

## Neurocraft- Model Making Competition

Department of Anatomy, AIIMS Bibinagar conducted "Neurocraft" - Model Making Competition for First MBBS students on 29th July. A total of 10 teams with 10 students each created beautiful and interesting models from different topics of Neuroanatomy depicting normal and clinical anatomy of brain and spinal cord. The talent was judged by experts from Physiology, Radiology and Medicine. The winners were accredited by the Chief Guest of the function and Executive Director, Prof. Dr. Vikas Bhatia. The judges Dr Annapurna , Dr Madhuri and Dr Vishaka graced the event by their presence and knowledge sharing.
