MESSAGE

I am delighted to learn that the All India Institute of Medical Sciences (AIIMS), Bibinagar, Hyderabad, is releasing the second issue of Med Communique 2022, the institute's official newsletter.

As I believe that young minds are reservoirs of talent, knowledge, creativity, and imagination, I am hopeful that this newsletter will provide the excellent platform for today's youth to produce and publicise their literary and writing abilities.

Innovative concepts, imagination, creativeness, and novelty are necessary qualities for breaking through the monotony and rhetoric and developing new technologies and systems to help in the alleviation of human maladies.

These characteristics, combined with passion, are even more important in the field of medicine, which demands better healthcare systems to counter ongoing challenges thrown at us by the pandemics.

I wish you all the best in your noble medical profession of serving humanity as doctors.

Dr. (Smt.) TAMILISAI Soundararajan

Shri Bandaru Dattatreya

Honorable Governor of Haryana

MESSAGE

I am delighted to know that All India Institute of Medical Sciences (AIIMS), Bibinagar, Hyderabad, is going to release the second issue of its official newsletter Med Communiqué-2022. The newsletter is of paramount importance as it brings forth multifacetedness of the institute for the benefit of not only its students and faculty members but also society at large. A newsletter like Med Communiqué-2022 contains a lot of useful information about health and various services being offered to the people by a medical institution as prestigious as AIIMS, Bibinagar.

It is a matter of pride that AIIMS, Bibinagar is making affordable and reliable quality tertiary healthcare services to the people of Telangana by constantly augmenting the existing facilities. As an Institute of National Importance, AIIMS, Bibinagar is fast emerging as a leading global healthcare institute, committed to offering a quality medical education in diversified fields, scientific research opportunities and foster health care training to students inculcating in them ethical and moral values for sustainable community development:

There is no denying the fact quality, affordable and ethical healthcare has a great role to play in improving people's ease of life and AIIMS, Bibinagar is making every possible effort to be a hub of readily accessible and cost effective healthcare in the region. Emphasis should also be laid on prevention of minor health issues assuming a critical proportion. Regular health check-up and awareness camps are very important to ensure that the majority of health issues are taken care of at primary and secondary level.

I shall be personally very happy if students and faculty members of AIIMS, Bibinagar make some concerted efforts in making local communities aware of how to save themselves from non-communicable diseases (NCDs) arising out of poor lifestyle, bad dietary habits, and communicable diseases. Covid-19 has taught us like anything the significance of staying fit and fine to combat the menace of a pandemic.

Congratulations and my best wishes to students, faculty members and other staff of AIIMS, Bibinagar for their efforts in bringing out the 2nd edition of Med Communiqué!

Wish you all great success!

Shri Bandaru Dattatreya

Prof. (Dr). George A. D'Souza

President
AIIMS Bibinagar

MESSAGE

AIIMS Bibinagar is probably one of the fastest growing AIIMS in the country. It has made rapid strides in academics, clinical and laboratory services, and research. It has in a short time developed important collaborations with National & International institutions. It is poised to be one of the best medical institutions in the region and the country. The second issue of 'Med Communique' the official news letter of the institute will help it to reflect on its achievements and progress over the last 1 year and plan for the next.

The past couple of years showed the institute's ability to quickly adapt to help the local community and the country at large in combating the pandemic successfully. The AIIMS Bibinagar faculty and staff showcased what it can do during a medical emergency of such great magnitude. To the credit of the Director, the faculty, and the staff, it did not prevent it from continuing its march to become one of the top medical institutes.

The "Med Communique" is the institutes' means to communicate with one another what the individual units are doing. It is also a means to showcase to the world at large it's accomplishments, plans and aspirations so that the larger community joins hands with the institute to make it an institution of excellence providing the best in medical education, medical care, and research so as to provide the best in medical care to our brethren.

I congratulate the Director, Faculty, staff, and students of AIIMS Bibinagar on continuing their march to being an institute of excellence and providing the best in medical care for those in need in the region.

President
AIIMS Bibinagar

Prof. (Dr.) Vikas Bhatia

Executive Director and CEO
AIIMS, Bibinagar

MESSAGE

It gives me great pleasure to see the release of the 2nd edition of Med Communique. I am proud of the progress made by our Institute in the past one year. The Institute has taken strides in various fields - both academic as well as patient care.

Many pre and paraclinical departments have started MD/MS courses and 12 MD/MS residents have been added to our family. Many clinical departments will start with their MD/MS courses in July/August 2022. The number of MBBS seats has been enhanced to a hundred this year and it was heartening to see AIIMS Bibinagar was in the students' priority list like other established AIIMS.

The range of OPD and IPD services has increased and we are able to provide health care services to many patients from adjacent districts. Starting of operations and ICU services was a landmark for the Institute.

Our Faculty show great enthusiasm for research activities reflected through intramural and extramural projects funded by various reputed organizations. They have set an example by action for the students to follow. This is reflected in the number of STS projects submitted by our under graduates. We feel it is very important to nurture and shape these young minds.

Apart from these, sports, cultural activities and regular yoga classes aid in the overall development of our faculty and students. Community Out- reach programmes, health camps, and mobile medical unit are trying to reach the poor and underprivileged communities.

I am sure that we will unitedly continue to strive towards fulfilling our dreams and make our country proud.

All the best!

Prof. (Dr.) Rahul Narang

Dean (Academics), Prof. and Head
Department of Microbiology
AIIMS Bibinagar

MESSAGE

"Education is not the filling of a pot but the lighting of a fire." W.B.Yeats

We at AIIMS Bibinagar are trying to do just that. We are trying to kindle the fire of knowledge, curiosity, and benevolence in the minds of our students.

