

Faculty Development Programme on Innovative Teaching, Assessment & Evaluation and Qualitative Research – 8–10 July 2026

The College of Nursing, AIIMS Bibinagar, successfully organized a three-day Faculty Development Programme (FDP) from 8–10 July 2026 on the theme "Innovative Teaching, Assessment & Evaluation" and "Qualitative Research". The programme brought together faculty members, Senior Nursing Officers and Nursing Officers to enhance their competencies in contemporary teaching-learning strategies, assessment and evaluation practices, and qualitative research methodologies. The FDP was organized under the guidance of Prof. Dr. Amita Aggarwal, Executive Director, AIIMS Bibinagar, and Prof. (Dr.) Latha T, Principal, College of Nursing, Chief Nursing Officer, AIIMS Bibinagar. The programme was accredited with 10 credit hours by the Telangana Nurses and Midwives Council. Prof. Rafath Razia, Dean (Academics), Anurag University graced the occasion as the observer from the Telangana Nursing Council. Eminent experts from various academic departments of AIIMS Bibinagar conducted interactive sessions on principles of assessment and evaluation, blueprint preparation, active clinical learning, structured practical assessment, artificial intelligence in academics, gamification, innovative teaching methodologies, and qualitative research. The programme included hands-on training sessions that promoted evidence-based educational practices and strengthened participants' teaching and research competencies. A total of 30 delegates successfully completed the workshop and highly appreciated its practical, interactive approach and its significant contribution towards advancing excellence in nursing education and research. The programme was coordinated by Mr. Azhar S. M., Assistant Professor, College of Nursing, AIIMS Bibinagar, along with the organizing team comprising Mr. Guru P., Tutor; Mrs. Maggie Peter, Tutor; and Mrs. Lakshasarah, Tutor, College of Nursing, AIIMS Bibinagar, whose dedicated efforts ensured the successful conduct of the workshop.
