

भारत सरकार

GOVERNMENT OF INDIA

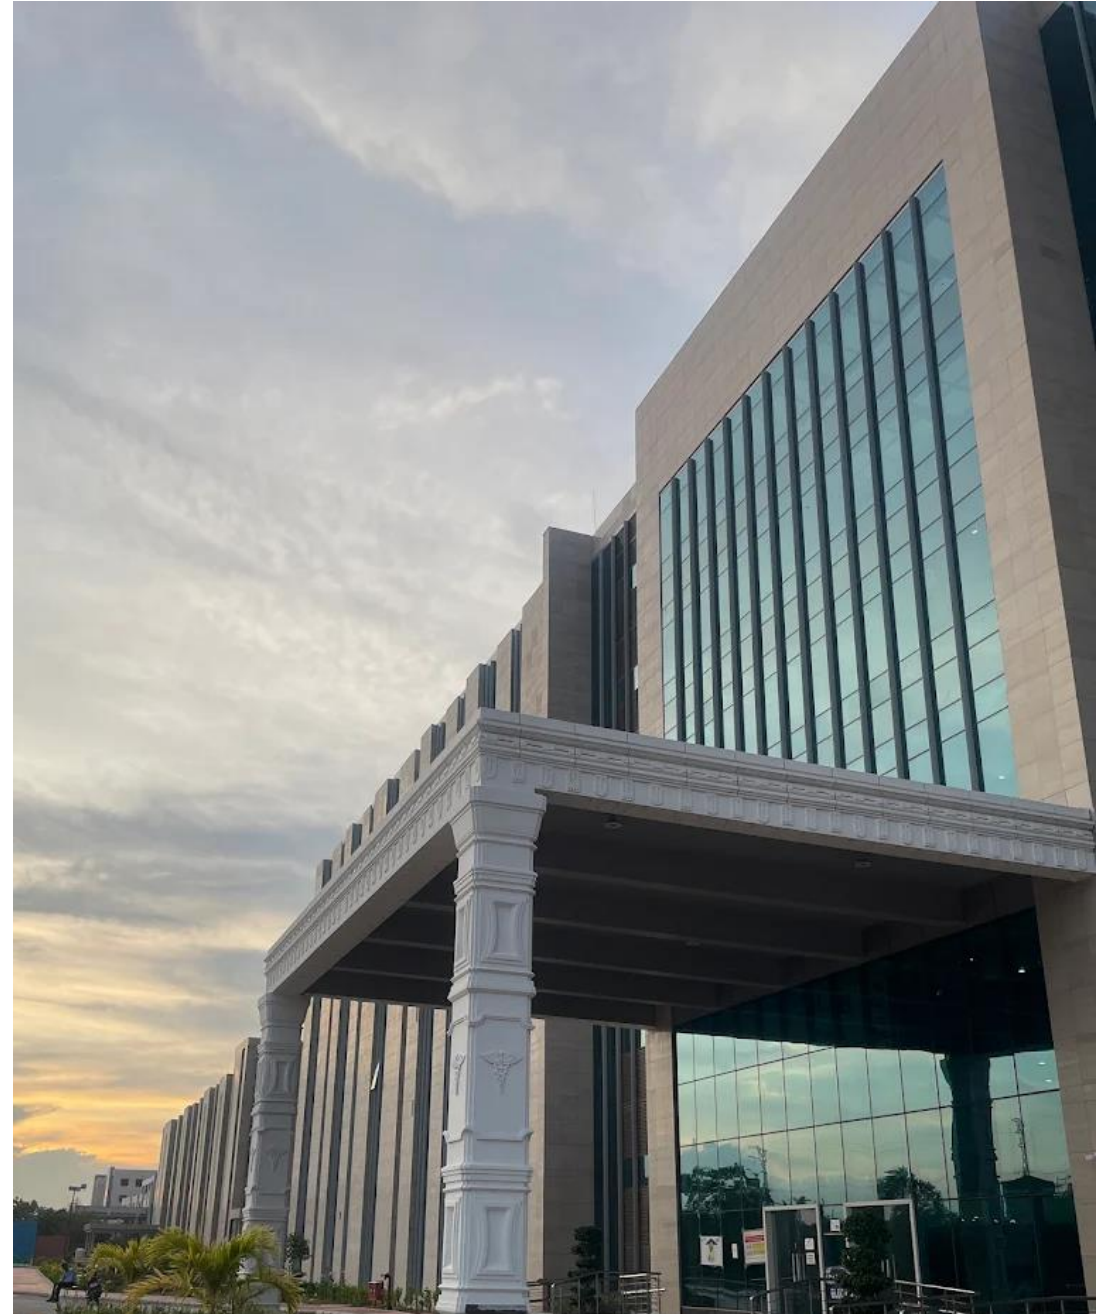

सत्यमेव जयते

स्वास्थ्य एवं परिवार कल्याण मंत्रालय

MINISTRY OF HEALTH & FAMILY WELFARE

स्वास्थ्य एवं परिवार कल्याण विभाग

DEPARTMENT OF HEALTH & FAMILY WELFARE

The Beginning

- Initially set up as a peripheral centre of Nizam's Institute of Medical Sciences (by state government)
- Partly constructed building, with about 15-20% being used for an OPD
- Union cabinet approved setting up of AIIMS Bibinagar under PMSSY
- MoU between Govt. of Telangana and MoHFW, GoI
February 9, 2019
- Thereafter, the state allotted additional land
- HITES was appointed as the executing agency
(started in **June 2022**; Rs 1110.55 crores)
- PM shri Narendra Modi Ji laid the foundation stone on
April 8, 2023

Vision statement

To emerge as a leading **global healthcare institution**
providing **quality medical treatment** in diverse fields,
conducting **high-quality and relevant scientific research** and
fostering **training to healthcare students** that inculcates **ethical and moral values**.

Faculty (131 members)

Senior Residents 101

Students

Number of seats

MBBS	100
Nursing	60

MD/MS courses

