancer, etc. Major and minor surgeries, including Exploratory Laparotomy for ovarian masses, surgical staging for ovarian malignancies, Wertheim's Hysterectomy, Total Abdominal Hysterectomies with Bilateral Salpingo-oophorectomies for big fibroids, postmenopausal bleeding with a large endometrial polyp, abnormal uterine bleeding with adenomyosis and Vaginal hysterectomies and Cesarean sections are being done. We conduct MTP services with approval from the District Hospital. We conduct academic activities like seminars, case presentations, journal clubs, case discussions, and inter-departmental academic activities regularly.

We conducted National CME on the theme Medico-legal aspectsinObstetricsandGynecology Clinical Practice: An Update" on the 18th of April 2023.We have also been to the community level to educate school children on menstrual hygiene and have conducted a health camp in the Telangana Social Welfare Residential Degree & PG College for Women.

19. DEPARTMENT OF ORTHOPAEDICS

1. HIGHLIGHTS

The Department of Orthopaedics at AIIMS Bibinagar has been actively engaged in various academic, clinical, and research activities over the past year, demonstrating a commitment to excellence in patient care, education, and scientific advancement. The average number of patients in OP is around 150 patients per day catering to a total of 38023 patients in the year 2023-24. We are providing specialist services of pediatric orthopedics, ortho oncology services, sports injury, spine surgery consultation along geriatric and complex trauma consultation. One notable event organized by the department was the Osteoporosis Week held from October 16th to 19th, 2023. This event included a Bone Mineral Density (BMD) camp and a poster competition themed "Build Better Bones," aligning with World Osteoporosis Day on October 20th, 2023. We are actively involved in teaching JR's and SR's and regularly conducting journal clubs, Clinical case discussions, and seminars within the department every week, apart from regular participation in interdepartmental meetings, like Ortho-Radiology-Pathology interdepartmental meetings every month. Specialized clinics cater to specific areas such as sports injuries, orthopedic oncology, spine disorders, fractures, and pediatric orthopedics.

- Dr. Maheshwar Lakkireddy – 07; Dr Y Ranjith Kumar – 05; Dr Deepak Kumar Maley – 10; Dr Deepankar Satapathy – 18; Dr Syed Ifthekar – 07

iv. Oral &poster presentations

- **Dr Y Ranjtih Kumar,** Paper on "A Retrospective analysis of the outcome of proximal tibia degloving fractures treated by Ilizarov ring fixators" at ASAMICON 2024 (Annual Conference of Association of study and Methods in application of Ilizarov – India chapter) in Goa during 29-31 March 2024.
- **Dr Y Ranjtih Kumar,** Gold Medal paper on "Percutaneous elevation of proximal tibia depression injuries treated by a new instrument" at 9th TOSACON (Annual conference of Telangana Orthopaedic Surgeons Association) at Karimnagar from 1-4 Feb 2024.
- **Dr DeepankarSatapathy,** e-Poster on "Masquelet Technique – A Myth or Fact" at SICOT World Orthopaedic congress2023held in Egypt from 21-23 2023.
- **Dr Syed Ifthekar,** Free paper on "Outcomes of Dorsolumbar and Lumar spinal tuberculosis treated by Minimally invasive techniques and open techniques – A prospective comparative study" atSICOTWorld Orthopaedic congress, held in Egypt from 21-23 2023.
- **Dr Syed Ifthekar,** e-poster on "Minimally invasive surgery transpedicular intrabody cage (MISTIC Technique) for management of Kummell`s disease" atSICOTWorld Orthopaedic congressheld in Egypt from 21-23 2023.

4. Award and Achievements

Name	Award / Achievements
Dr. Syed Ifthekar	Traveling fellow through the Association of Spine Surgeons of India (ASSI) for 3 weeks from 3-22 Jan 2024.
Dr Y Ranjith Kumar	Awarded TOSA Gold Medal (Consultant Category) at TOSACON 2024, Karimnagar.

5. FACILITIES AVAILABLE

- Special clinics / Labs: Sports Injury clinic, Ortho oncology clinic, Spine Clinic, Fracture Clinic, Paediatric Orthopaedic Clinic
- Outreach Services: Regularly participating in camps organized every month with CFM department for outreach OPD, E Sanjeevani (every day)

6. RESEARCH: 6.1 Publications

Dr Y Ranjith Kumar	Extramural – 01; Non-Funded- 01

7. PATIENT CARE / HOSPITAL SERVICES:

Services/ Facilities provided	Patients covered
OPD Services	38023
Major OT	214
Minor Procedures	1213
E-Sanjeevani Consultations	3522
IPD admissions	389

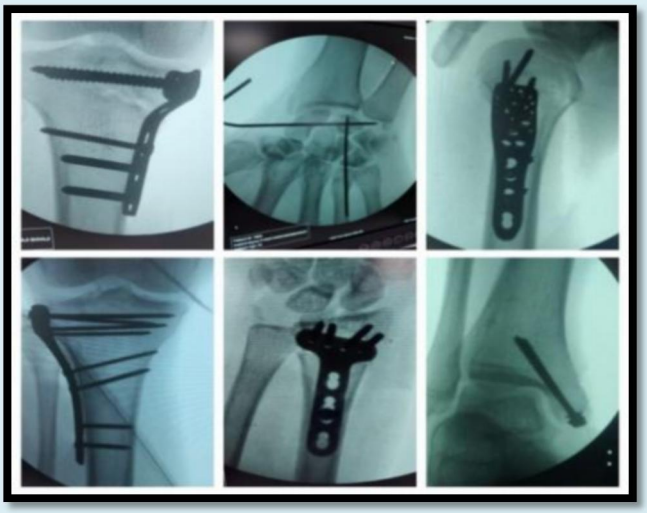

8. IMPORTANT EVENTS

BMD Camp organized as a part of Osteoporosis week from 16 – 20 October 2023

Poster Competition on World Osteoporosis Day 20 October 2023

A snippet of Trauma Surgeries for Articular fractures being performed at AIIMS Bibinagar.

MOU with Dr N TejLohith Reddy IAS, Executive Director FDDI under Ministry of Commerce & Industry, GoI

20. DEPARTMENT OF PATHOLOGY AND LABORATORY MEDICINE

1. HIGHLIGHTS

Department of Pathology and Lab Medicine functions as the backbone of diagnostic services of the Institute. We are providing Histopathology, Cytopathology including FNAC and Gynecologic cytology, Hematology, and Clinical Pathology services along with the Central Sample Collection Centre to a wide range of patients This year, we have added six more postgraduate students thereby taking the total count of postgraduate students to 10. We conducted a CME on The Updates in Cytology-2023 on 28 July, 2023 on the occasion of department Foundation day and have commenced the immunohistochemistry tests for nineteen markers in January 2024.

2. FACULTY

 **Dr. Shailaja Prabhala** *Addl Professor & HOD*	 **Dr. Gunvanti Rathod** *Addl Professor*	 **Dr. Shrinivas B Somalwar** *Additional Professor,*	 **Dr. Jitendra S Nigam** *Associate Professor*	 **Dr. Abhimanyu Sharma** *Asst Professor*
 **Dr. Ashutosh Rath** *Asst Professor*	 **Dr. Seetu Palo** *Asst Professor*	 **Dr. Parag P Patil** *Asst Professor*	 **Dr. Sumitra Sivakoti** *Asst Professor*	 **Dr. Immanuel Pradeep** *Asst Professor*

3. Other Staff

SR and JR	Lab technicians (Outsourced-8, Regular-4)	Nurse	Any other
SR: 06 JR: 10	7(Clinical Path & Hemat), 1(Sample Collection), 2 (Cytopathology) & 2(Histopathology)	4 (Sample Collection)	1 (Data Entry Operator)

4. ACADEMICS: 4.1 Teaching I. Teaching Learning Methods Adopted:

Courses	Theory	Practical	Other Teaching Learning Methods
MBBS	171	184	Seminars, SDL, PBL, Integrated teaching, Quiz,
PG	Routine department work	Routine department work	85 (exclusive teaching hours)
Any other			29(interdepartmental meetings) for PG and diagnostics

ii. Examination & Assessment

Exam	2020 MBBS Batch (Supplementary)
Internal Assessments	5
Professional exam	2
Pass percentage	100%
First Classes	81% (9/11 students)

4.2 Conferences/CME/Workshops/Guest Lectures organized and lectures delivered

- Total number of events [Conference/workshop/talks etc] Organized: 2
- Total number of events [Conference/workshop/talks etc] Attended: 38

i. Conferences/CME/Workshops/Guest Lectures organized:

- Updates in Cytology-2023" CME on 28 July 2023 at AIIMS Bibinagar.
- Dr Shailaja Prabhala organized a half-day workshop on 'Mentoring for Mentors' at AIIMS Bibinagar on 13 October 2023.

ii. Invited Lectures/talks delivered

Dr Shailaja Prabhala – 4; Dr. Gunvanti Rathod – 6; Dr. Shrinivas B Somalwar – 1; Dr.Jitendra Singh Nigam – 1; Dr.Abhimanyu Sharma - 1

iii. List of Conferences / CMEs / Workshops / Training Programs attended:

Dr Shailaja Prabhala – 1; Dr.Gunvanti Rathod – 14; Dr. Shrinivas B Somalwar – 1; Dr.Jitendra Singh Nigam – 1; Dr.Abhimanyu Sharma – 1; Dr. Seetu Palo – 5; Dr. Ashutosh Rath – 1; Dr. Sumitra Sivakoti – 1; .Dr. Parag Patil – 1; Dr. Immanuel Pradeep - 1

iv. Oral & Posters presentations:

Dr. Parag Patil:

- Poster titled 'A study to find the prevalence of anemia in the tribal population residing in the Yadadri-Bhuvangiri' at Epidemiology Foundation of India (EFICON) Goa Medical College held from 30 September- 01 October 2023.
- Poster titled 'Understanding the health landscape of tribal population in Central India: assessing the prevalence of thalassemia and sickle cell anemia' at the Annual Academy of Sickle Cell and Thalassemia (ASCAT) 2023 London from 25-28 October 2023.
- Poster titled 'Utility of Mentzer's index in identifying thalassemia trait in resource-poor settings' at Hematocon Sept 2023 in Bhubaneswar.

Dr. Seetu Palo:

- Poster titled 'Effectiveness of simulation-based peer-learning intervention in in-service nursing education' at MEDUCON JIPMER Puducherry 2023 from 29-30 September 2023.
- Poster titled 'Large solitary cutaneous myxoma in a young female: An unusual presentation posing diagnostic dilemma' in KAPCON 2023 at KMC, Mangalore from 6-8 October 2023.

4.3. Award, Achievements, Fellowship and Membership

S.N	Name	Award/achievements
1	Dr.Seetu Palo	Best poster award for topic titled 'Effectiveness of simulation-based peer-learning intervention in in-service nursing education' at MEDUCON 2023 from 29th to 30th Sept 2023 at JIPMER Puducherry
2	Dr.Jitendra Singh Nigam	Member of National Academy of Medical Sciences (NAMS) awarded at 63rd Annual Conference of National Academy of Medical Sciences
3	Dr.Shrinvas B Somalwar	Member of National Academy of Medical Sciences (MNAMS)

5. FACILITIES AVAILABLE

- Teaching Labs: 2; Special clinics / Labs: 3

6. RESEARCH

- Total Publications of department: 27
- Total Articles of the department which are published in PubMed-indexed journals: 22

21. DEPARTMENT OF PHARMACOLOGY

1. HIGHLIGHTS

Department caters a robust teaching program to Undergraduates and Postgraduates. Student Pedagogy has been newly adopted as a formative assessment method in UG assessment. Furthermore, two teams of undergraduates willing to participate one each at National Pharmacology Quiz -2023 at AIIMS Mangalagiri and National Pharmacology Quiz Competition-2023 at ISRPT Conference held at KMC Manipal were tutored, mentored and motivated by the department and we as teachers are proud that both the teams have won Second Prize at both events bringing laurels to the Institute. Department is contributing to patient care by continuing ADR Reporting under Pharmacovigilance Programme of India and Reporting of Adverse events with Medical Devices under Materiovigilance programme of India.

