

Student Interaction with NMC experts

Dr Aruna Vanikar, President, UG Medical Education Board, National Medical Commission and Dr Vijayendra Kumar, whole-time member, UG Medical Education Board, National Medical Commission, were warmly welcomed by honourable Executive Director, Dr Vikas Bhatia, to AIIMS Bibinagar on 15th July 2022.

The experts conducted a student interaction program where they discussed NEXT, assessment methods in medical education and future scopes of the medical field. The program also involved AIIMS Bibinagar faculty members- Dr Neeraj Agarwal, Medical Superintendent. Dr Nitin John, Officiating Dean, Dr Pragadesh Parmar, HOD, Forensic Medicine and Toxicology and Dr Gunvanti Rathod, Associate Dean(Academic).

Dr Aruna Vanikar mam further elaborated upon matters related to the current curriculum of MBBS, leadership in medical education and the importance of self-care for a medical graduate. She emphasized that a healthy mind with a healthy body can generate a healthy nation, for which she encouraged the practice of yoga, meditation, and regular exercise. The student participants received the program well, motivated by the pearls of wisdom shared by all the dignitaries.
