

Department of Radio diagnosis, AIIMS Bibinagar organized a two-day CME and hands-on cadaveric workshop on Point-of-Care Ultrasound (POCUS)

Under the aegis of Prof. (Dr) Ahanthem Santa Singh, Executive Director, the Department of Radiodiagnosis, AIIMS Bibinagar organized a two-day CME and hands-on cadaveric workshop on Point-of-Care Ultrasound (POCUS) commemorating its 5th Foundation Day on July 18–19, 2025. The programme was inaugurated in the presence of Prof. (Dr) Nitin Ashok John, Dean of Academics and Prof. (Dr) Abhishek Arora, HoD, Radiodiagnosis & Medical Superintendent. The academic sessions were conducted by renown faculty from the parent Institute as well as other INIs and reputed institutes. The academic sessions focussed on essential skills such as airway, lung, and abdominal evaluation by POCUS. The hands-on cadaveric workshop and training sessions dealt with multiple regional nerve blocks. The event witnessed participation from over 120 interdisciplinary delegates including radiologists, emergency physicians, anesthesiologists, general surgeons, and critical care specialists. Notably, this was the first two-day CME held at AIIMS Bibinagar, supported by the District Collector's Office, with 14 ultrasound machines mobilized for the workshop.
