AIIMS Bibinagar Hyderabad conducts free Health Camp and Hands on Training in CPR

A Health camp was conducted by the Department of Anaesthesiology, AIIMS Bibinagar at District Court Building, Bhongir, Yadadri Bhuvanagiri District on 15th April 2023.

With the aim of educating the Court staff on Cardio Pulmonary Resuscitation (CPR) over 100 participants were trained hands-on to perform CPR, using mannequins.

A health check-up by specialists from various departments for over 150 participants followed, which also included advice regarding dietary modification, and lifestyle changes to improve the holistic health status of the individual and community.
