

**The Department of Forensic Medicine and Toxicology at AIIMS Bibinagar has organized a workshop on virtual autopsy on 17th February 2023.**

The organising chairman, Dr. Pragnesh Parmar introduced virtual autopsy as a non-invasive technique of performing postmortem examination. Guest speaker from United Kingdom demonstrated and gave delegates a live hands-on experience of virtual dissection table. Executive Director, Dr. Vikas Bhatia highlighted that virtual autopsy is the future of Forensic medicine and a virtopsy center would be setup at AIIMS Bibinagar soon.
