

AIIMS, Bibinagar conducted Workshop on Data analysis using Stata

A four-day workshop on 'Data analysis using Stata' was conducted by the Department of Community Medicine and Family Medicine (CMFM), AIIMS Bibinagar, Hyderabad, in collaboration with the International Union Against Tuberculosis and Lung Disease (The Union) from 28th September to 1st October. Inaugurated on 28-09-2022 by the chief guest, Prof. Dr. Vikas Bhatia, Executive Director, who highlighted the mission to be achieved as per the motto, Jai Vigyan and Jai Anushandhan by the researchers.

Twenty-six delegates from eight institutions participated in the workshop. Dr. Palanivel C (JIPMER, Pondicherry), Dr. Kalaiselvi S, (AIIMS, Nagpur), Dr. Pruthu Thekkur (The Union), and Dr. Divya Nair (The Union) were present as external resource persons.

The concepts of statistics, types of variables, summary and inferential statistics using Stata software were addressed before hands-on training in correlation, regression, and diagnostic tests was given.