Through integrated teaching sessions, interactive monitored community exposure and technologically advanced simulators, we are trying to produce holistic and competent medical graduates.

The faculty in our Institute are encouraged to pursue research with inter disciplinary and inter institutional collaborations. Stepping out of the confines of their speciality, many faculty are trying to collaborate with engineering and technological institutes to develop software or gadgets which would make health care accessible to rural India.

Under the "One Health" program, we recognise the importance our environment has on our health and we are proud to be declared as Viral Research and Diagnostic Laboratory under 1CMR.

Our Institute is slowly expanding with increasing number of undergraduates, new faculty and post graduates joining us.

I hope that in years to come AIIMS Bibinagar becomes a premier hub for medical education and research.

Med Communique will be our voice and a record of our journey.

Looking towards a bright future...

Prof. (Dr.) Rahul Narang

Prof. (Dr.) Nitin Ashok John

Dean Examinations & Professor and
Head, Department of Physiology
Chief Editor, Med Communiqué

MESSAGE

It gives me immense pleasure to inform the release of the second issue of news letter: Med Communiqué of All India Institute of Medical Sciences, Bibinagar, Hyderabad. It's a privilege for the institute to have literary depiction of various activities and ongoing progress as a memory in form of pictures and write up in the newsletter. The editorial team of doctors; Dr Annapurna, Dr Prashant and Dr Alka along with me are greatly indebted to our Director Dr Vikas Bhatia who has been a constant source of inspiration and our guide in shaping up every issue of our news letter. Remembering the words of Alan Philips that "Great ideas have the power to shift perception to create value where it didn't exist before" so is this piece of the creativity as Med Communiqué depicting the principle and functional values of one of the best immerging medical institute of national importance of the country.

Our team shall be committed towards reflecting the greatest achievements of the institute in the prosperous and progressive journey of the institute towards achieving excellence in teaching, research and public health care delivery.

EMBRYON 2022

CME cum Workshop

Department of Anatomy conducted Embryon 2022 - CME cum Workshop on its Foundation Day. Department of Anatomy, AIIMS Bibinagar led by Dr Mrudula Chandrupatla observed, 'AVALOKAN', first foundation day celebrations, by conducting an online CME, Embryon 2022, on 27th Jan, 2022. The function was inaugurated by President of AIIMS Bibinagar, Prof. (Dr.) George D' Souza, Dean St Johns Medical College, Bangalore, our Executive Director Prof. (Dr.) Vikas Bhatia, and Dr Rima Dada, Professor at All India Institute of Medical Sciences, New Delhi. The program was graced by the presence of our Dean Academics Prof. (Dr.) Rahul Narang, M.S. Prof. (Dr.) Neeraj Agarwal, and Deputy Director Administration Col. S P Anantrao. Around 200 delegates attended the online CME. A virtual workshop on Fetal Autopsy was held and poster presentation competition with theme "Human Congenital Anomalies" was conducted for students.

Ethos of Behavioural Physiology - Continuum in Translational Research -

To mark the occasion of its First Foundation Day on 29th Jan 2022, the Department of Physiology, All India Institute of Medical Sciences (AIIMS), Bibinagar, Hyderabad conducted a online CME-cum-Workshop on "Ethos of Behavioural Physiology - Continuum in Translational Research". It was A bonanza of academic feast on Animal behaviour with world renowned guest faculty Dr. Laxmi T Rao, Neurophysiology, NIMHANS Bangalore and e-hands on training on Animal Experimentation and Techniques by world renowned scientist Dr. Praveen TK, JSS College of Pharmacy, Ooty. The day was added with a e-poster competition for medical students with lots of prizes for the winners. The Executive Director, Prof. (Dr.) Vikas Bhatia, Dean-Academics, Prof. (Dr.) Rahul Narang, Dean-Research Prof. (Dr.) Sangeetha Sampath and Col SP Anantrao Deputy Director Administration, graced the occasion and appreciated the effort taken & progress made by the department in teaching, research, establishing various labs and clinical services in a very short span of time.

Advances in MOLECULAR GENETICS & Primer Designing

CME and workshop on
“Advances in Molecular
Genetics and
Primer Designing”
Organized
by Department of Biochemistry,
AIIMS Bibinagar.
Department of Biochemistry,
AIIMS Bibinagar
celebrated its second
foundation day on 26th March
22 by organizing CME
and workshop on
“Advances in
Molecular Genetics
and Primer Designing”.

This was conducted under the aegis of Association of Medical Biochemists of India (AMBI), Telangana Chapter. Prof. (Dr.) Vikas Bhatia, Executive Director, AIIMS, Bibinagar explained how Advances in the fields of molecular biology and genetic engineering have revolutionized daily clinical practice in disease prevention, diagnosis, and treatment. Dr. D M Vasudevan, renowned Biochemist and Medical Teacher inspired the students and faculty with his talk on “Advances in Molecular Genetics”.

Dr. Ashwin Dalal, Head, Diagnostics Division, CDFD, Hyderabad lead all the participants through the “Genetic Code of Life”. Dr Rohit Saluja (Assistant Professor , Dept of Biochemistry AIIMS Bibinagar) and Dr Pavani Sowjanya (Researcher , Institute of Genetics , Hyderabad) have taken hands on training on Primer Designing.

COVID -19

IMMUNIZATION PROGRAM

Covid Vaccination For 15-18 Years Adolescents at AIIMS Bibinagar

Covid vaccination for 15-18 years adolescents was started at AIIMS Bibinagar on 3rd Jan, 2022 as announced by Honourable Prime Minister on 25 Dec, 2021.