2. Faculty

Dr. Radhika Soanker
Additional Professor & Head

Dr.Madhavi Eerike
Associate Professor

Dr.Debasis Bisoi
Assistant Professor

Dr. Gerard Marshall Raj
Assistant Professor

Dr. Rekha Priyadarshini
Assistant Professor

3. Other Staff

SR and JRs	Any other
SRs (Non-Academic): 2; JRs: 2	1 – Office Attendant;1 – Pharmacist (on deputation)

3.1 ACADEMICS: Teaching - i. Teaching Learning Methods adopted

Courses	Theory (Hours)	Practical (Hours)	Other Teaching Learning Methods (Hours)
MBBS	185	80	7 (Integrated teaching program)
PG	56	84	44 (Seminars and Journal Club)

ii. Examination & Assessment

Type of exam	2020 Batch (Suppl)	2021 Batch	2022 Batch
Internal Assessments	1	5	1
Professional exam	1	-	-
Pass percentage	85.7% (6/7)	-	-

6. PATIENT CARE / HOSPITAL SERVICES:

Type of services/ Facilities provided	Number of patients covered
Adverse Drug Reaction (ADR) Monitoring	144 ADRs reported
Medical Device Adverse Event (MDAE) Monitoring	53 MDAEs reported

7. IMPORTANT EVENTS

Inauguration of Patient Safety Fortnight and 3rd National Pharmacovigilance Week (17- 23 September, 2023)

Students of the 2021 MBBS batch receiving Second prize at National Pharmacology Quiz - 2023 conducted by AIIMS Mangalagiri

Students of the 2021 MBBS batch receiving Second prize at National Pharmacology Quiz-2023 at Annual Conference of ISRPT held at KMC Manipal.

Glimpse of Students Pedagogy for MBBS 2021 Batch adopted as a new tool for formative assessment

22. DEPARTMENT OF BURNS AND PLASTIC SURGERY

1. HIGHLIGHTS

Department marks a significant milestone in healthcare, offering specialized care and expertise in treating burns, traumatic injuries, and various reconstructive needs. It boasts cutting-edge facilities equipped with the latest technology for burn care, plastic and reconstructive surgeries, and advanced wound management. It has specialized Burn Care, reconstructive surgeries, patient-centric care, and scar management. The department provides ongoing education and training opportunities for healthcare professionals, ensuring proficiency in the latest surgical techniques and advancements in burn and plastic surgery. The establishment of a Department signifies a commitment to excellence in specialized care, innovation, and patient-centered service. With its comprehensive approach to treatment, state-of-the-art facilities, and expert team, the department aims to transform lives and set new standards of excellence in burn and plastic surgery.

IPD admissions	51
Surgeries - Major + Minor	87

6. IMPORTANT EVENTS

Guest faculty presentation at NABI MID TERM CPD-2023

Faculty and Delegates group photo at Workshop on Hospital Disaster Management Plan 26-28 Feb 2024.

23. DEPARTMENT OF PEDIATRICS

1. HIGHLIGHTS

Patient care services have expanded, with increasing OPD numbers, IPD/PICU admissions, and 3 special clinics (Allergy Asthma, Nutrition, and Neurodevelopment).Outreach services (RHTC, Bommalaramaram, and Mobile Medical Units) continue. MD program with 6 Junior Residents, and the addition of 8 Senior Residents, strengthened patient care and academics. Thrice weekly academic program involving JR, SR, and Nursing Officers, was further streamlined. Breastfeeding Week, Advanced Life Support Courses, Fluid-electrolyte workshop for Interns, and a guest lecture were the major events. The Department is a part of 4 extramural, 5 intramural, and 4 non-funded projects. SR/JR/UG students are involved in Research projects and in publishing interesting cases.

2. Faculty

Dr. Madhusudan S
Associate Professor

Dr. Syed Ahmed Zaki
Associate Professor

Dr. Mounika Reddy V
Assistant Professor

3. Other Staff

SR and JRs	Staff Nurse	Any other
SR – 11; JR – 06	38	DEO 1 (half day); Project assistant 1 (under SERB SRG extramural research grant)

4. ACADEMICS: 4.1.Teaching - i. Teaching Learning Methods adopted

Courses	Theory (Hours)	Practical	Other Teaching Learning Methods
MBBS	186	1263	-
PG	98	-	-

ii. Examination & Assessment

Type of exam	2019	2020	2021

24. DEPARTMENT OF PEDIATRIC SURGERY

1. HIGHLIGHTS

The Department of Pediatric Surgery was started on 26th December 2022 with OPD services. As of today, the department caters to more than 400 patients per month in the outpatient department. We performed our first surgery on 10/01/2023 and till now around 230 surgeries have been performed under general anesthesia and 170 minor procedures have been carried out to date. Along with Pediatric General Surgery, we as pediatric surgeons also deal with sub-specialties viz Pediatric Neonatal surgery, Pediatric Neurosurgery, Pediatric Thoracic Surgery, Pediatric Gastro Surgery, Pediatric Urology, and Pediatric Oncology.

We have operated few rare cases like Human tail in a neonate (nearly 40 cases so far in literature), Median Arcuate Ligament syndrome (very rare case), and Choledochal cyst with Pancreatic divisum (These cases probably the first time in Hyderabad, Telangana), External ventricular drainage followed by ventriculoperitoneal shunt in Ventriculitis in an infant of 3 months old and routine major cases like Hirschsprung Disease, Pelviureteric Junction Obstruction, Ventricular Peritoneal Shunt,etc covering the whole spectrum of Pediatric Surgery. We have also started Neonatal Surgical Services.

We have conducted multiple outreach programs along with the Department of Community Medicine where we screened children for surgical problems and educated the public about the common surgical conditions in children.

2. Faculty

Dr. Shasanka Shekhar Panda
Additional Professor and HOD

Dr. Manasa Reddy Vadhi
Assistant Professor

3. Other Staff

SR & JR	Staff Nurse
SR – 2; JR- 2	4

4. ACADEMICS: Teaching - i. Teaching Learning Methods adopted

Courses	Theory (Hours)	Other Teaching Learning Methods
MBBS	-	Elective posting of MBBS 2019 batch (8th Semester) w.e.f 1st to 30th May 2023; (AIIMS/BBN/Registrar/2023/1266 dated 21st April 2023), 10th to 19th January 2024, 20th to 29th January 2024, 30th January to 8th February 2024 (AIIMS/BBN/Registrar/2024/2168 dated 9th& 10th January 2024).
PG	-	Interdepartmental teaching
Any other	Intradepartmental Journal club- 1 hour/week Seminar- 1 hour/Week Nursing Officers teaching- 1 hour/week	

Initiated 3 years (January 2024 session) and 6 years (Integrated) M.Ch course (July 2024 session) in Pediatric Surgery and approved by SAC (From July 2024 session 6 years course instead of 3 years course)
Examiner for evaluating the M. Ch Pediatric Surgery thesis (October 2023) AIIMS, New Delhi: For M. Ch Pediatric Surgery final examination December 2023 session. Thesis Title: Plasma GDNF levels in spina bifida and its relationship with neurological impairment in children.

4.2 Conferences/CME/Workshops/Guest Lectures organized, and lectures delivered.

List of papers presented in conferences:
Dr. Shasanka Shekhar Panda - 03
List of papers, as the co-author presented in the conferences:
Dr. Shasanka Shekhar Panda – 03; Dr. Manasa Reddy Vadhi - 03
List of conferences / CMEs / Workshops / Training Programs
Dr. Shasanka Shekhar Panda -08; Dr. Manasa Reddy Vadhi – 04

5. FACILITIES AVAILABLE

Special clinics / Labs: Hypospadias Clinic; Outreach Services: OPD services through mobile medical unit

6. RESEARCH - Research Projects

Investigator	No. of Projects
Dr. Shasanka Shekhar Panda	Extramural Funded - 01

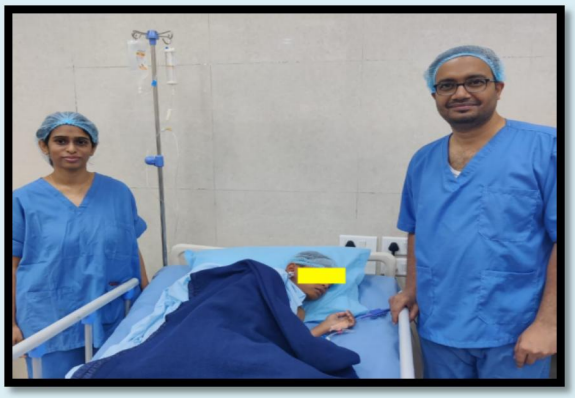

Publications:

Author	No.of Publications
Dr. Shasanka Shekhar Panda	09

7. PATIENT CARE / HOSPITAL SERVICES:

Type of services/ Facilities provided	Patients covered
Outpatient Services	3214
Surgery under general anesthesia	230
Minor procedures	170

8. IMPORTANT EVENTS

First case of Pediatric Surgery operated under General Anaesthesia

Creating awareness among parents and Anganwadi workers regarding common Pediatric Surgical conditions at an outreach centre

Celebration of World Pediatric Surgery Day with patients

25. DEPARTMENT OF PHYSICAL MEDICINE AND REHABILITATION

1. HIGHLIGHTS

The department started on 29 November 2022. We are providing various rehabilitation services to outdoor and indoor patients. The Department is managing various musculoskeletal problems with the help of medicine, interventions, exercises and various electrotherapy modalities like SWD, UST, IFT and TENS. The department has started doing various procedures like intraarticular injections. We are also providing daily online consultations through eSanjeevani.
Department conducted a workshop on Musculoskeletal Ultrasound in pain Medicine on 25 August 2023. We are providing various rehabilitation services such as Neuro Rehabilitation of Stroke (CVA),Spinal cord injury patients, Traumatic Brain injury, Paediatric Rehabilitation (Cerebral Palsy, ASD, SLD, MMC, etc), Amputee Rehabilitation, Acute and chronic pain, Orthopaedic injuries Rehab, Sports injury Rehabilitation, Pulmonary Rehabilitation. The department of PMR is taking various lectures of UG students and was also involved in faculty presentations.

2. Faculty

Dr. Dhole Sandip Rameshrao
Associate Professor

3. Other Staff

Staff Nurse	Physiotherapist	Prosthetic & orthotic Technician
05	02	02

4. ACADEMICS: Teaching - i. Teaching Learning Methods adopted

Courses	Theory (Hours)
MBBS	27 Hours (weekly one hour lecture for 2019 batch and monthly one hour lecture for 2020 batch)

4.1. Conferences/CME/Workshops/Guest Lectures organized and lectures delivered

Department of PMR conducted a workshop on Musculoskeletal Ultrasound in pain Medicine on 25 August 2023.

4.2. Presentation at conferences:

- Neurofacilitation approaches in Neurorehabilitation in our IAPMR Term conference 2024 at Coimbatore as faculty.
- Rhematogic rehabilitation on the occasion of World ArthritisDay at AIIMS, Bibinagar.

5. FACILITIES AVAILABLE

- The department of PMR is providing various electrotherapy treatments with help of modalities like SWD, UST, IFT and TENS.
- Pain intervention procedures like intraarticular injections.
- USG guided pain interventions Procedures.
- Spasticity management procedures likebotulinum toxin injections.
- We are also providing daily online consultation through eSanjeevani.

6. RESEARCH

Projects -

- Efficacy and safety of Transcutaneous Electrical Stimulation of Vagus Nerve in Upper Limb Motor Recovery among Stroke survivors: A Randomized Controlled Trial
- Association of Knee Osteoarthritis and its severity with fluoride levels in tertiary health care center of south India– an Analytical Cross-sectional Study.

7. PATIENT CARE / HOSPITAL SERVICES:

Type of services/ Facilities provided	Number of patients covered
Outdoor Patients (OPD)	18836
Indoor Patients Referral from Other Department	368
Interventions	315
e-sanjeevani Consultations	PMR (3310)
	Physiotherapy (14750)

26. DEPARTMENT OF PHYSIOLOGY

1. HIGHLIGHTS:

Physiology-related basic skills are aptly taught in the department. The faculties are involved in academic and administrative responsibilities. Numerous webinars were organized.

- Webinar on “Neurovascular risk assessment in Diabetes and Metabolic syndrome” in Department of Physiology, AIIMS, Bibinagar on 6-04-2023
- Virtual International Conference on "Physiology & Lifestyle Medicine 2023" on July 20–21, 2023. The conference included 500 registered attendees from various national and international institutions. Faculty, PGs, MBBS students & nursing students submitted 150 electronic posters under various categories.
- Workshop on Autonomic Function Testing and its Clinical Application on 30th January 2024 on the occasion of the Fourth Foundation Day of the department as Organizing Chairman.