In 24 disciplines with 3-5 seats per year each for the last 4 years

DM (Neurology)	2
DM (Neonatology)	2
DM (Pediatric Intensive Care)	2
DM (Global Health)	2
MCh (Pediatric Surgery)	2

MSc Nursing

- Medical Surgical Nursing
- Paediatric Nursing
- Psychiatric Nursing
- Community Health Nursing
- Oncological Nursing

Allied Health

Course	Number
BSc Medical Laboratory Technology	10
BSc Medical Radiation	10
BSc OT Technology	10
BSc Optometry	10
BSc ECG and Echocardiography	5
BSc Hospital Administration	5
Diploma in Transfusion Technology	5

ICMR-sponsored Faculty-PhD program (MOU signed in 2026 and first round applications sent)

Current student strength

Course	Number
MBBS	497
MD/MDS	161
DM/MCh	13
BSc Nursing	142
MSc Nursing	17
Allied Health Sciences	72
Total	902

Research

From a humble start to a functioning research ecosystem

Research: aligned with national priorities

Research facilities

ICMR funded Medical research unit: 5 Cr
Research Project Funded under MRU: 7
Workshops for capacity building: 5

BSL-3 facility funded by PM-ABHIM project [14.5 Cr]

- To improve readiness for epidemics and serve as a nodal center
- Better surveillance for infections
- Should be ready by end of this year

