

Foundation Course Program – INCEPTA 2025 for B.Sc. (Hons.) Nursing 2025 Batch

The foundation course program – INCEPTA 2025 for the newly admitted B.Sc. (Hons.) Nursing students at AIIMS Bibinagar was conducted from 11 to 16 August 2025, comprising a series of interactive and enriching sessions aimed at academic orientation, professional development, and holistic growth. Day 1 began with an ice-breaking session, “Stepping in: From Strangers to Friends,” followed by lectures on the scope of nursing, orientation to AIIMS Bibinagar, and the values of the nursing profession. Day 2 focused on the academic calendar, B.Sc. Nursing subjects, hostel and library orientation, hospital facilities, and anti-ragging policies, highlighting the institute’s zero tolerance stance, along with the mentor-mentee program to ensure student support. On Day 3, sessions on conflict management and exposure to sports and cultural opportunities emphasized balance between academics and extracurricular activities. Day 4 featured time management, stress reduction, and digital detox sessions, practical training in Basic Life Support (BLS), and communication skills in Telugu to enhance patient interactions. The program concluded on Day 5 with sessions on bedside manners, compassion, therapeutic communication, and critical thinking, strengthening readiness for academic and clinical responsibilities. The valedictory function, graced by Prof. (Dr.) Ahanthnem Santa Singh, Executive Director, AIIMS Bibinagar and other senior officials and faculty, reinforced teamwork, professionalism, and compassionate care. The Foundation Course – INCEPTA 2025 effectively oriented the new B.Sc. (Hons.) Nursing students, with pre- and post-test evaluations showing marked improvement in knowledge and readiness for their nursing journey.
