

Vigilance Awareness Week 2026 | AIIMS Bibinagar

As part of Vigilance Awareness Week 2026, observed under the theme “Probity for Prosperity” (सत्यनिष्ठा से समृद्धि), an awareness session on IT & Cyber Security was organised at AIIMS Bibinagar on 23 October 2026.

The session featured Dr. Sanjay Kumar Sharma, Director, Computer Centre & Campus Network Facility, University of Hyderabad, as the Chief Guest and Key Speaker. He shared valuable insights into cyber security, Aadhaar safety, mobile security, data privacy, WhatsApp security, and safe digital practices.

Executive Director, Prof. Dr. Amita Aggarwal, emphasised the importance of cyber security in preventing digital fraud, protecting sensitive institutional data, and staying vigilant against cybercrime. She highlighted the importance of awareness and preventive measures in ensuring digital safety.

The session reinforced the message that cyber security is a shared responsibility and that vigilance, awareness, and responsible digital practices are essential to safeguarding personal and institutional information.

Together, let us build a safer digital environment through awareness, integrity, and vigilance!
