

Capacity Building Program on Cervical & Breast Cancer Care for Nurses

Launch of Capacity Building Program on Cervical & Breast Cancer Care for Nurses! The College of Nursing, AIIMS Bibinagar, in collaboration with ECHO India, launched the Tele-Mentoring Capacity Building Program on Cervical and Breast Cancer Diagnosis and Care for Nursing Professionals on 30th October 2025. Prof. (Dr.) Amita Aggarwal, Executive Director, AIIMS Bibinagar, Dr. Nitin John, Dean (Academics) Prof (Dr) Latha T, Principal College of Nursing, Sandeep Bhalla, Vice President, ECHO India, Mr. Saikumar Chintareddy, Vice President, CSR, OPTUM Global Solution India Pvt Ltd and Mr. Nitin Kashyap Associate Program Manager, CSR OPTUM Global Solution India Pvt Ltd graced the event. This 14-week digital learning initiative aims to empower nurses in early diagnosis, screening, and management of cervical and breast cancers. Over 300 nursing officers and faculty from Telangana and across India will benefit from this collaborative program. The first session on Introduction to Breast Cancer was delivered by Prof. (Dr.) Subbaiah Shanmugam, Vice President, Indian Society of Surgical Oncology. Together, we move closer to strengthening cancer care through nursing excellence and digital innovation.
