

Workshop on “Good Clinical Practice” Dated 12th August 2021

The Department of Pharmacology, in collaboration with the Institutional Ethics Committee, AIIMS Bibinagar, Hyderabad, organized the Workshop on ‘Good Clinical Practice’ on 12th August 2021. The Chief Guest for the program was the Executive Director Prof. (Dr.) Vikas Bhatia and the Guests of Honour were Dean Prof. (Dr.) Rahul Narang, Medical Superintendent Prof. (Dr.) Neeraj Agarwal, and IEC Chairperson Dr G. Suryanarayana Raju.

In his keynote address, Dr Bhatia stressed the importance of collaborative research with other Institutes of National Importance, publications in robust journals, and developing noteworthy innovations.

Dr Narang introduced the speakers and commended the organizing team for inviting well-known experts to the Workshop. Dr Agarwal emphasized the role of the Institutional Ethics Committee in the conduct of biomedical research and acknowledged the interest shown by the participants. The IEC Chairperson Dr Madhavi spoke about the importance of Good Clinical Practice in clinical research.

There were over 60 participants who had attended the program.
