

Inauguration of Medical Education Unit (MEU) at AIIMS Bibinagar

The Sun makes rainbows, when white light passes through raindrops. Similarly, the role of our Director is great in finding a rainbow for the colourful success of our AIIMS. The Medical Education Unit (MEU) was inaugurated at Rainbow park, by Dr Vikas Bhatia, (Executive Director of AIIMS Bibinagar) with the lighting of Diya and recitation of Sri Ganesh Vandana. This was followed by a compendious and formal presentation by the Director on Importance of competencies required to become an efficient professional in developing a pioneer institute. The Medical Education Unit (MEU) was started on the topic of “Basics in Medical Education” by Dr.Kalpana. The importance and requirement of the training program was highlighted and further training sessions in collaboration with JIPMER Puducherry was scheduled. The meeting was concluded with a note to work together, to make AIIMS, Bibinagar, the best and marvellous institute in teaching, patient care and research.