With regards to patient care, nearly 884 pulmonary function tests are done in the patients referred by the Dept. Of Medicine and Pulmonology. 23 EEG (Research purpose), 75 patients for Digital Thermaesthesiometer tests have been performed. 29 patients for Autonomic function testing, (Heart rate variability 132 patients), 56 patients for cardiovascular risk profiler, and a polysomnography study in 74 patients is performed.

5.3. Award and Achievements

Name	Details of Award / Achievements
Dr Nitin Ashok John	1. Fellow title of Royal Society of Biology, UK 2023-2024. 2. Fellowship of Academy of Medical Educators, Cardiff, UK 23 - 24. 3. Best Paper Award of the Oral poster for research work 'Reduced PEFR values in COVID 19 recouped patients are suggestive of early airway obstructive disease' at MAPCON Nagpur; 2nd to 5th November 2023. 4. Received research funding worth 3cr as Principal Investigator for Investigator initiate project on Impulse Oscillometry Validation by Indian Council of Medical Research, New Delhi
Dr Madhuri Taranikanti	1. Nominated for "Vishwakarma" project of DIPAS, DRDO at New Delhi held on 20th March 2024 2. Life member of Association of Physiologists and Pharmacologists of India
Dr Prafull K	1. 3rd prize in Faculty category: Impact of "Gherandsamhita" on cardiorespiratory efficiency presented in "CME on Hypertension: A comprehensive approach" at AIIMS Raebareli, UP on 11th May 2024 2. Patent grant Granted by Patent Office of Govt. of India for: Non-Invasive blood parameter detector (Design No. – 393426-001) on 23/08/2023. 3. Life Membership of National Academy of Medical Sciences (MAMS) during NAMSCON 63rd Annual Conference of NAMS held at Ramaiah Medical College, Bengaluru on 6th and 7th Oct,2023. 4. 1st prize for e-poster in Faculty category: An Appraisal of dietary habits, exercise practices& body composition in teenagers presented at International virtual conference on Physiology and lifestyle Medicine 2023, AIIMS Bibinagar on 20th and 21st July 2023.
Dr Vandana Daulatabad	1. 3rd prize in Faculty category: Impact of "Gherandsamhita" on cardiorespiratory efficiency presented in "CME on Hypertension: A comprehensive approach" at AIIMS Raebareli, UP on 11th May 2024 2. Patent grant Granted by Patent Office of Govt. of India for: Non-Invasive blood parameter detector (Design No. – 393426-001) on 23/08/2023. 3. Life Membership of National Academy of Medical Sciences (MAMS) during NAMSCON 63rd Annual Conference of NAMS held at Ramaiah Medical College, Bengaluru on 6th and 7th Oct,2023. 4. 1st prize for e-poster in Faculty category: An Appraisal of dietary habits, exercise practices& body composition in teenagers presented at International virtual conference on Physiology and lifestyle Medicine 2023, AIIMS Bibinagar on 20th and 21st July 2023

Dr Anish Singhal	1. Executive Council member 2024-2027 of the Physiological Society of India. 2. Executive member 2023-2025 of the Academy of Physiology, Nagpur.
Dr Archana Gaur	1. RSSDI NOVARTIS Young Investigator Award for the year 2023. 2. Best Research work In Environmental PHYSIOLOGY in ASSOPICON 2023

5. **FACILITIES AVAILABLE**
   - Teaching labs: Hematology lab, Clinical Lab, Research Lab,
   - Special clinics / Labs: Autonomic function testing lab, polysomnography lab, Pulmonary function testing lab

27. DEPARTMENT OF PSYCHIATRY

1. HIGHLIGHTS

The Department of Psychiatry at AIIMS Bibinagar commenced on 13 March 2021. We provide outpatient (including e-sanjeevani and telemedicine) and inpatient services and manage acute emergencies in Psychiatry. Services are provided for diagnosing and managing all major psychiatric diseases, counseling services for deaddiction, behavioral therapies for children, and liaison services for treating psychiatric conditions in neurological/medical disorders/Paediatric population/ Maternal health. As part of our proactive approach to mental health, we have recently commenced suicide prevention helpline services. As a part of providing community services, we are providing OPD services at Bommalaramaram RHTC (every Tuesday) and also conducting public health awareness programs and workshops. Our department is not only committed to providing excellent clinical services but also to advancing the field of Psychiatry through rigorous academic and research activities. Our Undergraduate students have won a Quiz competition conducted at TSPSYCON, IPSOCON, and ANCIPS. We have been conducting workshops for students and health workers. In January 2024, we launched postgraduate courses, recruiting 2 students per year. Our Postgraduate students have won first place in a quiz competition in a PG-CME organized by IPS-TSB in March 2024. Currently, we are managing 6 extramural projects, 2 intramural projects, and 4 nonfunded projects, all aimed at expanding our understanding of mental health and improving patient care.

28. DEPARTMENT OF PULMONARY MEDICINE

1. HIGHLIGHTS

Pulmonary medicine department was started on 09th December 2022. Initially started with outpatient services and later on began to provide in-patient services. The department offers state-of-the-art care and treatment to all strata of the society. We are treating all tuberculosis patients including sputum positive and sputum negative pulmonary tuberculosis and extra pulmonary tuberculosis. We are treating bronchial asthma, COPD, bronchiectasis, bronchitis, carcinoma of lung, interstitial lung diseases, pulmonary fungal diseases, occupational lung diseases, pleural effusion, pneumothorax, sleep disorders. We are doing spirometry to the chronic respiratory disease patients and bronchoscopy to the patients. E-sanjeevani services were provided to the patients online every Monday and Saturday.

29. DEPARTMENT OF RADIO-DIAGNOSIS

1. HIGHLIGHTS

The Department of Radiodiagnosis started the services on 18 July 2021 with one portable X-ray machine and one ultrasound machine. Since the year 2023, significant expansion has occurred marked by the installation of two high end Ultrasound machines, Dual Detector Digital Radiography, Digital Radiography and Fluoroscopy and 3 Tesla MRI machines with accessory equipment. MRI services were commenced on July 4th, 2023.Fluoroscopy services were initiated on March 16th, 2024 further enhancing diagnostic capabilities being given by the Department

The department now offers several comprehensive diagnostic services which drive treatment strategies for all the departments in our hospital. Our department gets referred patients from various primary healthcare setups across the state and is now a nodal centre for imaging services in Yadradri, Bhuvanagiri district.

In terms of academic engagement, the department conducts weekly intra-departmental case discussions involving residents and faculty. We also participate in inter-departmental meetings with Surgery, Medicine, Orthopaedics, ENT and Obstetrics and Gynaecology. We will soon be initiating interdepartmental meetings with pediatrics and Neurology.

30. DEPARTMENT OF TRANSFUSION MEDICINE AND BLOOD BANK

1. HIGHLIGHTS

Transfusion Medicine is a branch of medicine that is concerned with transfusion of blood and blood components. It starts from recruitment of voluntary blood donors, collection of blood, testing of donated blood for TTI screening, red cell serology, crossmatching, and issue to transfusion of whole blood and blood components like packed red blood cells, fresh frozen plasma, platelet concentrate, cryoprecipitate. It also deals with apheresis procedures like PBSC collection, SDP, Single donor plasma, granulocyte concentrate, and therapeutic procedures like therapeutic phlebotomy, therapeutic plasma exchange, and cytapheresis.

The department started a blood storage center on 06th December 2022 to cater to the needs of the patients admitted at AIIMS Bibinagar. We have a MOU with Indian Red Cross Society Blood Centre, Hyderabad which is our mother blood centre. We are licensed to issue whole blood, packed red cells, random donor platelets, and single donor platelets. We have all the equipment for its storage and to do crossmatching. We do all the immune hematological work-ups by conventional tube technique and column agglutination technique adhering to the principles of good manufacturing practice and following all the recommended quality-control steps, to meet the quality standards prescribed by the statutory authorities. Our total number of investigations has doubled and the total number of blood issues has increased by one-third since its inception.

In the future, we will be establishing a state-of-the-art blood center with the availability of all the blood and blood components including Leuko-reduced, irradiated, and other modified blood components. And also, to start therapeutic procedures like plasma exchange and cytapheresis, to establish ourselves as a regional reference laboratory for red cell serology including antenatal and neonatal serology, to develop a rare blood donor registry, to support alloimmunised multi-transfused patients like thalassemia, sickle cell anemias, to establish HLA lab and to start MD Transfusion Medicine course.

31.DEPARTMENT OF UROLOGY

1. **HIGHLIGHTS**

Established on July 3, 2023, with a single faculty member, the Urology Department at AIIMS Bibinagar has swiftly emerged as a beacon of excellence in urological healthcare provision. Under the visionary leadership, the department has achieved remarkable milestones, becoming an indispensable pillar in the delivery of urological services. Despite its humble beginnings, the department has demonstrated unparalleled dedication to excellence and patient care. Through tireless efforts, it has grown to meet the escalating demands for urological services in the region. The department's outpatient department (OPD) serves as a lifeline for thousands, with an average of 300 OPD visits per month, extending care to over 3000 patients. This robust outpatient service underscores the department's commitment to addressing the urological healthcare needs of the community. In addition to outpatient services, the department has made significant strides in inpatient care, ensuring personalized treatment for approximately 80 admitted patients . This holistic approach reflects the department's dedication to optimizing patient outcomes and satisfaction. Academically, the department has fostered a culture of innovation and learning, contributing to scholarly pursuits and research. Its faculty's expertise enriches academic discourse, enhancing the professional development of students . Moreover, the department has performed a wide range of urological surgeries, including diagnostic and therapeutic cystoscopy, cystoscopic dilatations, circumcision, and more, delivering state-of-the-art surgical interventions with precision and compassion. Recognizing the importance of leveraging technology in healthcare delivery, the department has embraced teleconsultation services. Through platforms like e-sanjeevani, it has extended its reach to an additional 1160 patients, making urological care more accessible. In conclusion, the Urology Department at AIIMS Bibinagar exemplifies the transformative power of visionary leadership and unwavering dedication to patient care. With its remarkable achievements, commitment to excellence, and comprehensive approach, it continues to set new standards in urological healthcare delivery, positively impacting the lives of countless individuals.

COLLEGE OF NURSING

1. HIGHLIGHTS

The College of Nursing at AIIMS Bibinagar aims to serve as a beacon of excellence in nursing education, professional development, and research. Through its comprehensive educational programs, the department prepares nursing students to become skilled and compassionate healthcare professionals. These programs integrate theoretical knowledge with hands-on clinical experience, ensuring that graduates are well-equipped to meet the evolving healthcare needs of society.

The department conducts a range of wide range of workshops, seminars, and Induction training programs on various nursing topics, providing opportunities for both students and practicing nurses to enhance their skills and stay updated on the latest advancements in the field. These workshops and seminars cover a wide array of subjects, including patient care techniques, evidence-based practice, healthcare technology, etc. Moreover, the College of Nursing at AIIMS Bibinagar is dedicated to fostering a culture of patient care, Nursing Education, Research, and innovation in nursing. Faculty members and students are encouraged to undertake research projects that address key healthcare challenges and contribute to the advancement of nursing knowledge. Both intramural and extramural projects have already been applied for clearance by the CON faculty.

The students are given full and extensive support & mentored to learn clinical nursing skills. This is ensured by rigorous clinical hours and lab practice on supervision. There are two established labs: Nutrition Lab and Nursing Foundations Lab. Both labs are well-equipped with adequate equipment and articles to practice of nursing procedures. CON is starting of M.Sc. (N) Course for the session July/August 2024-2025 with an annual intake of 8 seats in 4 various specialties including Medical-surgical Nursing, Pediatric Nursing, Community Nursing & Psychiatric Nursing.

Procurements Division

AIIMS Bibinagar Hyderabad caters to a variety of patients through its numerous specialty and super specialty departments. To streamline and enhance the services provided, the hospital's procurement division has made concerted efforts to ensure the timely availability of both consumable and non-consumable items. These efforts are crucial for the optimal functioning of various critical sections of the hospital, including;OPD,IPD,Lab,ICU,PICU,OT, and ER.