Collaborative projects

Central Council For Research In Yoga And Naturopathy

Clinical trial unit sanctioned

Projects to scientifically evaluate yoga

Plan : to set up interdisciplinary research labs in Ayush Building

CCAHT: Collaborative Centre for Assistive Health Technology

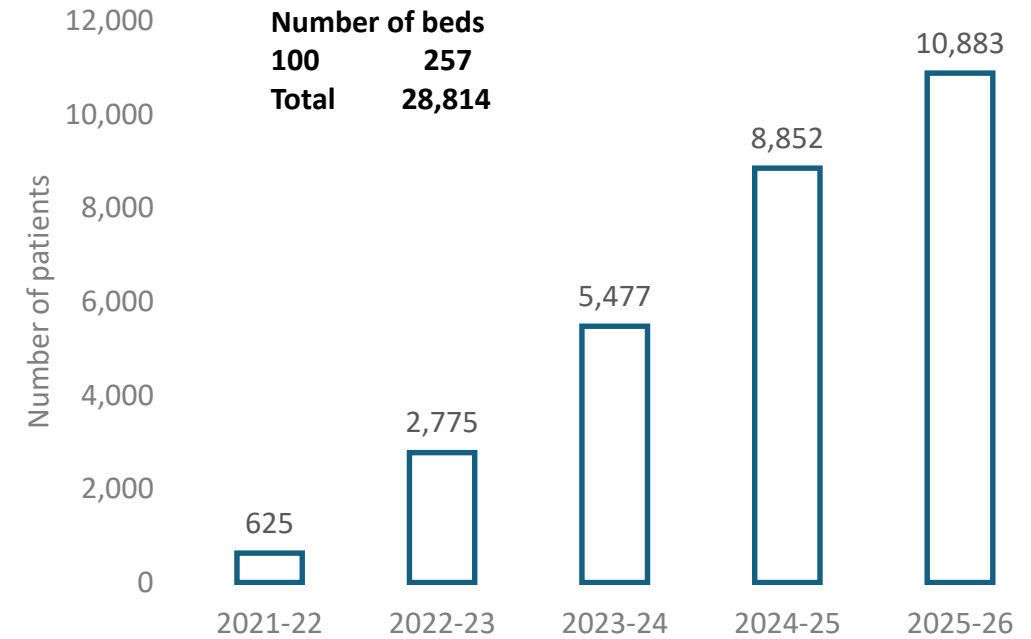

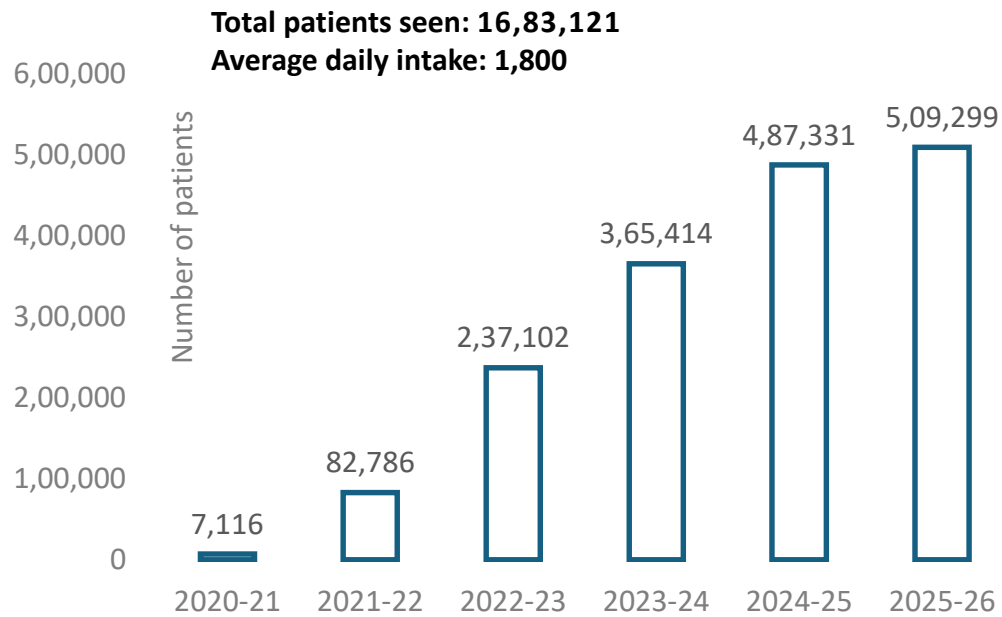

One Health: ICMR-VRDL, DHR-BSL3, NCDC-RCOH, ICAR-AINP

