

CME on Stroke Rehabilitation at AIIMS Bibinagar,

Under the guidance of our respected Director, Prof. Amita Aggarwal, Dean Prof. Nitin John, and MS, Prof. Maheshwar Lakkireddy, the Department of Physical Medicine & Rehabilitation conducted a CME on Stroke Rehabilitation at AIIMS Bibinagar, coinciding with the International Day for Persons with Disabilities (PwD). The scientific programme featured distinguished speakers who delivered insightful sessions on key aspects of stroke care and rehabilitation. On this occasion, our department also had the honour of providing the first below-knee prosthesis to a transtibial amputee, symbolizing our commitment to empowering persons with disabilities and advancing comprehensive rehabilitation services at our institute.
