

Department of Dermatology, AIIMS Bibinagar observes

World Skin Health Day

"World Skin health day" was observed on April 6th by the department of Dermatology in AIIMS BBnagar Hyderabad . As a part of this, we conducted a health camp in Koyalgudem along with CFM department, distributed free medicines to our OPD patients, Educational videos about skin care, myths of vitiligo, leprosy, steroid abuse were displayed. Thank you Director sir and MS sir for giving permission to conduct the program.