Partners in
Pan-AIIMS consortium

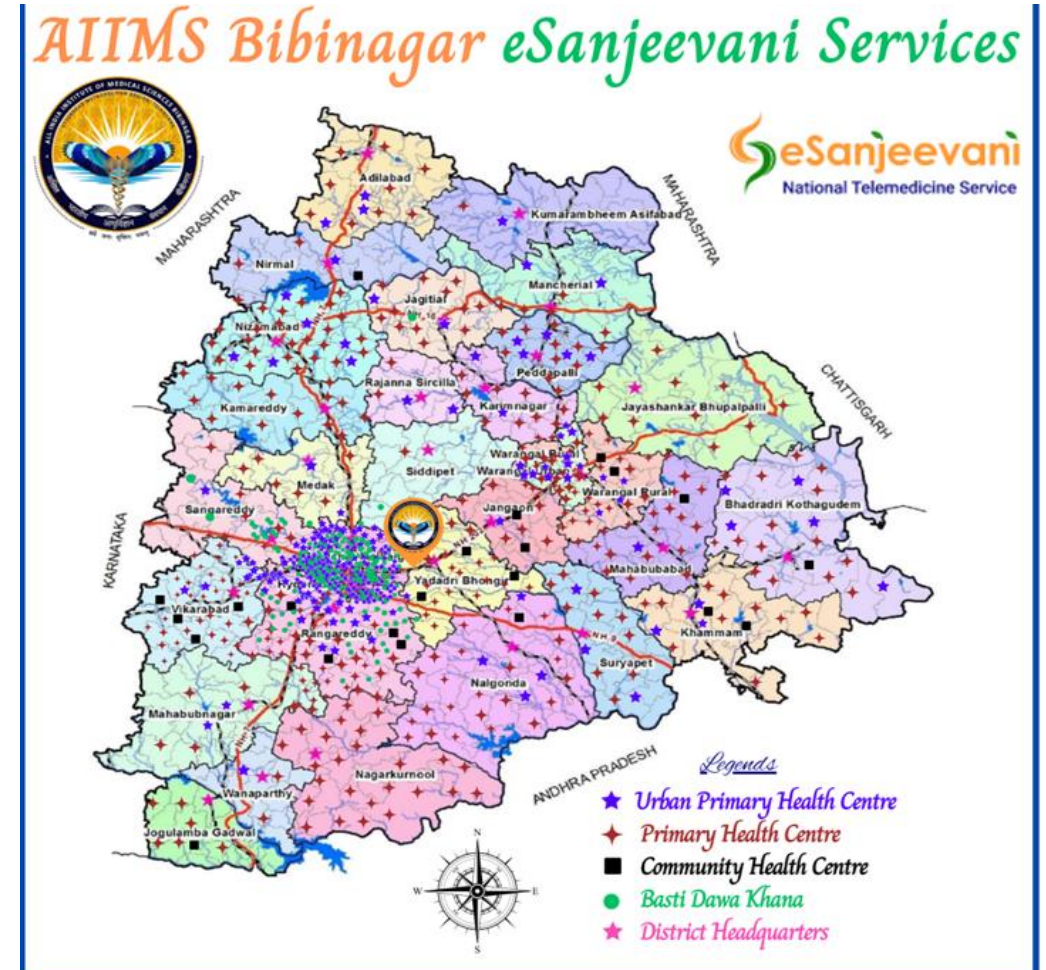

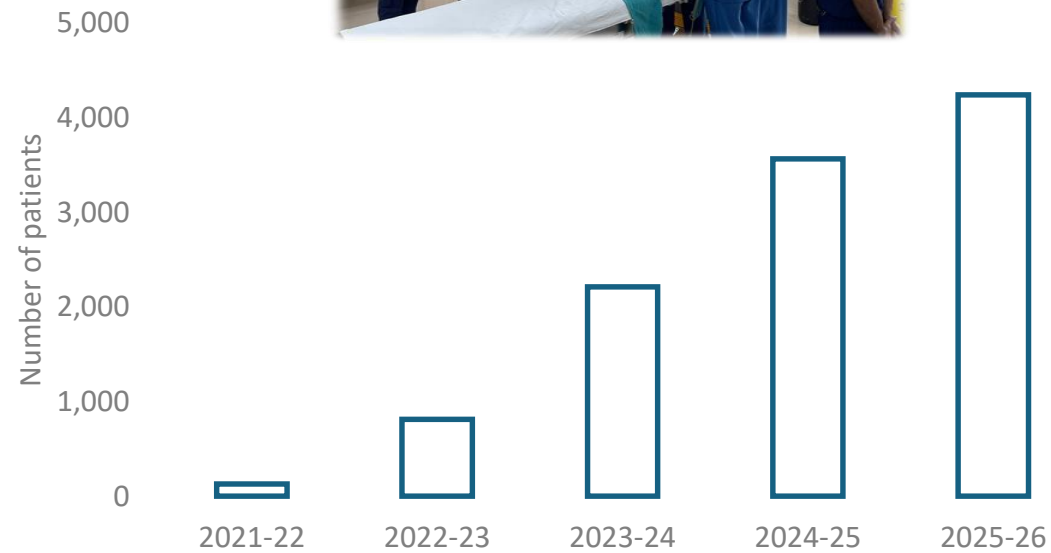

Patient care

Patient care

OTs: 4

Total E-Sanjeevni consult done so far 1,53,408

Hospital Data: Lab & Diagnostics

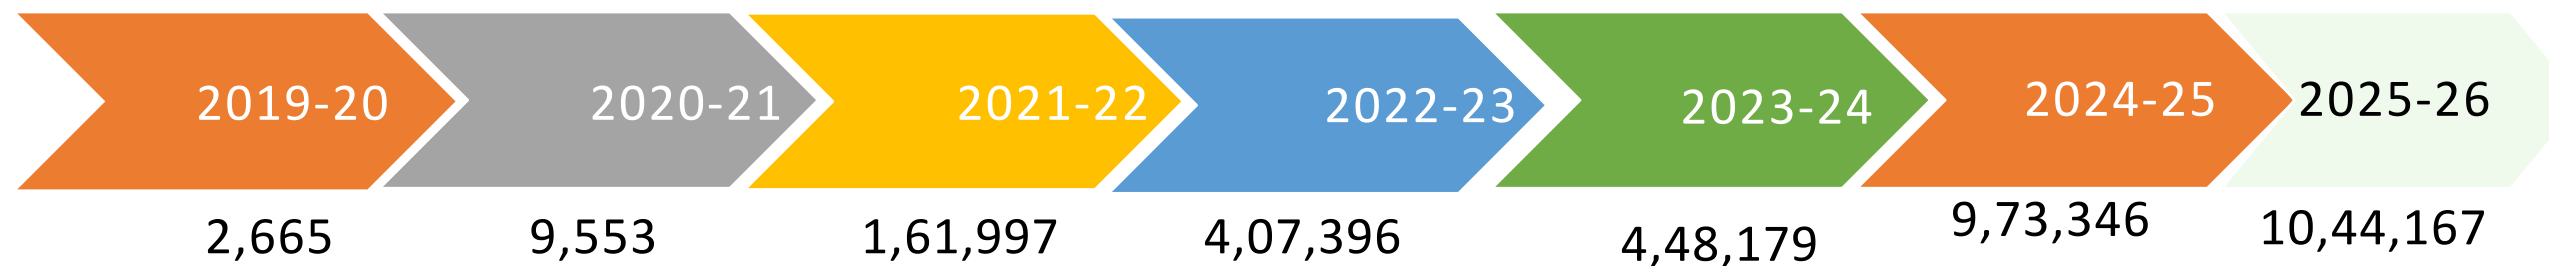

Integrated with HMIS: for fast turnaround time

Major equipment being installed or recently installed

Cath Lab
Linear accelerator
CT simulator
Radiofrequency Ablator
rTMS

Community programs

Mobile Medical Units

Adopted six villages

Conducted 435 health camps

Rural and urban health centers

Operational from 27 April 2026

43 Broadcasting sessions completed

Challenge: completion of Buildings

Land: 201 acres
750-bed hospital
Approx 85% construction work completed
Retrofitting of old buildings
