

International Plastic Bag Free Day- 3rd July 2020

GO GREEN, SAY NO TO PLASTIC.

International Plastic Bag Free Day is dedicated to heightening awareness about these and very real and pressing issues brought about by this most popular of disposable carrying devices. In order to give a message of being clean(stop using plastic) and go green, under the aegis of Director Vikas Bhatia, AIIMS Bibinagar 300 plants and pots were prepared, today in AIIMS campus. Dr Bhatia also encourages using Metal or Glass bottles rather than using plastic bottles for drinking water. Not to have single use plastics in day to day life. By this initiative, Director sir had given the message of living life cleaner by making earth greener. Adopt climate friendly practices in our lives for a healthier world. Green campus campaign is the flagship plan for the Newly developed AIIMS Bibinagar Hyderabad campus.
