

## **AIIMS Bibinagar Commemorates Teacher's Day with a Mentor-Mentee Plantation Drive**

Commemorating Teacher's Day, AIIMS Bibinagar organized a plantation drive on 6th September 2021. Mentors and students planted saplings together on the campus and named them with a vow to take care of it together.

The program was inaugurated by the additional District Collector, Local bodies of Yadadri Shri. Deepak Tiwari, in the esteemed presence of Honorable Executive Director Dr Vikas Bhatia, Dean Dr Rahul Narang, Medical Superintendent Dr Neeraj Agarwal, all faculty and medical students.

The unique idea was the brainchild of Dr Vikas Bhatia. The Climate Change Committee and Green Campus Committee, along with Eco Club, organized the plantation drive.

Dr Bhatia's dream of making AIIMS Bibinagar the greenest among all AIIMS, the realization of AIIMS Vatika, the Peacock garden, Rainbow Park, Herbal garden and this plantation drive depicts the love and importance to environment and nature that the AIIMS family shares.

The chief guest Shri Tiwari spoke on the importance of green campuses, climate change and how a teacher can mentor the student to be environmentally friendly.

A student member of Eco Club, Ms Dhanalakshmi, spoke on the ongoing environmental restoration activities and future plans of the Club. Shri Tiwari planted a sapling in AIIMS Vatika with Dr Bhatia.

All students and faculty planted saplings together near the temple on the campus.
