

1. MyLoft URL for Laptop/Desktop: <https://app.myloft.xyz/browse/home>

A) How to register on MyLOFT?

(Institute affiliated email ID and Password)

01. To get started, please contact [your library](#) and request for your MyLOFT account.
02. Once the library creates your account, a welcome mail reaches your [institute affiliated email id](#) with a "Set Password" option.(if not found, check Promotions or Spam folder).
03. Click on the "Set Password" button to open the app and [create a strong password](#) for your MyLOFT account. If the app is not installed, the password creation page will open in the browser window.
04. Once the password is set, the option to "Sign In" appears.

04. A warning message will appear on the below header area of the Webapp and will prompt you to [install MyLOFT Browser Extension](#).

05. Click on "Add Extension" and proceed to Install in individual browser stores ([Chrome WebStore](#)/ [Microsoft Edge Add-ons](#)).

Below screen will appear on the screen. Now, you have successfully configured MYLOFT platform on your device. You can able to access to all the subscribed databases from anywhere in the

Click on any database, for example: From above, i have clicked on **Taylor and Francis Publisher**

- By clicking on **Taylor and Francis**, User will be navigated to Publisher database as shown in below Picture.
- Make sure Institute name (i.e AIIMS Bibinagar) is logged in publisher page to access the articles

- Using search bar, user can search for any full text article which is published on **Taylor and Francis**.
- Here for example, I have searched for full text article on **Taylor and Francis**: “**Predictors of chronicity in alcohol use disorder: an evoked response potential study**”.

- Click on Full Text to open the article as shown in below

- Click View PDF to read the article online/Download the article by clicking on Download PDF