Purchase demands are consolidated from various departments and sent to the hospital stores for assessment. Available items are issued against indents, and unavailable items are procured as per the General Financial Rules (GFR) 2017 and the Procurement Manual. The institute has established processes for rate contracts of oxygen refilling to ensure cost efficiency and reliability. To cater to the growing needs and ensure an uninterrupted supply, especially for critical areas such as the IPD and other clinical services, AIIMS Bibinagar Hyderabad ensures the timely availability of essential items, thereby supporting the hospital's commitment to providing high-quality patient care across all departments.

The procurement division has a functional GeM (Government e-marketplace) division. Optimally utilizing the website for items requiring wider publicity.

Faculty and staff are continuously being trained to effectively manage and utilize available resources. Inventory management is strengthened by a stringent procurement and tendering policy. All requirements are initially evaluated by the user department's procurement committee. Subsequently, the specifications and bid compliance documents are further verified and evaluated by the Bid Evaluation Committee, which consists of senior faculty members from different departments, to ensure completeness and generic nature. With all relevant documentation, the tender document is then forwarded to the Finance Section and Competent Authority for approval.

Similarly, meticulous inspection of received items, updating the ledgers, and matching indented items with consumption reports duly submitted by the user department helps maintain optimal fairness in the system, ensure the availability of items, and avoid leaks and wastage in inventory management.

Various Procurements done: -

SN	Items	No. of Procurements	Total No. Of Items	Total Expenditure in Rs.

MRD Activities:

Digital Health Initiatives @ AIIMS Bibinagar

Health Management Information System (HMIS)

- AIIMS Bibinagar, after a thorough consultation and groundwork, submitted the work order to C-DAC, Noida for installation of HMIS services on 26th March 2022.
- Following the conduct of physical interaction (training) session among the AIIMS-HMIS coordinators (faculty and residents) by Mr. Rajkumar Sharma (Senior Engineer from CDAC), the HMIS application went live at AIIMS Bibinagar from 6th July 2022 onwards.
- Currently, the HMIS model (e-Sushrut – Model 1) is functional with the following modules,
    - Patient Registration
    - OP Billing
    - Lab Information System
    - Queue – Management in OPD
    - OP Doctor's Desk
- The MRD staffs, Doctors (faculty and residents), Nursing Officers, and Lab Technicians have been provided with User ID & Password for smooth functioning of the HMIS e-Sushrut application.

Ayushman Bharat Digital Mission

- Since its inception, ABHA Registration to all the patients coming to Out Patient Department has been done.
- We have started QR Code-based registration (ABHA exclusively for AIIMS Bibinagar) at our Institute from 24th November 2022.
- As on date (30/05/2024),46932Aushman Bharat Health Account (ABHA) Registrations/ IDs have been created.
- Since 14th December 2022, we started QR-Code based Online Payment for OPD Consultations and Lab Investigations (exclusively for AIIMS Bibinagar)
- Self Registration Digital Kiosk machine for New Registration and Revisit OPD Consultation for patients with dedicated support staff. As on date (30/05/2024), nearly 80132 "Scan and Share" have been executed.

OPD Services

OPD services at AIIMS Bibinagar started during the tough COVID times on 02nd June 2020 and has continued quality service provision despite challenges. The numbers have exponentially increased each passing year for various speciality and superspeciality services. For the year 2023 – 2024, the total number of patients who were provided consultations was 3, 65,395.

Out Patient Services:

In-Patient –Department

Achievement of IPD during the year of 2023-2024

IPD was running with 14 departments at the starting of financial year 23-24 and later it increased to 17. Specialties like neonatology, urology, burns and plastic surgery also started the In-Patient services. Total new admissions during FY 23- 24 were 2775. It increased to 5477. That shows an increase in the rate of admission to 197 %. During April 2023, the bed occupancy rate was 33%. This was increased to 63% in March 2024. In December 2023 the entire IPD was shifted to second floor H & G block. That time we are able to increase the bed strength from 100 to 156. IPD conducted several training programmes for the newly joined NORCET 4 and NORCET 5 nursing officers during January to march 2024. We have received 5 multipara monitors and 2 ICU monitors during this time. And we are able to set up one High Dependency Unit of 11 beds with monitors in all beds. We are able to set up one separate post op area with 16 beds for aseptic management of all the post op patients.

Adult Intensive Care Unit (AICU)

The Adult Intensive Care Unit (AICU) at our facility is a 10-bed unit that has been operational since October 16, 2021. Over the past years, we have seen a significant increase in the number of patients treated, highlighting our commitment to providing critical care services to our community.

Patient Census:

FY 2022-2023: A total of 494 patients were treated in the AICU.

FY 2023-2024: This number increased exponentially, with 943 patients receiving care.

The exponential increase in the patient census from FY 2022-2023 to FY 2023-2024 underscores the growing demand for intensive care services at our facility. This growth reflects our ongoing efforts to enhance capacity, improve patient outcomes, and adapt to the increasing healthcare needs of our community.

Key Achievements

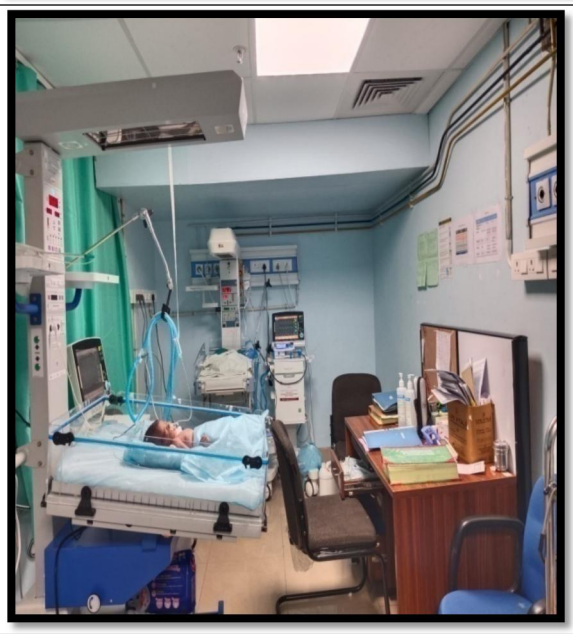

- Successfully managed a diverse range of critical cases, demonstrating our ability to handle complex medical situations.
- Implemented advanced medical technologies and protocols to improve patient care and safety.
- Enhanced staff training programs to ensure the highest standard of care.
- Improved patient and family support services to provide a holistic care experience.

Neonatal Intensive Care Unit (NICU)

Pediatric Intensive Care Unit

The Pediatric ICU in it's second year of inception has seen a steady increase in patient numbers. The total number of admissions during 2023-24 was 453. The number of patients receiving invasive ventilation was 10, non-invasive ventilation was 2, high flow nasal oxygen was 29, and bubble CPAP was 13. The indication for PICU admission in majority of the patients was respiratory monitoring. There were 5 deaths. The PICU has facilities for invasive and non-invasive ventilation, hemodynamic monitoring, and point of care ultrasound. Round the clock presence of one Senior Resident, 2-3 Junior doctors, Faculty on call, along with trained Nursing Officers, ensures close monitoring and supervision in caring for critically ill children.

Intensive Care Units

OXYGEN CELL

Oxygen cell was formed on 25/05/2021. Oxygen cell has been actively involved in establishing andmaintaining the uninterrupted oxygen and other medical gas supply for our institute. Currently wehave 2 banks of 10 bulk Oxygen cylinders manifold headers with automatic changeover unit with1320 litres per minute capacity, central vacuum suction apparatus (10 HP), medical air compressor(10 HP), two PSA plants (1000 litres/minute capacity), one PSA plant (883 litres/minutecapacity)335 Bulk oxygen cylinders, and 38 B type oxygen cylinders. Oxygen cell has been activelyinvolved in the procurement of various items related to oxygen and medical gas supply, timelyrefillingof oxygen cylindersandmaintenanceoftheseequipment.

Name	Designation	Department
DrAyya SyamaSundar	Nodal officer	Additional Professor, Department ofAnaesthesiology
DrCh RamaKrishna	Member	Assistant Professor, Department of Anaesthesiology
Mr.Shanoob CM	Member	Nursing Officer-Operation Theatre
MrSaravanan C	Nursing officer	Nursing Officer-Operation Theatre

ACHIEVEMENTS

- One-time service of the MGPS and its components was performed in November 2023 in coordination with the superintendent's office.
- On November 7, 2023, as part of routine maintenance, the mufflers for PSA Plant-1(SED00060) and the carbon filter for PSA Plant-2 (SED 00202) were replaced.
- Thirty D-type cylinder trolleys were acquired on November 17, 2023, and on January 31, 2024, five B-type cylinder trolleys were procured to facilitate the transportation of oxygen cylinders within the hospital.
- On January 16, 2024, twenty-five B-type cylinders were procured to improve oxygen supply tothepatientsduringintra-hospital and inter-hospitalpatienttransportation.
- To accommodate hospital renovation works, we supervised the relocation of the oxygen manifold, air compressor, and vacuum systems near the MRI room in January 2024.
- Between April 2023 and March 2024, a total of 1671 D-Type oxygen cylinders and 64 B-Type oxygen cylinders were refilled to meet the hospital's oxygen requirements.

CSSD

In the fiscal year, we have witnessed remarkable growth and progress in our Central Sterile Services Department (CSSD) operations. Through strategic investments and an unwavering commitment to quality, we have expanded our sterilization capabilities and enhanced our service offerings.

Sterilization Achievements:
This fiscal year, our CSSD team sterilized a total of 17,461 sets, marking a significant increase compared to the previous year's 7,363 sets. This accomplishment represents more than double the sterilization output, reflecting our dedication to meeting the increasing demands of our hospital's surgical and clinical units.

Service Scope:
Our CSSD services extend to multiple departments within the hospital, including the Operating Theatres, Intensive Care Unit (ICU), and Outpatient Department (OPD), ensuring the highest standards of sterilization and infection control across all patient care areas.

Preventive Maintenance:
We prioritize equipment reliability and safety by regularly conducting preventive maintenance for all our equipment. This proactive approach ensures optimal performance and minimizes downtime, allowing us to maintain uninterrupted service to our hospital's healthcare units.

Human Resources:
To support our expanding operations, we have welcomed additional staff members to our CSSD team. Their expertise and dedication have been invaluable in maintaining the high standards of sterilization and service excellence expected from our department.

Equipment Inventory:

- Our current equipment inventory includes:
- One horizontal rectangular autoclave machine
- One flash sterilizer
- One washer disinfectant machine
- Ultrasonic cleaner
- One dryer
- Sealing machine
- Additionally, we installed a new horizontal cylindrical autoclave machine on 19/4/2023, further enhancing our sterilization capabilities, and two autoclave machines are under procurement process

AMBULANCE SERVICES

In the fiscal year, our hospital ambulance service has continued to provide essential transportation support to our medical facilities and the community at large. With a fleet of two ambulances, we have expanded our reach to facilitate mobile medical unit services, patient referrals, diagnostic transportation, and student support.

Key Highlights:

Service Scope:
Our ambulance service plays a vital role in facilitating mobile medical unit services. Additionally, we provide transportation for patient referrals between medical facilities, diagnostic purposes, and support for students during medical emergencies or routine appointments.

Preventive Maintenance:
We prioritize the reliability and safety of our ambulances by conducting regular preventive maintenance services. This proactive approach helps ensure optimal performance and minimizes the risk of unexpected breakdowns, allowing us to maintain uninterrupted service to our patients and community.

Pollution Control Check-Up:
In adherence to environmental regulations and our commitment to sustainability, we conduct regular pollution control check-ups to ensure our ambulances meet or exceed emissions standards, minimizing our environmental footprint.

Insurance Renewal:
We maintain up-to-date insurance coverage for our ambulances, ensuring comprehensive protection for our vehicles, passengers, and the public.

Minor Repairs:
Prompt attention to minor repairs helps us maintain the reliability and appearance of our ambulances, ensuring they are always ready to respond to emergency calls and transport patients safely and comfortably.

Efficient Service Delivery:
We are committed to providing efficient and timely ambulance services to meet the needs of our patients. Our dedicated team of ambulance drivers and medical personnel work tirelessly to ensure prompt response times, compassionate care, and safe transportation for all individuals in need.

LAUNDRY SERVICES

In the fiscal year [01-4-2023 to 31-03-2024], our hospital's laundry services have experienced remarkable growth and improvement. With a commitment to efficiency and excellence, we have expanded our capacity, upgraded our equipment, and welcomed new members to our team.

