

The Department of Pediatrics, successfully conducted a one-day Pediatric Trauma Resuscitation Module (PTRM) workshop

The Department of Pediatrics, All India Institute of Medical Sciences (AIIMS) Bibinagar, successfully conducted a one-day Pediatric Trauma Resuscitation Module (PTRM) workshop on 27th March 2026, as part of the pre-conference activities of IAP-PEMCON 2026 (National Assembly on Pediatric Emergency Medicine), Hyderabad. The workshop, conducted under the program directorship of Dr. Neha Thakur Rai, Professor Pediatrics, RML Institute of Medical Sciences, Lucknow, witnessed participation from around 40 delegates, including doctors and nurses from Hyderabad and surrounding regions. The event brought together senior national faculty, including experts from CMC Vellore - Dr. Debasis Das, and from Bengaluru - Dr. Chethan Ginigeri and Dr. Arvind Anand. The workshop was locally coordinated by Dr. Sibabratta Patnaik and Dr. Mounika Reddy. The program reflected a strong interdisciplinary collaboration, involving specialists from pediatrics, emergency medicine, surgery, and orthopedics, highlighting the team-based approach required in pediatric trauma care. The Director of AIIMS Bibinagar, Dr. Amita Agarwal, along with the Medical Superintendent Dr Maheshwar Lakkireddy, graced the occasion and emphasized the growing burden of trauma as a major cause of morbidity and mortality in children. They highlighted the critical differences between pediatric and adult trauma, the importance of the “golden hour” in improving outcomes, and the urgent need for structured training and awareness in pediatric trauma management. The PTRM workshop, developed with support from ICMR, NIHFW, and WHO-SEARO, focuses on evidence-based pediatric trauma care. The program included both didactic sessions and extensive hands-on skill stations, with particular emphasis on practical training in airway management, shock resuscitation, trauma evaluation, and point-of-care ultrasound. The workshop was well received by participants, underscoring the importance of simulation-based and skill-oriented training in improving preparedness for managing pediatric trauma emergencies. In another achievement, senior residents from the Department of Pediatrics, AIIMS Bibinagar, Dr. Ananya Shriyam and Dr. Chethan N., won the quiz conducted at the IAP-PEMCON 2026 conference held in Hyderabad on 29th March 2026, bringing laurels to the institute.
