

Official newsletter of the Institute, Med Communique released by

Hon'ble Chief Guest, Dr. Smt. Bharati Pravin Pawar

The official newsletter of the Institute Med Communique was released by the Honourable chief guest, Dr. Smt. Bharati Pravin Pawar on 10th September 2022. She was pleased with the content of the edition, which focused on the academic achievements, research acumen as well as other collaborations in the Institute. She has focused on state-of-the-art infrastructure and lab, therapeutic and equipment, on newer technologies to develop world class facility at AIIMS Bibinagar. She urges the faculty members to perform high quality research and to publish their research in high quality Journal of global standards having high impact factor to make the scientist community of the world about Indian brains She highlighted the noble intentions of our Prime Minister Shri Narendra Modi ji, who envisioned a healthy India with accessible and affordable health care for one and all. The Pandemic strife saw the emergence of a new India, where all our capabilities and efforts collated to deliver world class health care services. She emphasizes about the 214 cr Covid vaccination in India to save the life of billions of the people Hon'ble chief guest was felicitated with a shawl and memento. The Institute's booklets- the Invictus (Students literary magazine), Operation Swasthya (Operation details in hospital) and Anusandhan (Research magazine) were presented to her and share the document and reports on progress made in academics research and patient care, three pillars of AIIMS