Key Highlights:

Increased Capacity:

Our laundry facilities have seen a significant expansion in capacity. In addition to our existing 3 top load washing machines, we have added 2 state-of-the-art 20 kg front-load washing machines, installed on 20/02/2023.

Operational Efficiency:

With the integration and equipment, we have optimized our operations to ensure a seamless and efficient laundry process.

Staff Enhancement:

This year, we are, to welcome 2 dedicated laundry supervisors to our team.

Performance Metrics:

In the fiscal year [01-4-2023 to 31-03-2024], we have washed a total of 114,663 garments, marking a nearly fourfold increase compared to previous years.
This significant accomplishment underscores our commitment to meeting the growing demands of our hospital community.

Vision for the Future:

Looking ahead, we remain dedicated to enhancing our laundry services to provide the highest quality care and support to our patients and staff. Through continued and collaboration, we will strive to set new standards of excellence in hospital laundry operations.

HOSPITAL STORES

Functions: -

Hospital Stores is concerned with storing and dispensing of non-consumable and consumable items to all the departments of the institute.

Once store items are purchased (through the MS Office), a CRV, i.e., Certified Received Voucher would be prepared to represent formal acknowledgment for the received items.

When the store items are received from Central Stores, those items are taken into custody with a Received Voucher (RV).

Store items are issued to the departments through Received Voucher (RV).

At the end of every month, a Certified Issue Voucher (CIV) would be prepared to record the data of the store items that are issued to different departments in that particular month.

Data on consumption/utilization of store items issued to the departments through Certified Issued Vouchers are collected from all the departments every month.

Store items are stored in the Almirahs, Open racks, on Wooden and plastic pallets, Etc. depending on the nature of the item.

Store items that require cold storage are stored in the refrigerator to maintain the cold chain.

Procurement lists are generally compiled based on the current hospital store stock, previous six months' utilization/consumption data, and any other new requisition received from the user departments.

Maintenance: -

- Completed date of the store items, in generic form, are stored in the computer system.
- 21 stock registers are maintained separately category-wise.
- CRV, RV,and CIV data are stored in the computer system and the hard copy is also stored in individual files.

SN	Designation	Name	Role & Responsibility	Remarks
1	Medical Superintendent	Prof. (Dr.) Abhishek J. Arora	Head, Hospital Store	
2	Deputy Medical Superintendent	Dr. Yadukul S.	Inventory Management and Procurement	
3	Faculty In-Charge	Dr. M Kalpana.	Inventory Management	
4	Storekeeper	Mr. N.K. Solomon Raj.	Maintains RV/CRV/IV/CIV Demand Register /Indenting /Store Management /Preserving /Availability &non-availability of stock and Manpower controlling/attendance register/Leave management, Inspection of items as per the delivery Challan/ Tax Invoice/ Issuing of stock, Maintenance of the Furniture, Settlements of Auditing Points, if any. Maintenance of records of Furniture in a spreadsheet. 2. Furniture Ledgers. 5. Swachh Bharat Ledger.	O/S
6	Nursing Officer	Mr. Arun KP	Preparing the requirement List of Expendables/Non-expendables items for Procurement and identification of new/ old items as per Specification.	Regular
7	Nursing Officer	Mr. Chandrakant	Preparing the requirement List of Expendables/Non-expendables items for Procurement and identification of new/ old items as per Specification.	Regular
8	Store Keeper	Mr. N Pavan Sanjay	Store Management, Store receipt and arranging for verification/installation, Maintenance and entries of non-consumable items ledgers, Processing departmental requisitions for procurement, Drafting official communications (Emails, Letters, Etc.), RTI replies, File Management, Preparation of reply to audit observations, Etc.	Regular
9	Executive Assistant	Mr.Togi Raviraj	Maintenance of Ledger, Receipt of all items, Verification of quantity of items. Preparation of a list of shortage items in the Hospital Store for Procurement. Maintenance of records of Equipment in a spreadsheet. Consolidation of consumable items and Managing all the operations of the Hospital Store.	O/S
10	Data Entry Operator	Mr. A Vidya Rathnam	Maintenance of spreadsheets for CIV, CRV, IV, Summary, Non- Non-Availability List (NA list). Verification of indents as per the stock held and taking signature of Faculty Charge, Summary report, and Maintenance of Ledgers.	O/S
11	Ward Boy	Mr. Mahendar Bingi	Shifting and checking of stock, Stocking of the store, labeling of the store, and Issuing of stock along with storekeeper.	O/S
	Data Entry Operator		Shifting and checking of stock, Stocking of the store,Labelling of the store, and Issue of stocks along with storekeeper. Maintenance of spreadsheets for CIV, CRV, IV, and Summary. CRV entries in Ledgers.	O/S

Progress: -

Totally 311 CRVs are generated in the FY 2023-24 comprising all the items in the categories of consumable, equipment, instruments, Hospital furniture, non-consumable, non-expendables, and miscellaneous with total value of Rs 14,04,62,639.09

Milestones: -

- Streamlining of indent cycle from all departments.
- Expansion of scope of Inventory from medical consumables (at inception) to: medical & surgical consumables, medical equipment, furniture.
- Maintenance of digital records with 2 systems.
- Establishment of critical items and re-order quantities.
- Generation of monthly shortage data and initiation of order/ re-order process with the Office of the Medical Superintendent.

Hospital Pharmacy

Functions

- Concerned with storing and dispensing of the drugs to all the in- patient departments and some on out-patient basis (procedures) for patient use.
- Once new drugs are purchased,a CRV,i.e.,Certified Received Voucher would be prepared so as to represent formal acknowledgement for the received drugs.
- When the drugs are received from different internal sources,those drugs are taken in to custody with a RV(ReceivedVoucher).
- At the end of every month, a CIV(Certified Issue Voucher) would be prepared to record the data of the drugs that are issued to different departments in that particular month.
- The updated list of stocked drugs would be circulated at the beginning of every month to all concerned.
- Drugs are stored in the open steel racks, wooden 3 side closed racks, and modular storage racks in alphabetical order. Drugs that require cold storage are stored in the refrigerator to maintaint he cold chain.

Charter of Duties (Roles and Responsibilities)			
SN	**Name**	**Designation**	**Duties**
1.	Dr. Gerard MarshallRaj	FacultyIn-charge Hospital Pharmacy	Supervising the functions of Hospital Pharmacy. Signing the CIV, CRV, RV, Circulars, Letters. Analyzing the procurement list and forwarding it to the MS Office for further procedures. Monitoring the ledgers and registers. Close monitoring of Narcotic drugs by filing the issued data. Suggesting and implementing of various ideologies for the better functioning of Hospital Pharmacy.
2.	Ms. K. Anusha DOJ: 15/11/2021	Pharmacist	Preparing the CIV (Certified Issue Voucher), monthly summary (utilization).
			Documentation of CRV, RV and CIV in separate files and entering the same data in ledger and in the system.
3.	Ms. D. Shalini DOJ: 23/04/2022		Issuing of the drugs according to the requested Indents from user departments.
			Handling the Narcotic drugs.
			Circulating the data on pharmacy current stock every month and also circulating the data nearing expiry drugs if any to the user departments.
			Maintaining furniture registers.
			Handing over the expired drugs to biomedical waste committee through proper channel.
			Arranges the stock alphabetically and label them.
4.	Mr. Mahendra kumar V DOJ:04/04/24	Store keeper	Counts and receives new stock from MS Office. Checks 18 months expiry /80% shelf-life period in new stocks. Maintenance of stock sheet (excel sheet). Verification of all ledgers.
5.	Rajesh Kumar DOJ:30/12/2023	Nursing Officer	Maintains the electronic record of expired and nearing expiry drugs. To liaise with vendors / suppliers for replacement of expired and nearing expiry drugs.
6.	Deepa N DOJ: 16/10/2023	Nursing officer	Prepares the list of drugs to be procured.
			Collects and enters the consumption data from all the departments.
			Handling the Narcotic drugs. Helps in submitting the files from Hospital pharmacy to MS Office. Recountsthequantityofdrugswhile issuing.

AMRIT PHARMACY FY (01-04-2023 TO 31-03-2024)

S.No	Details	
1	NO OF PATIENTS SERVED	1,07,532
2	TOTAL SALE VALUE	3,14,61,135
3	TOTAL MRP VALUE	10,15,26,998
4	TOTAL DISCONT VALUE FROM MRP	7,00,65,863
5	TOTAL DISCOUNT PERCENTGE FROM MRP	68%

Roles and Responsibilities

SN	Designation	Duties
1	Pharmacist	Receiving the drugs from MS office along with CRV. Documentation of CRV, RV and CIV in separate files and entering the same data in ledger and in the system. Issuing of the drugs according to the requested Indents. Preparing the CIV (Certified Issue Voucher), monthly summary. HandlingtheNarcotic drugs. Circulating the pharmacy current stock every month and also circulating the nearing expiry drugs if any. Maintaining daily issue register, furniture register and CRV control register. Handing over the expired drugs to biomedical waste committee through proper channel. Took part in preparing the RC drugs list arranges the stock alphabetically and label them.
2	Nursing officer	Counts and receives the new stock from MS office. Prepares the list of drugs to be procured. Collects and enters the consumption data from all the departments. Maintains the stock ledger and expiry ledger. Maintains the daily issue register, furniture register, and CRV control register. Played a major role in preparing the RC drugs list. Issuing of the drugs according to the requested Indents. Enters the stock data and updates the received and issued data of the drugs every month in the system. Arranges the stock alphabetically.
3	Attendant	Handling of locking and unlocking the pharmacy and submitting the keys in MS office. Maintains the pharmacy Hygiene. Takes care to turn on and turn off the lights and computer system before locking up the pharmacy. Helps in arranging the stock andlabeling. Helps in submitting the files from the Hospital pharmacy to MS Office. Recounts the quantity of drugs whileissuing.

Data Maintenance

- Complete data of the drugs,in generic form,are stored in computer system in alphabetical order with the batch numbers and expiry dates.
- Five ledgers are maintained separately for Tablets, Injectables, Narcoticdrugs, and other miscellaneous drugs.
- CRV,RV and CIVdata are stored in the computer system and the hard copy are also stored in individual files.

Progress

Hospital Pharmacy procured various items keeping in mind Government of India directions by procuring 153 Drugs and rest 802 Drug from Amrit Pharmacy through MOU & as per GFR.

- Total Purchase cost in last Financial year of Rs. 1,08,06,596.12,
- CPSE 153 items are purchased for Rs. 22,85,263.02/-
- Non CPSE drugs (Amrit Pharamcy) 361 items are purchased for Rs 35,76,150.01
- GEM & LPC 441 items Purchased for Rs. 49,45,183.09

Work(s) in near future:

- Expansion of inventory space to meet and accommodate the increasing demand for consumables and equipment.
- Further streamlining of the inventory cycle in conjunction with all departments and the Office of the Medical Superintendent.
- Digital Inventory Management**.**

LABOR ROOM

The Labor Room Complex was inaugurated and started functioning in November 2022. It caters to all high risk pregnancies with very good fetal monitoring and neonatology backup.Elective cesarean sections were started before labor room became functional. Being a tertiary care centre, we receive more referrals of high risk cases and cases with previous cesarean sections.Total number of deliveries conducted since it has been functional is approximately 600.

We have conducted more then 50 vaginal deliveries and 200 cesarean sections from April 2023 to March 2024, and the LSCS is more as we received more cases with previous cesarean sections.

At present we have regular antenatal OPD and admit patients booked with us at the Department of OBG at AIIMS Bibinagar. Both High-risk and Low-risk cases are being taken up at present, and emergency services 24 x 7 will start once all the facilities for emergencies are made available.The Department of Obstetrics and Gynecology, AIIMS Bibinagar works hard to cater to all the high-risk Antenatal cases of the region to reduce maternal and neonatal morbidity and mortality.

On an average, there are 5-6 admissions per day which includes cases for normal deliveries, elective and emergency Cesarean sections. High-risk patients like Gestational Hypertension, PIH, Gestational diabetes, twin pregnancies, preterm labor, and pregnancies with premature rupture of membranes, are being admitted for monitoring and follow-up. We also take care of rare and high-risk cases like Adherent placenta, Placenta previa, Abruptio placenta, previous two or three cesarean sections and pregnancies with rare congenital anomalies of the fetus which are diagnosed on time and managed here. Pregnancies with antenatal complications, obstructed labor, and instrumental deliveries are also done.

