

AIIMS Bibinagar celebrates Doctor's Day

(Ek Shaam Doctors ke Naam) by conducting CME on 'Patient Safety'

Ek shaam doctors ke naam- The evening started with a CME which included a panel discussion on “Patient safety”. Dr Kalyani , Additional Prof. (Anaesthesiology), Dr Lakshmi Jyothi, Additional Professor (Microbiology) , Dr. Pragnesh Parmar, Additional Professor (Forensic Medicine and Toxicology) were the panellists and Dr Vishakha Jain, Assistant Professor (Medicine) was Moderator . Various aspects of patient safety including medication errors , surgical errors , errors in laboratory reporting and documentation errors etc were discussed. Dr. Neeraj Agarwal, Medical Superintendent highlighted the importance of SOPs and checklists in the context.

Executive Director, Dr. Vikas Bhatia shared his rich global experience of how gaps in communication lead to some avoidable errors in realm of patient safety and emphasised on maintaining not only good doctor - patient communication channels but also amongst health care teams.

A talk on Meta-analysis by Dr Rajendra Prasad, Assistant Professor (Paediatrics) concluded the academic feast.

The rest of the evening was filled with fun and laughter.
