

Creating Corona-free campus

AIIMS Bibinagar, Hyderabad. Efforts of Creating corona-free campus, preventing vector borne diseases and providing protection to all are essential in this war. Corona is scared of Automatic Hand Sanitizers [of Hyderabad make] at the entry points, disinfection of surroundings This is possible with active participation of our small enthusiastic team of doctors, nursing officers, staff, security and housekeeping staff. Visit and support of honourable MLA and district administration are always appreciable. Let's continue to fight this challenge with more commitment then ever. We shall overcome this tough phase in few months.

Bright and healthy corona free days are not too far.

Take all precautions.