Our vision is to create a safe, compassionate, and empowering labor environment where every mother feels supported and cared for throughout the birthing process. We aim to make every birth a positive, memorable experience by providing expert and respectful maternal care with personalized attention.

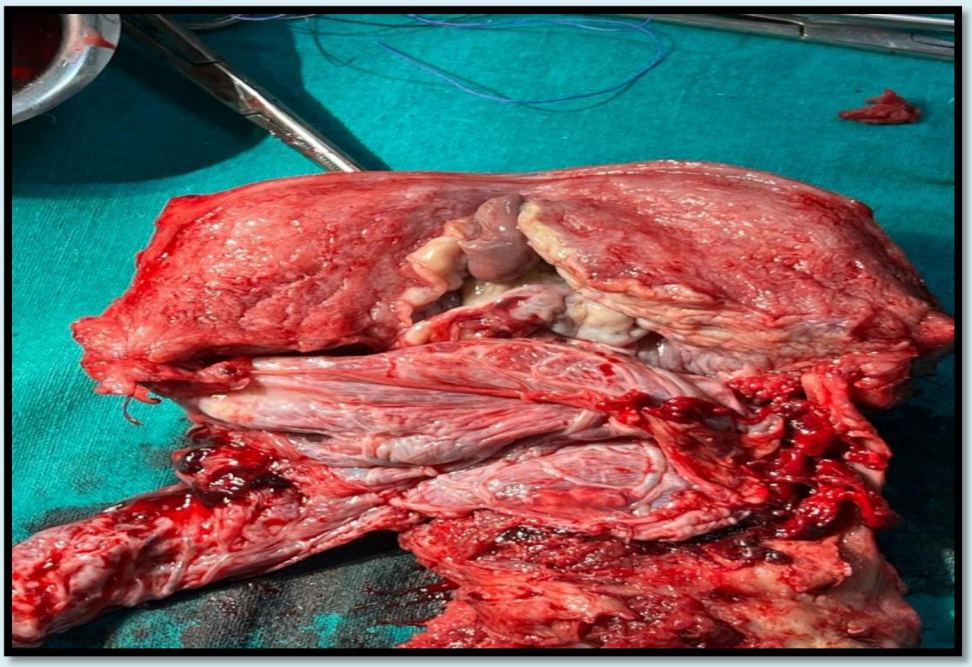

Labor Room Complex Inauguration

Labor Room at AIIMS Bibinagar

First Normal delivery at AIIMS Bibinagar

A case of Placenta Increta underwent Hysterectomy

Antenatal fetal monitoring done for all pregnant women

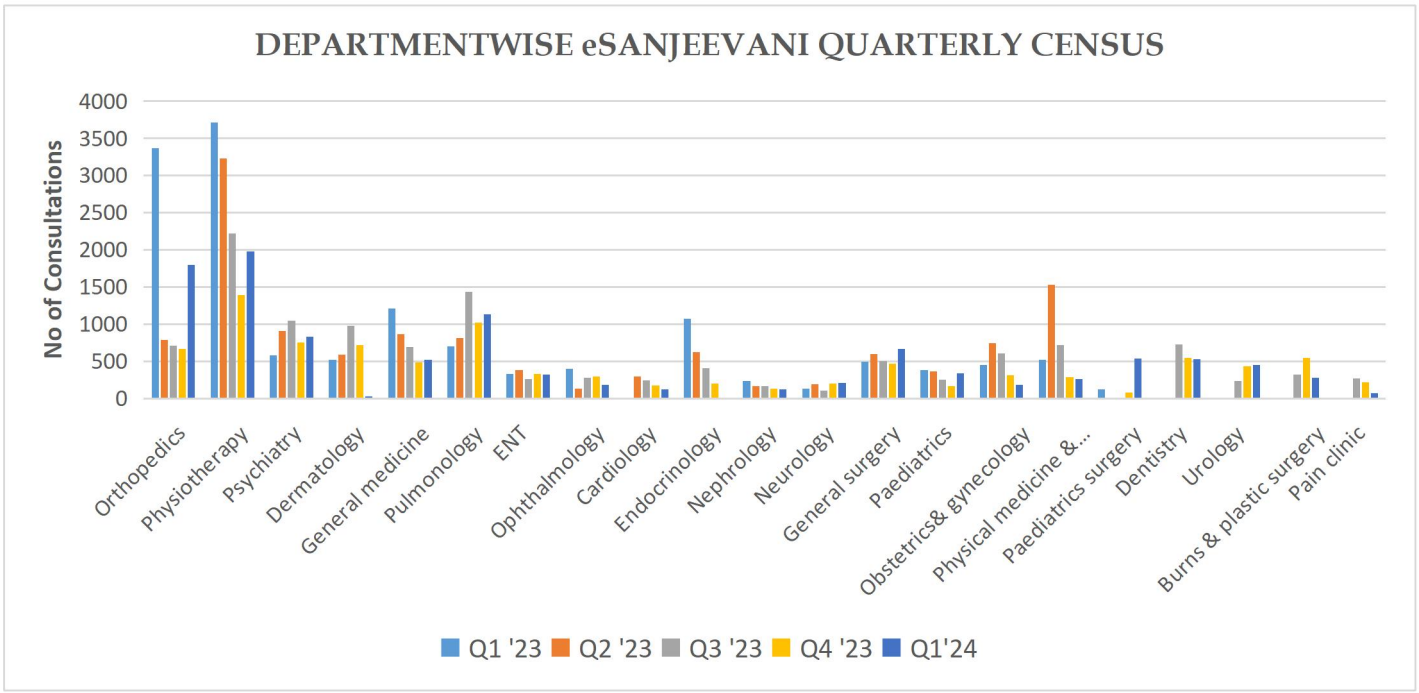

eSanjeevani

Launch and Expansion:

- eSanjeevani was launched on August 6, 2022, with an official inauguration by the honourable Minister of Health and Family Welfare; Chemicals and Fertilizers, Government of India Dr Mansukh Mandaviya.

- Initially started at AIIMS Bibinagar with 9 specialities, and now it has expanded to 21 specialities, including 6 super specialities, and AIIMS Bibinagar has completed over 90,000 plus consultations.

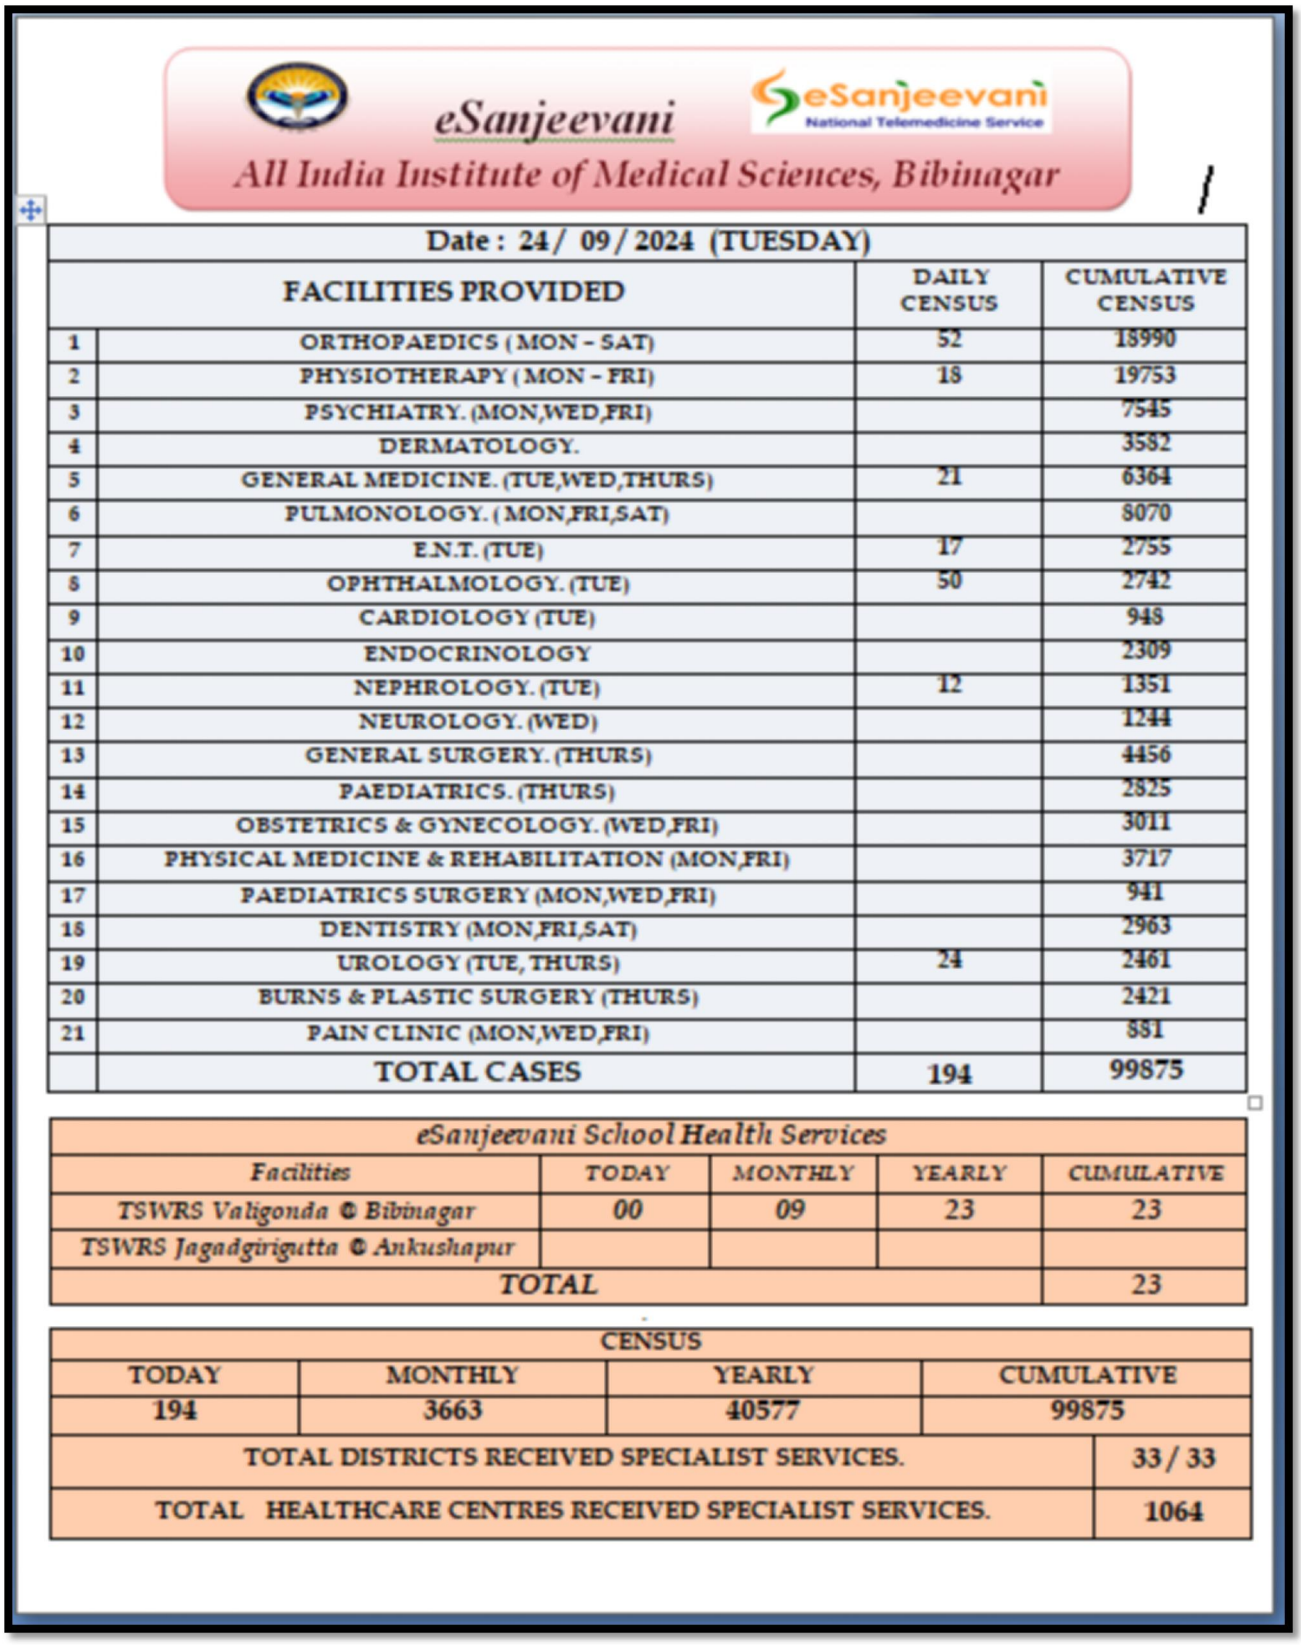

The monthly schedule is also updated on the AIIMS Bibinagar website

Operational Supervision:

- The initiative is under the supervision of the state health NHM department.
- The state regional coordinator collects and provides monthly data to the state authorities.
- eSanjeevani operates six days a week, with schedules prepared based on consultant's availability and communicated through official channels.