For prevention and containment of COVID 19, not only is appropriate behaviour, wearing mask, maintaining social distance and hand hygiene essential but also COVID 19 vaccination. The introduction of COVID-19 vaccine is a major step towards reducing the spread of the pandemic and further reducing associated disease and deaths. The COVID-19 vaccination drive and roll out requires planning at various levels. The Ministry of Health and Family Welfare, Government of India has made every effort to ensure seamless delivery of COVID-19 Vaccine to the prioritized as well as general public.

COVID 19 vaccination drive at All India Institute of Medical Sciences (AIIMS) Bibinagar, Telangana was inaugurated by the Honourable Director of the Institute, Prof. (Dr.) Vikas Bhatia in the presence of MS Prof. (Dr.) Neeraj Agarwal, DDA Col. S. P. Anantrao, Additional MS Dr Kalyani, Nodal Officer Dr Govindrao, DIO Dr Paripunachari, all faculty members and staff on 21st January 2021.

In our institute we have successfully vaccinated all MBBS students. 1st dose was taken by 112 on 4th February 2021, 2nd dose was taken by 112 on 4th March 2021 and precautionary dose was given on 10th January 2022 for 63 students. With the support of MoHFW, Government of India, we are going to vaccinate all people those who have not taken and who are hesitant to take vaccine to achieve our goal "COVID free India".

COVID -19

Vaccination for 12-14 years age Group Children at

**AIIMS Bibinagar,
Hyderabad,Telangana**

As per the instructions of MOHFW, Government of India and under the guidance of Executive Director Prof (Dr.) Vikas Bhatia and Medical Superintendent. Prof (Dr.) Neeraj Agarwal, Covid 19 vaccination for adolescents between age group 12-14 years has been started at AIIMS Bibinagar from 16-3-2022. In presence of Medical Superintendent Dr Neeraj Agarwal, Additional Medical Superintendent Dr Kalyani and Nodal officer Covid 19 vaccination Dr Govindrao NK, today we have successfully vaccinated some school children between age group 12 -14 years at AIIMS Bibinagar COVID 19 vaccination centre under all COVID 19 precautions. We also created awareness among school children to come forward for vaccination and also spread message of COVID 19 vaccination in the community.

Honorable Governor of
Telangana and
Lt Governor of Puducherry,

Dr. Tamlisai Soundararajan

blesed the occasion of white
coat Ceremony in AIIMS Bibinagar

The White Coat Ceremony is a ritual of passage for first year medical students. During the ceremony, a white coat is placed on each student's shoulders and Charak Oath is recited, signifying their entrance into the medical profession. The day 12.03.2022 was eventful for AIIMS-Bibinagar as we were privileged to host Honourable Governor of Telangana and Honourable Lt Governor of Puducherry, Dr. Tamlisai Soundararajan. A warm welcome was given to her by the dignitaries ; Prof (Dr.) Neeraj Agarwal, Medical superintendent and officiating Executive Director, Prof (Dr.) Rahul Narang – Dean Academics, Mr Deepak Tiwari, Additional Collector (local bodies), Yadadri Bhuvanagiri District , Prof (Dr.) Sangeetha Sampath – Dean Research, and Prof (Dr.) Nitin Ashok John – Dean Examination, Mr Srinivas Reddy, Joint Collector Yadadri Bhuvanagiri District, Mr Bhoopal Reddy, Revenue Divisional Officer (RDO) Yadadri Bhuvanagiri district and other esteemed guests.

Dean Dr. Rahul Narang gave the welcome address and stressed on the progress till date. The officiating Executive Director, Dr. Neeraj Agarwal then gave the keynote address about the services AIIMS, Bibinagar has been rendering so far.

He highlighted the words of our visionary Director, Prof.Dr.Vikas Bhatia who has dedicated his life for the service of the Institution. He highlighted that we have 90 faculties, 204 MBBS in 3 batches, 119 nursing officers and 38 Senior residents.

Her excellency, Governor madam had shared words of wisdom, memories as a successful doctor and inspiring talks gave a boost to the freshers. She stressed on rural services and focused that patient care needs to be based on high standards of sincerity and integrity. She narrated few of her childhood experiences, how her mother was desperate to see her daughter wear the white coat with the stethoscope; which was fulfilled.

The white coat ceremony followed and then madam was felicitated with a memento and shawl. Madam visited the AIIMS Vatika for the plantation drive and the day ended with a positive note.

Virtual Symposium

On

Utilization of Generic Medicines in India: Where do we Stand?

The Department of Pharmacology, AIIMS Bibinagar, Hyderabad organized the Virtual Symposium on "Utilization of Generic medicines in India: where do we stand?" on 31st March 2022. The Chief Guest for the program was the Padma Shri Dr. Subrat Kumar Acharya President AIIMS Bhubaneswar, Guest of Honour was

Prof. (Dr.) Vikas Bhatia Executive Director and other dignitaries were Dean Prof. (Dr.) Rahul Narang and Medical Superintendent Prof. (Dr.) Neeraj Agarwal. The Chief Guest during his keynote address stressed about active participation of all stake holders including the physicians, patients, chemist / pharmacist industries and policy makers to work in coordinated manner to promote use of generic medicines. The Executive Director during his address enlightened on the Pradhan Mantri Bharatiya Janaushadhi Pariyojana (PMBJP) campaign & Janaushadhi Stores for the availability of quality generic medicines at affordable Prices. The Dean and Medical Superintendent wished the organizing committee for conducting the program under the theme of generic drugs which is the need of the hour. In her opening remarks, Dr. Madhavi, the Organizing Chairman briefed about the need of utilization of generic medicine among healthcare professionals and general public too. She also highlighted about reduction of out of pocket expenditure by utilizing generic medicines. There were more than 500 participants who had attended the program from all parts of the India and few from abroad

