CIRCULAR

Prohibition of use of electrical appliances in hostel rooms

1. It has been observed during routine inspections that several hostel residents are using high-wattage electrical appliances inside their rooms. The use of such items is strictly prohibited as the internal wiring is not designed to handle the same and it poses a serious risk of fire due to electrical overloading, and may lead to tripping of power supply, equipment failure and consequent risk to life and property as both UG hostel buildings are of Highrise structure.
2. To ensure the safety of all residents and to maintain the integrity of hostel electrical systems, the usage of following electrical appliances is **strictly PROHIBITED inside hostel rooms.**

I. Very High Wattage Appliances (Above 2000 W)

- Electric room heaters / coil heater
- Immersion rod water heater
- Heavy-duty electric iron / press iron
- Induction cooktops
- Microwave oven
- Electric geysers
- High-power air-coolers
- Portable air conditioners

II. High Wattage Appliances (1000–2000 W)

- Fast-boil electric kettles
- Toasters / sandwich maker
- High-power hair dryer
- Rice cookers / multi-cookers
- Electric grills / tandoors
- Hot plates / electric stoves

III. Medium Wattage Appliances (500–1000 W)

- Mixers / blenders
- Coffee makers
- Small heaters / blowers
- Mini ovens / toaster ovens
- High-speed hair straighteners

IV. Other Risk-Prone Electrical Items

- Multiple high-load extension boards
- High-amperage electric adapters
- Non-ISI marked electrical devices
- Direct-wire heating appliances

V. Important Instructions

- Please note that the above list is indicative and not exhaustive
 - Occupants found using any of the above appliances will be subject to disciplinary action as per institute norms.
 - Hostel Wardens/Junior Engineer(s)/Fire Technician(s) will conduct surprise inspections to ensure strict compliance.
3. This is for strict compliance in the interest of safety and should be taken seriously as it poses a major fire risk especially in high rise buildings.
 4. This is issued with the approval of the Competent Authority, AIIMS Bibinagar.

A handwritten signature in black ink, appearing to read "Vijay Kumar", is written over a horizontal line.