Daily Operations:

- Nodal Officers and the nursing officers at eSanjeevani AIIMS Bibinagar are responsible for scheduling, ensuring internet connectivity, and liaising with consultants regarding their availability.
- Any changes in the schedule are communicated via Official WhatsApp groups of State authority.

Significant newer initiative in schools:

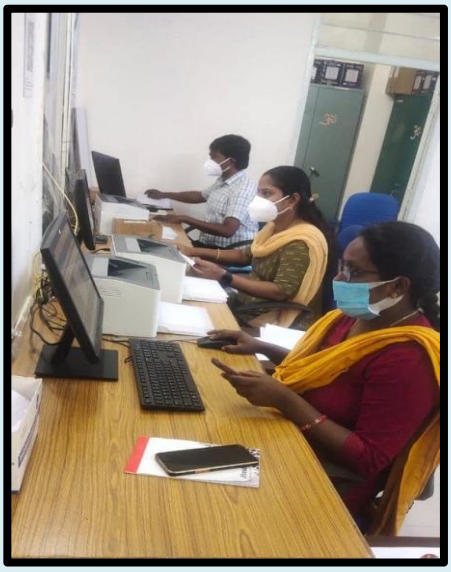

On 13th March 2024, launched eSanjeevani in schools, by Executive Director Prof Dr. Vikas Bhatia, enhancing healthcare accessibility for students.

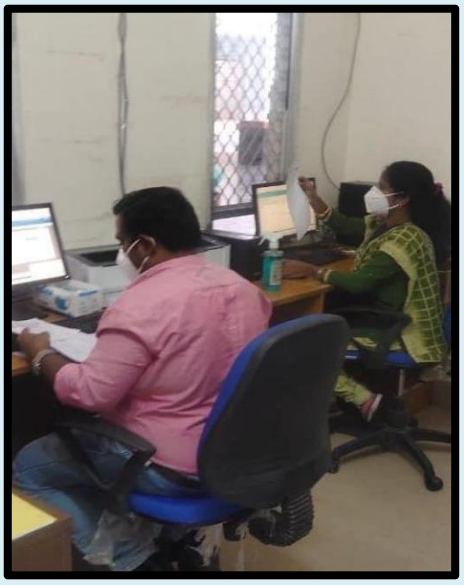

Ayushman Bharat
Digital Mission
Building Digital Health Ecosystem

Ayushman Bharat Digital Mission

Digital services started from 6th July 2022

Hospital Management Integration System:

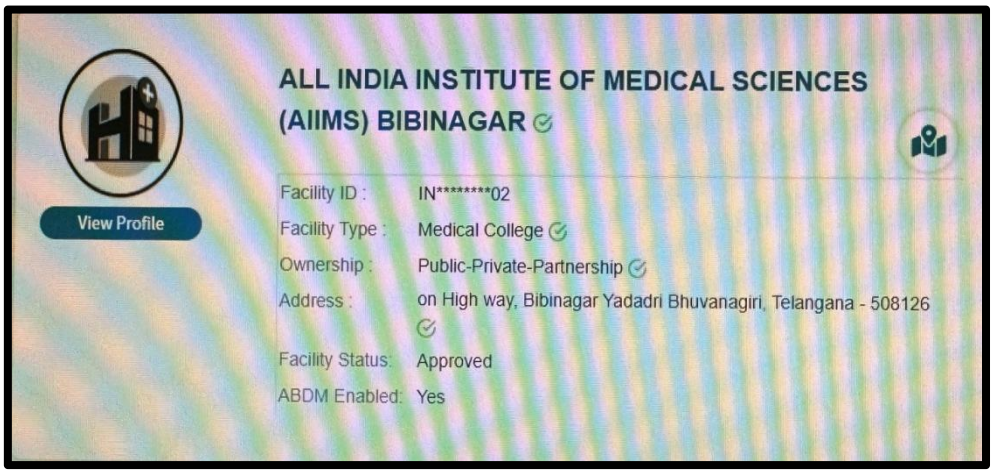

- Our Institute has installed e-Sushruth (Module-1) from C-DAC, Noida
- The above module was started at AIIMS, Bibinagar on 6th July, 2022

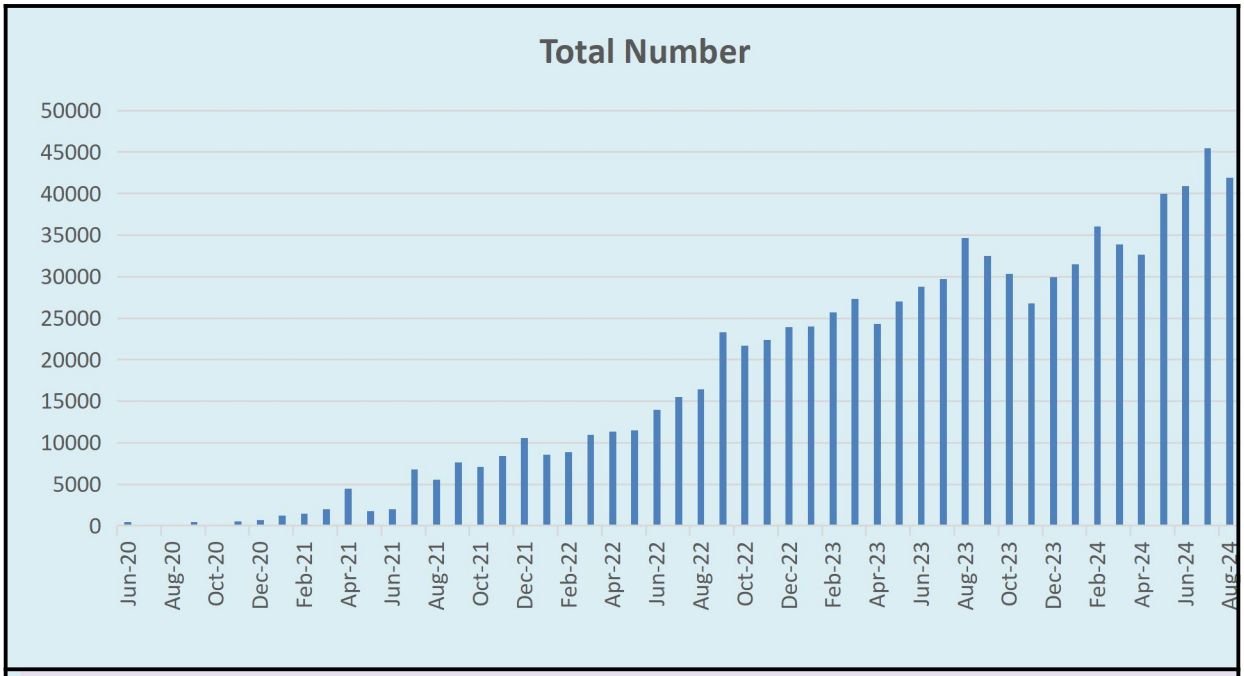

HMIS module-1 (e-Sushruth):

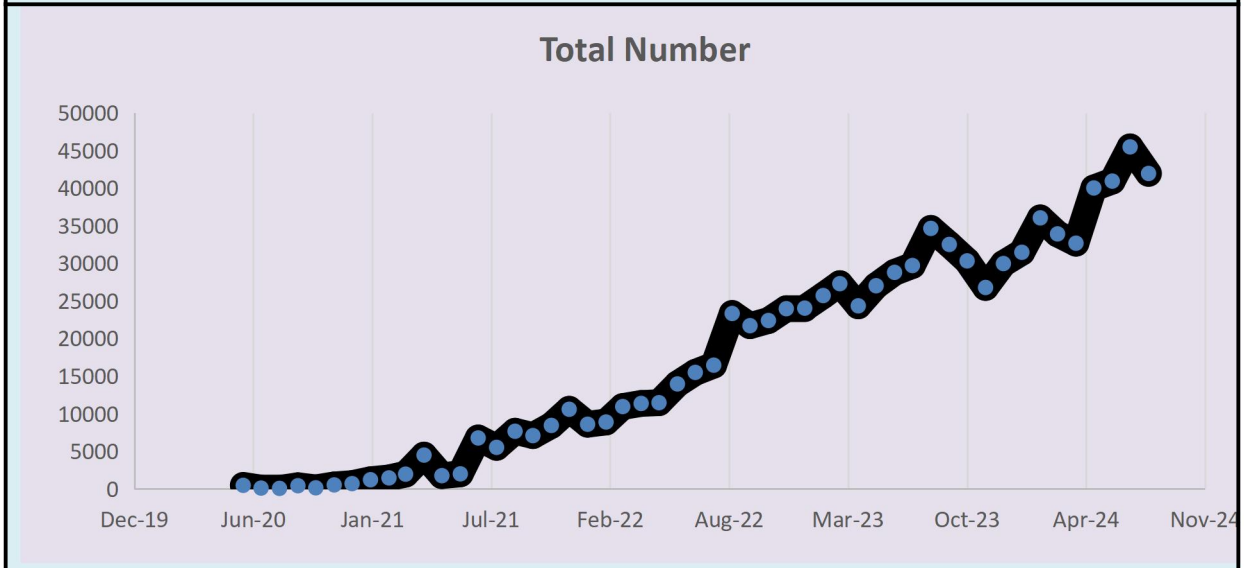

- Patient Registration
- OP Billing
- Lab Information System (LIS)
- Queue - Management in OPD
- OP Doctor's Desk

Health Facility Register (HFR):

- AIIMS, Bibinagar is registered as Facility.
- The MRD staffs, Doctors (faculty and residents), Nursing Officers, and Lab Technicians have been provided with User ID & Password for smooth functioning of the HMIS e-Sushrut application.

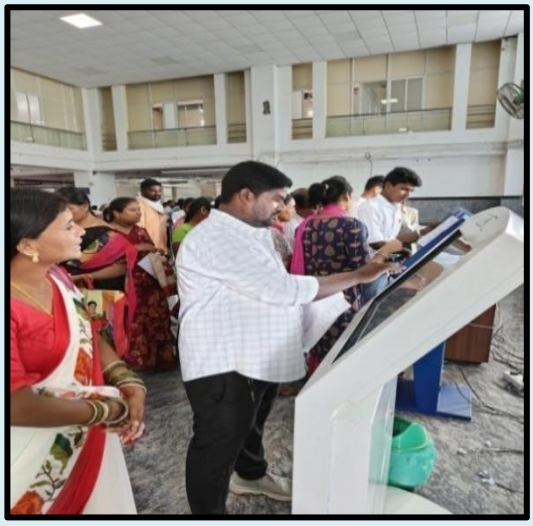

Patient input at AIIMS since inception

ABHA Card

- Nursing officers help patients to get ABHA registration done through Apps.
- Dedicated units are placed in OPD foyer for helping patients.

KIOSK for Registration

Dr. Vikas Bhatia, Executive Director, shared various digital facilities under ABDM on December 2022 at the Trans-Himalayan Conference

Mr. Amarjeet Singh Cheema, Associate Director and Head of the Department, C-DAC Noida at AIIMS Bibinagar on 18th May 2023

Dr.Yadukul & Dr.Arun visited NHA, Delhi on 13th March 2024 for the meeting on ABDM update

Hands-on workshop by C-DAC team from 3rd to 6th July 2024

FINANCE SECTION

FINANCE AND ACCOUNTS DIVISION

Shri Rashid Abbas Ansari
Financial Advisor

Shri. Venkata Satish Goli
Accounts Officer

Finance and Accounts Division of AIIMS Bibinagar caters an important function of planning and management of financial resources of the institute, so that the Institute can meet its mission of becoming an INI with excellence in medical education and services while being compliant to the standards of financial prudence.