Inauguration of Advanced Immunoassay Facility at

AIIMS Bibinagar

An advanced immunoassay facility at Clinical Biochemistry lab at AIIMS Bibinagar was inaugurated by Dr Anupama Gotimukula President, American Association of Physicians of Indian Origin (AAPi), on 7th Jan 2022 . On this occasion, Prof. (Dr.) Vikas Bhatia, Executive Director and CEO of AIIMS Bibinagar, appreciated Dr. Anupama Gotimukula and AAPi for their contribution towards serving the people of Telangana state. He further lauded the efforts of Dr Sujeeth R Punnam, Chairman AAPi Covid Relief committee, for the quick and efficient procurement. The addition of this equipment will add a panel of more than 30 tests including special tests such as hormones, tumor markers, vitamins and other immunological tests.

Foundation Day Ceremony of Department of Pathology and Lab Medicine, AIIMS, Bibinagar, Hyderabad.

The Department of Pathology and Laboratory Medicine observed Foundation Day on 28.07.21 by inauguration of OPD hematology lab and gynecologic cytology services. The lab and academic department were inaugurated by the Chief Guest, Prof (Dr) Yogesh Chawla, Former Director, PGIMER, Chandigarh in the presence of Prof. (Dr.) Vikas Bhatia, Executive Director, AIIMS Bibinagar, Prof. (Dr.) Rahul Narang, Dean (Academics), Prof. (Dr.) Neeraj Agarwal, Medical Superintendent and Dr Shailaja Prabhala, Head of the department of Pathology and Lab Medicine. The dignitaries visited undergraduate laboratory rooms, histopathology and cytopathology sections, seminar room and the department's museum. Subsequently, Dr Shailaja Prabhala gave an overview of the department's activities following which a short video was presented emphasizing on the importance of Pathology and Lab Medicine as well as on the future aspirations of the department. The Chief Guest spoke about the importance of Pathology and its role in patient management. He also stressed on the importance of high-quality research and clinicopathological correlation. The Executive Director, Dr Vikas Bhatia shared his vision for developing AIIMS, Bibinagar as the best institute in the country. The ceremony was attended by all the faculty members from various departments of the institute. It concluded with the release of laboratory SOPs and manuals.

WORLD BREASTFEEDING WEEK 2021

Departments of Pediatrics, Obstetrics & Gynecology, and Community & Family Medicine at All India Institute of Medical Sciences, Bibinagar, conducted a week-long activity to promote breastfeeding on World Breastfeeding Week 1-7th August. On 1st August, a walk was organized on the campus with faculty, students, and nursing officers to spread the word on the significance of breastfeeding. Dean (Academics) Prof. (Dr.) Rahul Narang, presided over the walk and, in his address, encouraged the students to conceptualize breastfeeding-friendly designs for use in public spaces. Dr M Surendranath, President of IAP Telangana state chapter, inaugurated the week-long program along with Prof. (Dr.) Vikas Bhatia, Executive Director, Prof. (Dr.) Rahul Narang, Dean, and Prof. (Dr.) Neeraj Agarwal, Medical Superintendent. Prof. (Dr.) Vikas Bhatia emphasized the need to analyze the effect of promotional campaigns in the community scientifically. Dr Rahul Narang pointed out the determination required to protect breastfeeding from commercial giants. Dr M Surendranath focused on the importance of collective responsibility, especially that of fathers, in achieving successful breastfeeding. The Department of Pediatrics formally launched a Bi-lingual educational brief for lactating mothers. Prizes were distributed for the winners of the competition poster and photo competition

Institution Research Cell conducts Basic Research Methodology workshop for Junior Residents (Academics) at AIIMS, Bibinagar

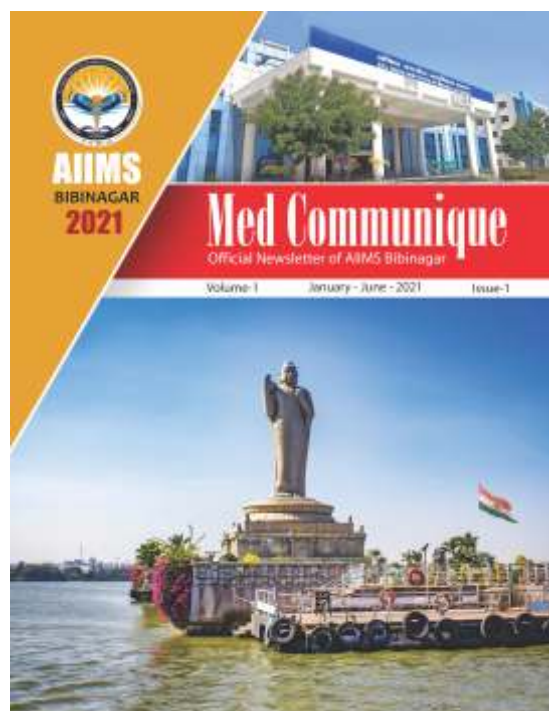

The Institute Research Cell (IRC) of AIIMS, Bibinagar under the aegis of Dean (Research), Prof (Dr.) Sangeetha Sampath organised a 2 and a half day Basic Research Methodology Workshop (BMRW) for the newly joined Junior Residents (Academic) from 15th March 2022 to 17th March 2022. The participants included JRs from the departments of Anatomy, Biochemistry, Physiology, Forensic Medicine, Microbiology, Pathology, Pharmacology and Community Medicine and Family Medicine.

