

Virtual National Conference on 'Optimizing the Rates of Caesarean Sections' held at AIIMS Bibinagar.

Under the aegis of Executive Director, Prof. (Dr.) Vikas Bhatia and able guidance of Dean Prof. (Dr.) Rahul Narang and Medical Superintendent Prof. (Dr.) Neeraj Aggarwal, the Department of Obstetrics and Gynecology organised their first National Conference 'Optimizing the rates of Caesarean Sections' on 14th and 15th December 2021. Around 500 delegates from all over the country registered for the conference and benefitted from it. The Chief Guests were stalwarts Prof. Dr. P.C. Mahapatra and Prof. Dr. S. Shantha Kumari. Eminent speakers from all over the country expressed concern regarding the rising rates of Caesarean section and discussed ways and means to optimize these rates for the benefit of both the mother and baby. Debates on controversial topics like caesarean on demand, instrumental vaginal delivery and vaginal birth after caesarean section, were appreciated by the delegates.