Chief Accounting Authority

Executive Director of the AIIMS Bibinagar (the Institute) is the Chief Accounting Authority (CAA) of the Institute who has been delegated the financial powers by the Government of India so as to exercise the same as the Competent Financial Authority. The Executive Director exercises the financial powers with the assistance of Finance Division of the Institute.

Finance Division (FD)

The Institute receives Grants-in-Aid from Government of India, Ministry of Health and Family Welfare for discharging its functions and objectives set in AIIMS Act 1956 and as amended from time to time. In addition, the institute receives extramural research grants from various government/International/public as well as private agencies such as ICMR, DST, CSIR, WHO, UNICEF, DBT, etc. for various research projects. Grant received from the Government of India and other agencies are further allocated to various Centres/Departments/Research Projects of the Institute as per the terms and conditions of these grants.

In addition to the above-mentioned grants, the Institute also generates internal receipts from user charges such as OPD/ IPD fees, fees from various diagnostic tests, fees from students/residents, rents etc. The institute is received provisional tax exemption for donors under section 80G of IT Act which is an incentive for tac payer donors. Besides, the Institute also gets sponsor for some of its activities under CSR funds.

Finance Division of the Institute monitors/controls the expenditure against the above funds/budget and administers day to day financial matters, payment of salaries to faculty and staff, payment of personal claims in respect of the employees of the institute and payment for Goods and Services procured in pursuit of the services of the Institute. At the time of making the payment, all the checks as prescribed by the Government of India are being exercised by the respective DDO/Accounts Officer.

The main functions of Finance Division (FD):

Budget& Accounts: Budget section of FD is responsible for calling for annual requirements from various Centres/Departments/Divisions to formulate projections for next year. The Budget Estimates (for Next Financial Year) /Revised Estimates (for Current Financial Year) are sent to Ministry of Health & Family Welfare for allocation of Budget (Grant-in-Aid) in the three broad headsviz, Capital, Salary and General.In addition, the requirement is projected for funds required under Swacchata Action Plan (SAP). Institute has implemented Treasury Single Account (TSA) for receiving of the of funds from Government since the Financial Year 2022-23 and mapping of all the broad budget heads has been implemented from the Financial Year 2023-24.

Project Formulation & Appraisal: Institute is growing in terms of load of patient-care, medical education & research. There are several ongoing projects of very high value and critical to carry out the mandate of AIIMS. The FD assists the Director, Standing Finance Committee &Governing Body of AIIMS and MoHFW/Government in ensuring compliance, prioritization and concurrence of projects.

Financial Concurrence: There are proposals received in Financial Advice Section (FAS) of FD for procurement of Medical and Office Equipment, Rate Contract for chemicals, medicines, consumables, contract for works & services and other expenditure related matters for financial concurrence/advice. The scrutiny by FD is critical to ensure best value for money and to ensure the compliance of General Financial Rules and other rules, orders, principles of expenditure and directives issued by the government.

Payment function: Bills on account of personal claims, procurement of good & services through GeM, tendering etc. are processed and paid. While making payments, all prescribed checks are exercised by the Payment & Accounts Section of FD. The FD caters to all the employees and academic expenditure of faculty and students.

Internal Audit: The Internal Audit of the Institute is a continuous & mandatory process as the Ministry as well as the Office of the DGACE has emphasized upon the need to strengthen the internal audit of the Institute so that the procedural faults, if any, can be brought to the notice of the concerned authorities at initial level and rectified there only. Institute is in process of establishing an Internal Audit Section to meet the requirement of internal audit. However, at present the MoH&FW conducts internal audit on periodic basis. The Ministry conducted the internal audit in 2022-23 for period up to 31st march 2022 since inception. Thereafter, the ministry again conducted Risk based internal audit for period 01st April 2022 to 31 March 2024 in August 2024.

Annual Accounts & Statutory Audit: AIIMS Bibinagar, being Central Autonomous Body, has to compile the Annual Accounts by 30th June each year and present the same for audit by the C&AG's officers. The Audited Utilization Certificates (UCs), of previous year's Grant-

in-Aid releases to Institute, are required to be sent to the Ministry for further continued budgetary support. It is statutory requirement that the Annual Reports containing Annual Accounts, along with Separate Audit Report & Audit Certificate, is received by 31st October and tabled by MoH&FW in the Parliament by 31st December. The Annual reports of all the previous years have already been laid down in parliament as per the schedule.

The audit of Annual Accounts for the year 2023-24 was completed inJuly and the Final report approved by CAG is placed with the Annual Report of the Institute for 2023-24. In addition to it, a Performance Audit of the Institute was conducted from December, 2023 to March 2024.

Accounting Policies & Control

As adopted by the Institute body, GB and provisioned in AIIMS Regulations, 2019, the Institute follows all the relevant rules & regulations for expenditure control, receipts and payments, accounting policies of Govt of India as amended from time to time and maintains the accounting records as prescribed in these rules and by the MoH&FW.

Human Resources

The tasks of Finance Division are accomplished under the overall control of Financial Advisor, who is assisted by an Accounts Officer. At present the two posts of Assistant Accounts Officer are vacant. During the financial year 2023-24, 4 Junior Accounts Officers have been recruited and all have joined. In the last two years Institute's services have been increased by leaps resulting in increase in human and financial resources of the institute. During the financial year 2023-24, the Institute received total Grants-in-aid of ₹ 155.701 crore (GIA- Salary-₹103.50 crore, GIA-General-₹38.20 crore and GIA-Capital-₹14.00 crore) which was fully utilised.

SEPARATE AUDIT REPORT OF THE COMPTROLLER & AUDITOR GENERAL OF INDIA ON THE ACCOUNTS OF ALL INDIA INSTITUTE OF MEDICAL SCIENCES (AIIMS), BIBINAGAR FOR THE YEAR ENDED 31 MARCH 2024

We have audited the attached Balance Sheet of All India Institute of Medical Sciences (AIIMS), Bibinagar as on 31 March 2024 and the Income & Expenditure Account/Receipts & Payments Account for the year ended on that date under Section 19(2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 18 (2) of AIIMS Act 1956 & AIIMS Amendment Act 2012. These financial statements are the responsibility of the Autonomous Bodie's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This separate Audit Report contains the comments of the Comptroller & Auditor General of India (C&AG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

i. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

ii. The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format approved by Government of India, Ministry of Finance.

iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Institute as required, in so far as it appears from our examination of such books.

iv. We further report that:

A. Comments on Accounts

A.1 Balance Sheet

A.1.1 Corpus / Capital Fund and Liabilities

A.1.1.1 Corpus/Capital Fund - ₹13.97 crore

A.1.1.1.1 Reference Number: OBS-1435825 & OBS-1418011 (Persistent irregularity)

As per Uniform format of Accounts, grants relating to non-depreciable assets should be credited to 'Capital Reserve'. Further, Government Grants to the extent utilized towards capital expenditure are to be transferred to Corpus / Capital Fund. Grants relating to depreciable fixed assets amounting to ₹36.41 crore were incorrectly shown under Capital Reserve- Reserves and Surplus (Schedule-2). This resulted in overstatement of Reserve and Surplus and understatement of Corpus/Capital Fund by ₹36.41 crore.

A.1.2 Assets

A.1.2.1 Fixed Assets – ₹36.79 crore

A.1.2.1.1 Reference Number: OBS-1435825

DPR equipment amounting to ₹ 34,12,12,758 received and installed upto 2023-34 were not capitalized and shown in the Annual Accounts. This resulted in understatement of Fixed assets as well as Capital fund to the extent of ₹34.12 crore.

A.1.2.1.2 Reference Number: OBS-1435825 (Persistent irregularity)

The details of Grants-in-aid released by MoHFW directly to HLL Infratech Services Limited (HITES) for the construction of compound wall and construction & maintenance of Buildings along with the details of progress of works as on 31.03.2024, as detailed below were not accounted for in the Annual Accounts. This needs to be reviewed and action needs to be taken to account for the amounts released by MoHFW directly to HITES as non-disclosure of the Grants released affects the transparency of the Accounting Statements besides their completeness.

Funds Position	**Amount (as per sch25) (₹)**	**Actual status of funds (₹)**
Funds Received	5,12,55,00,000	5,12,55,00,000
Funds Returned	21,85,45,205	21,85,45,205
Total Funds Received	4,90,69,54,795	4,90,69,54,795
Funds utilized	4,90,39,92,141	4,81,72,49,663

Free Fund available	29,62,654	8,99,05,132
Committed liabilities included in above in respect of sch-25 fund utilized	8,67,42,478	8,67,42,478
Interest earned on Project Fund Term deposit	5,63,502	5,63,502
Interest on Mobilization Advance	6,84,19,543	6,84,19,543
Fund available	15,86,88,177	15,86,88,177

A.1.3 Investments – Others – ₹8,23,78,932

A.1.3.1 Reference Number: OBS- 1413968 (Persistent irregularity)

Fixed Deposits amounting ₹8,23,78,932 (₹7,99,99,997+ interest of ₹23,78,935) was exhibited under Schedule 10- Investments Other instead of Schedule 11- Current Assets, Loans and advances under Bank balances. Further, as per Uniform Format of Accounts, interest accrued of ₹23,78,935 on Fixed Deposits needs to be exhibited under Schedule 11 -Current Assets, Loans, Advances (B-Loans and Advances and other Assets-3 Income Accrued.

B. General

B.1 Reference Number: OBS-1443475

Schedule 20-Establishment expenses included an amount of ₹0.32 crore incurred towards salaries paid to consultants recruited on contract basis and charged under GIA-Salary. This is in contravention of the principles of Grants and hence needs to be reviewed and expenditure needs to be booked under the relevant head of account (Schedule 21-Other Administrative Expenses etc.).

B.2 Reference Number: OBS-1418504 (Persistent irregularity)

Provision for payment of retirement of benefits, i.e., Gratuity, Leave Encashment and Superannuation Pension was not created as per Accounting Standard 15.

C. Grants-in-aid

Reference Number: OBS-1414300

Grants-in-aid of ₹ 155.70 crore received during the year were fully utilized by the Institute as on 31 March 2024.

[1]GIA- Salary-₹103.50 crore, GIA-General-₹38.20 crore and GIA-Capital-₹14.00 crore

D. Management Letter

Deficiencies that have not been included in the Separate Audit Report have been brought to the notice of the Director, All India Institute of Medical Sciences, Bibinagar, through a Management Letter issued separately for remedial/corrective action.

i. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this Report are in agreement with the books of accounts.

ii. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts and subject to the significant matters stated above and other matters mentioned in the Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:

a) In so far as it relates to the Balance Sheet, of the state of affairs of the All India Institute of Medical Sciences, Bibinagar for the year ended 31 March, 2024 and

b) In so far as it relates to Income & Expenditure Account of the ***Surplus*** for the year ended on that date.

Hema

(HEMA MUNIVENKATAPPA)
Director General of Audit(Central)
Hyderabad

ANNEXURE TO SAR- 2023-24

1. **Adequacy of Internal Audit System:** Internal Audit Wing was not established in the Institute. However, the Internal Audit for the period from inception 2019 to 31.03.2022 was conducted by Internal Audit wing of Ministry of Health and Family Welfare. Internal Audit for the years 2022-23 and 2023-24 was not conducted.

2. Adequacy of Internal Control System: Internal Control System is not adequate due to the following reasons:

1.No internal audit system.

2.There is no internal audit manual.

3.There is no accounting manual.

4.Accounts are not coded.

5.Director had sanctioned bills relating to purchase of equipment/ stores, Maintenance of Building and petty works etc., (Annexure) beyond the financial powers as stipulated in Schedule-1 of AIIMS Regulations 2019.

6.It is necessary to pursue the following pending adjustments:

(a)Advances to the extent of ₹1,70,51,469 are pending adjustment.

(b)Amount receivable from MBBS students – ₹1,37,987

(c)TDS receivable – ₹2,90,154 and sundry debtors amounting to ₹15,84,559.

(d)Minus balances in the annual accounts.

3. **System of Physical verification of fixed assets:** Physical verification of Fixed assets was not conducted for the year 2023-24

4. **System of Physical verification of inventory:** Physical verification of inventory was not conducted for the year 2023-24

5. **Regularity in payment of statutory dues:** The Institute is regular in depositing all the statutory dues.

Ch. V. Sai Prasad