The workshop was coordinated by Dr. Vaman Kulkarni, Assistant Professor, Dept. of CMFM. The resource persons included: Prof (Dr.) Neeraj Agarwal, Dr. Aparana Varma, Dr. Rashmi Kundapur, Dr. Kiran Gudivada, Dr. Madhavi E and Dr. Sumitra S. following were the activities conducted: Day 1 (15.03.2022): Various lectures on research topic and research question, review of literature, different types of study designs and practical aspects of sample size calculation, interspersed with hands on activities. Day 2 (16.03.2022): Various lectures on basic statistics, ethical aspects in research, study protocol and data collection tools, interspersed with hands on activities. Day 3 (17.03.2022): The pre-decided groups of JRs prepared and presented draft research protocols which were attended by all the resource faculty members, who provided their valuable feedback on important aspects of the protocol. The exchange of information and ideas was enjoyed by both the faculty and residents.

Annual Official Newsletter Med Communique 21 Release

Under the aegis of honorable Executive Director Prof. (Dr.) Vikas Bhatia, AIIMS Bibinagar started with the Annual Official Newsletter of the institute - Med Communique. This newsletter highlighted all the major events of the Institute and conveyed the successful journey of AIIMS Bibinagar in last one year in academic, research and healthcare services fronts. The First issue of the official newsletter Med Communique 2021 was released by Shri Mansukh Mandaviya Ji, Honorable Union Minister of Health & Family Welfare, Govt. Of India in the presence of esteemed Executive Director of our institute Prof. (Dr.) Vikas Bhatia, Shri Bandi Sanjay Kumar, Member of Parliament, Lok Sabha and Institute Body Member along with MS Prof. (Dr.) Neeraj Agarwal on 4th August 2021.

Azadi Ka Amrit Mahotsav

AIIMS Bibinagar Celebrates

75th Independence Day

The 75th Independence Day was celebrated at All India Institute of Medical Sciences Bibinagar with great enthusiasm. Prof. (Dr.) Vikas Bhatia, the Executive Director of AIIMS, Bibinagar, hoisted the National Flag and addressed a gathering of students, faculty and staff. In his address, Dr Bhatia emphasized the role of patriotism in the development of society and country. He stated that the MBBS students are hard-working, motivated, well-groomed and guided by the best faculty. AIIMS Bibinagar would become the best service provider in terms of quality health care in the nation. He expressed our hope to attain fully functional departments, OT/ICUs, central library, and sports complex by this calendar year-end. He also declared that we would be prepared to confront the challenges of an even bigger pandemic in the future. The cultural events that followed witnessed group songs and group dances to the tunes of patriotic songs that brought a rush of adrenaline in the audience. Appreciation certificates for best performance among staff during COVID were distributed. Best runners of the Fit India Freedom Run 2.0 were also awarded prizes. Prof.(Dr.)Rahul Narang, Dean, Col S P Anantrao, Deputy Director (Administration), Prof. (Dr.) Neeraj Agarwal, Medical Superintendent, faculty, nursing officers and staff were present for the celebrations held at AIIMS Campus

Mental Health of front line Healthcare Workers in Rural Telangana

As part of the project titled “Mental Health of frontline healthcare workers in rural Telangana”, funded by the UNICEF, training sessions were conducted at 10 Rural Primary Health Centres (PHCs) across five districts of Telangana, in August’ 2021. The PHCs were- Pochampalli, Bommalamaram, Bibinagar, Kondamadugu, Mothkur (Yadadri Bhuvanagiri District), Kowdipally (Medak District), Ghanapur, (Jayashankar Bhupalpally District), Nawabpet (Vikarabad District) and Lingalaghanpur, Janagaon District. A total of 323 grass-root primary care health workers consisting of the Accredited Social Health Activists (ASHA), Multipurpose Health Workers (MPH), Auxiliary Nurse and Midwives (ANM) and others were trained. The training included two phases: (1) administration of self-rated tools for assessment of anxiety, depression, stress and insomnia; and (2) training in recommended psychosocial care interventions for frontline health care workers that included (a) Breathing exercises, (b) Selfcare tips, (c) Quality time with loved ones and (d) Nurturing interpersonal relationships. The project was conducted by Dr. Sai Krishna Tikka (Associate Professor, Department of Psychiatry), Dr. Durgesh Prasad Sahoo (Assistant Professor, Department of Community and Family Medicine) and Dr. BC Malathesh (Assistant Professor, Department of Psychiatry) under the supervision of Prof. (Dr.) Vikas Bhatia, Executive Director, AIIMS, Bibinagar. The team was ably supported Dr. Nuthan Sreepada (Junior Resident) and Mr. Suraj Meena (Nursing Officer).

Inauguration of Operation Theatre Complex

at AIIMS Bibinagar

The First Operation Theatre Complex in AIIMS Bibinagar, Hyderabad, was inaugurated by District Collector Yaadadri Bhuvanagiri, Smt. Pamela Satpathy IAS, on 26th August 2021, in the esteemed presence of our Executive Director, Prof. (Dr.) Vikas Bhatia. Prof. (Dr.) Rahul Narang, Dean, Prof. (Dr.) Neeraj Agarwal MS, Col S P Anantrao, Deputy Director (Admin), Faculty of Anesthesiology and Faculty members of other departments also attended the grand event.

