

"Yes You Can"- Pow Wow- A motivational Webinar by Department of Anatomy AIIMS, Bibinagar, Hyderabad

The COVID-19 pandemic has fundamentally transformed education at all levels - from preschool to postgraduate. The pandemic has had a substantial impact on medical education across the world. One of the most significant impacts of COVID-19 on medical students was that the medical schools were closed and they have to attend all lectures from home. The pandemic has marked a break to the normal day to day life. All these have adversely affected the minds of student population over and above the difficulties from the unprecedented methods of learning.

Department of Anatomy, AIIMS Bibinagar under the leadership of Dr. Mrudula Chandraputla, organized a pow- wow for all medical students on 11th June 2021 with invited speakers Dr. Bheemsain Thekkalaki, Department of Psychiatry, JNMC Belgavi who pointed out some very interesting tips to build resilience and coping skills in tough times and Dr. B Sivaprasad, motivational speaker cum career coach who inspired the students, by sharing simple real life success stories to act in spite of fear, to stand in power and to gear up for greater success. Dean Dr. Neeraj Agrawal addressed the students and advised them to cultivate a positive mindset in this challenging environment.

Deputy Director Administrations, Col. S P Anantrao in his address directed the students that keeping faith and confidence in themselves is the first step in facing hurdles and in achieving goals.

The Executive Director, AIIMS Bibinagar, Dr. Vikas Bhatia gave the young warriors a brief review of the unstoppable journey of their family, AIIMS Bibinagar despite the adversities posed by the pandemic. Faculty of various departments of **Aiims Bibinagar** also participated in the “pow wow”.