Smt. Pamela expressed her amazement at the fast pace of implementation of developmental activities at AIIMS Bibinagar. The commencement of the OT facility is a welcoming stride for the Surgical Deptts- General Surgery, Orthopaedics, ENT, Ophthalmology and Obstetrics & Gynaecology, of the institute to serve the people of the community, and a significant milestone achieved in a short span of time

Foundation Day Ceremony of Department of Microbiology,

AIIMS Bibinagar, Hyderabad

The Department of Microbiology, AIIMS, Bibinagar, Hyderabad celebrated its Foundation Day on the 7th October 2021 with Chief Guest, President of AIIMS Bibinagar, Prof (Dr.) George A. D' Souza and IB members Prof. (Dr) Manohar, Prof. (Dr.) Ashok Kumar Saxena and Prof. (Dr.) Vasantha Kamath.

With the blessings and guidance of esteemed Executive Director Prof. (Dr.) Vikas Bhatia and the gracious presence of Medical Superintendent Prof. (Dr.) Neeraj Agarwal, DDA Col. S. P. Anantrao and the Dean (Academics) and HOD Microbiology Prof (Dr) Rahul Narang, the function was a grand success

National Pharmacovigilance Week 2021

National Pharmacovigilance Week 2021 (17th - 23rd September 2021) was celebrated by Department of Pharmacology and Adverse Drug Reaction (ADR) Monitoring Centre (PvPI) at AIIMS Bibinagar. The program was started on 17th i.e. "World Patient Safety Day" with this year's theme being- "Pharmacovigilance: A step towards patient safety". The aim of this program was to spread awareness regarding Pharmacovigilance among healthcare professionals and general public. The Nursing Officers performed two role plays to spread the awareness on pharmacovigilance for healthcare professionals and the public on 18th Sep 2021. A workshop on "Awareness of Pharmacovigilance and ADR Reporting" was organized for Nursing Officers and Residents on 20 th Sep-2021.

address by
Prof. (Dr.) Vikas Bhatia
Executive Director
on National
Pharmacovigilance
Week 2021
Second day during Rolle Play
Competition

The Residents and Nursing Officers were participated in Pharmacovigilance Quiz competition which was held on 21st and 22nd September 2021. The poster competition was conducted on the theme on 23-09-2021. The winners of the Quiz and Poster competition were awarded prizes by Executive Director, Prof. (Dr.) Vikas Bhatia at the Valedictory function on 23-09-2021 with Dean Prof. (Dr.) Rahul Narang, Medical Superintendent Prof. (Dr.) Neeraj Agarwal, Dr. Madhavi Eerike, HOD, Pharmacology, Dr. Debasis Bisoi, Coordinator AMC (ADR Monitoring Centre), Dr. Visakha Jain Deputy Coordinator, AMC.

Participants (Nursing Officers) of the Role Play with ADR Monitoring Centre Team

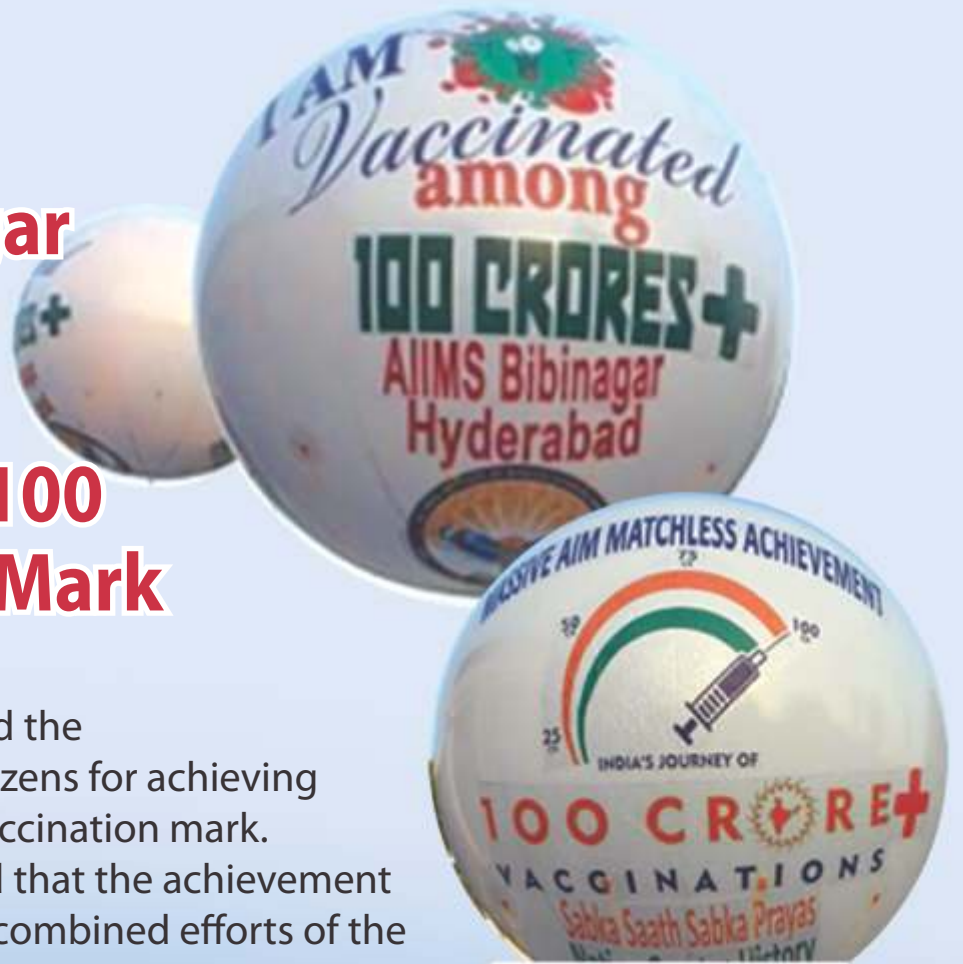

AIIMS Bibinagar **Sets Up 10 Bed** ICU Units for COVID

The Second Wave of COVID created an unprecedented shortage of ICU beds all over India. As a means of preparedness for the 3rd wave, AIIMS Bibinagar, under the leadership of Executive Director Dr Vikas Bhatia, drafted a plan of action to create the best ICU setup through CSR and Govt Support. Compassionate Pandemic Response group stepped forward to work with AIIMS Bibinagar in setting up a world-class 10-bedded ICU with high-end ICU beds, ventilators, monitors, defibrillator, Ultrasound machine with 2D-Echo and Dialysis machine. This ICU is the first of its kind in India with an HVAC system having 100% HEPA filtered fresh air without recycling, leaving no chance for hospital-acquired infection. This facility is flexible to convert from positive pressure ventilation to negative pressure isolation ICU when required, such as in the requirement of COVID-19 isolation. A Pooja ceremony was performed during the auspicious time of Dussehra, which was graced by Prof. (Dr.) Vikas Bhatia, Director, AIIMS Bibinagar, Prof. (Dr.) Neeraj Agarwal, MS, Prof. (Dr.) Nitin John, Officiating Dean, Col. S P Ananthrao, Deputy Director Admin along with Dr Satya Garimella, Mr Uday Kumar, Mr Krishna kottapalli, from the CPR team. After validation and microbiological clearance, it will provide quality medical care to both COVID and non-COVID critical cases and immensely benefit the people of Telangana in the near future. MoHFW, Govt of India, has recently created additional positions for 34 Junior residents and 34 senior residents

Director AIIMS Bibinagar Congratulates Citizens as India Crosses 100 Crore Vaccine Mark

AIIMS Bibinagar Director Dr. Vikas Bhatia appreciated the countrymen and fellow citizens for achieving the 100 crores COVID19 vaccination mark. And going beyond. He said that the achievement was made possible by the combined efforts of the people, health staff and leadership in the country.

Clinical Biochemistry Lab Completes One Year

At AIIMS Bibinagar

The Clinical Biochemistry Laboratory at AIIMS, Bibinagar completed one year on 5th November 2021. The laboratory started with humble beginning with a SemiAutoanalyzer and a lab technician offering a panel of 13 biochemistry tests to serve the needy patients of OPD services. Over the last one year, with the constant efforts of visionary Director, Dr Vikas Bhatia, the department is now equipped with 08 highly qualified faculty, 03 technicians and highly sophisticated fully automated equipment like, Clinical chemistry analyzer with capacity of 1000 tests / hour, HbA1C and hemoglobin variant analyzer, and electrolyte

analyzers. During this period, the laboratory has analyzed over 4800 patient samples and performed over 43,000 tests involving 33 Biochemical parameters. The department has recently acquired a fully automated Chemiluminescence (CLIA) analyzer with the capacity of around 600 tests / hour, which can perform the special tests such as various hormones, tumor markers, vitamins and other immunological tests which would be useful for the higher level of patient care and research. On the occasion of 1st anniversary of the laboratory, Executive Director Prof. (Dr.) Vikas Bhatia addressed the faculty to work hard for the better patient care and satisfaction. The Dean, (Examination Cell), Prof. (Dr.) Nitin John, The Medical Superintendent Prof. (Dr.) Neeraj Agarwal, The Dean (Research) and Head of the Department Prof. (Dr.) Sangeetha Sampath and all faculty were present on the occasion.

Indian Oil Corporation Donated a Force Traveller Ambulance to AIIMS Bibinagar

As a part of Corporate Social Responsibility project, a Force Traveller was funded by Indian Oil Corporation, to AIIMS Bibinagar. This will be utilized to provide medical service to the people of Telangana in remote villages, and to cater to bedridden or non-ambulatory people. "We will reach out to them... That's our commitment to humanity", said Prof.(Dr) Vikas Bhatia addressing the faculty and staff.

GREEN CAMPUS COMMITTEE ACTIVITIES

As per Garbage to Green project initiated by esteemed Executive Director, Prof. (Dr.) Vikas Bhatia, two parks are developed in AIIMS campus on dry, waste, unused land - AIIMS Vatika & Rainbow park. Dignitaries who visit AIIMS Bibinagar plant a sapling in AIIMS Vatika and name it. These plants are adopted by green campus committee members and developed.

Nursing Officers Development Programme conducted by the HRD Cell

A six month Foundation Program with a series of interactive, technical & hands-on workshop was conducted for the Nursing Officers of AIIMS, Bibinagar under the auspices of the Human Resource Development (HRD) Cell during August 2021 to March 2022. This foundation course was the brain child of our Executive Director Prof (Dr.) Vikas Bhatia. Various topics were covered like Biomedical waste management, Hospital infection control, care of burns & wounds, Critical care, Fluid and electrolyte management, Operation theater preparation etc., in addition to General nursing care and ward management. The program was successfully conducted with the support and co-operation of various faculty members from Departments like Microbiology, CMFM, Medicine, Paediatrics, General Surgery and Anaesthesiology and it was very well received by the target audience. A Valedictory function with presentation of mementos to the committee members and resource faculty and distribution of certificates to all the participants was held on 3rd March 2022. Under the chairmanship of Prof. Dr.Rahul Narang, Dean (Academic), the Institute HRD committee will continue to play an active role in all round training and development of our staff

Oxygen Stewardship Programme Held

AT AIIMS BIBINAGAR

All India Institute of Medical Sciences Bibinagar, Hyderabad in association with Telangana Government, USAID, JHPIEGO and RISE conducted a OXYGEN STEWARDSHIP program on 12th Jan, 2022 for all the 38 districts of the state, catering to administrative and medical officers of secondary and tertiary care centers for training in management of Oxygen supply in the wards and PSA plant. The programme was inaugurated by Prof. (Dr.) Vikas Bhatia Executive Director AIIMS Bibinagar Hyderabad who proclaimed to hand hold the health centers and help them manage the oxygen requirements for

patients and also to manage PSA plants in their own hospitals. He stressed on the concept of inclusiveness of central and state run health system in Telangana to come up with better health care in the state. A workshop was conducted online with 168 participants for 4 hours to demonstrate how to manage patients with oxygen requirement and how to audit oxygen. The programme was supported by Prof. (Dr.) Neeraj Agarwal, Medical Superintendent AIIMS Bibinagar and a panel of experts from various departments.

REPUBLIC DAY CELEBRATIONS AT AIIMS BIBINAGAR

All India Institute of Medical Sciences Bibinagar celebrated the 73rd Republic Day on 26th Jan, 2022 with a small gathering in keeping with the COVID restrictions, while the remaining faculty and staff joined online. Prof. (Dr.) Vikas Bhatia, Executive Director AIIMS Bibinagar hoisted the National Flag. The ceremony was graced by the presence of Dean Academics Dr Rahul Narang, Dean Research Dr. Sangeetha Sampath, Dean Examinations Dr Nitin John , DDA Col. S P Anantrao and Additional Medical Superintendent Dr. Kalyani. Executive Director, Dr Vikas Bhatia while addressing the gathering reminded about the strength of our Nation's Constitution that gives power in the hands of its citizens. Honorable Director also acknowledged the efforts of doctors nursing offices, paramedics and staff for their exemplary work during Covid pandemic. He asked the Nation to remember the freedom fighters who fought for the country as we are in the 75th year of Independence. The ceremony was followed by cultural events, and awarding the house keeping and security staff for best services rendered in the past year.

AIIMS Bibinagar, Hyderabad participates in 75 crore Suryanamaskar project for 21 days on the auspicious occasion of 75th Azadi ka Amrit Mahotsav

On the auspicious occasion of the 75th AZADI KA Amrit Mahotsav, AIIMS Bibinagar Hyderabad has participated in 75 crore Suryanamaskar project for 21 days.

The Second Annual Day celebration

at AIIMS Bibinagar Hyderabad

The Second Annual fest at AIIMS Bibinagar in Hyderabad was celebrated with great enthusiasm on the 10th of March, 2022. The inaugural function was held both virtually and offline. Chief Guest, Dr. Bharati Pravin Pawar, Honourable Minister of State for Health and Family Welfare, Govt of India, Prof. B J Rao, Vice-Chancellor, University of Hyderabad and Smt. Pamela Sathpathy, District Collector, Yadadri-Bhuvangiri district, officially inaugurated the Day's events. Executive Director of AIIMS Bibinagar, Prof (Dr.) Vikas Bhatia; Dean, Prof. (Dr.) Rahul Narang and Medical Superintendent, Prof. (Dr.) Neeraj Agarwal added to the dignity onstage. The second edition of the institutional Magazine "Invictus" and "AIIMS at a Glance", a booklet which gives a bird's eye view of the institution's growth over a short period of time were released with Dr. Pawar's kind approval by the distinguished guests present onstage. Dr. Pawar in her address stressed on enhancing the digital platform for service delivery and having a multisectoral approach. Prof B J Rao, then addressed the gathering and it was a proud moment to listen to his remarkable journey and words of discernment. All achievements have to be recognized and encouraged. To promote this, we then had an award ceremony wherein the students who excelled in academics were duly rewarded. After the winners of various Academic, Cultural and Sports events conducted in the past year were awarded, Dr. Maheshwar Lakkireddy, chairperson of the event management committee, expressed his gratitude to all who directly or indirectly involved in organizing the event

UDBHAV

Cultural Fest-2022

Cultural committee conducted a cultural fest among students of 2019 and 2020 batch.

All the students of two batches participated in the program.

The fest included 18 competitions for two days from 25th Feb 2022 to 26th Feb 2022 from 9.00 am to 7.00pm which included cultural and literary activities.

During the valedictory ceremony certificates were awarded by Executive Director, Dr Vikas Bhatia and by famous table tennis player Naina Jaiswal.

Cultural album was also released

Annual Review of Academic & Research Activities at AIIMS Bibinagar

Conducted by

Prof. (Dr.) Yogesh Chawla

Dr. Yogesh Chawla, Ex- Director, PGI Chandigarh , Chairperson , Scientific Advisory Committee visited AIIMS Bibinagar on 07th March, 2022 for the annual review of our research and academic activities. The Dr. Chawla addressed the new batch of MBBS and postgraduate students during which he stressed on the need to inculcate professional values, gentle attitudes & polite behaviour while interacting with patients. After which, the academic cell headed by Dr Rahul Narang presented an overview of the academic activities and programs conducted, and achievements made in the year 2020-2021. The Institutional Research committee, and headed by then presented their annual activity report, proceedings and updated on the various extramural and intramural research proposals submitted by the faculty and students of the institution. Institutional Ethics Committee also presented their annual report.

Dr. Chawla then addressed the faculty and appreciated them for involving under graduates in research activities as "it not only paved the way forward in the path of future research but also increases creative thinking and deepens the classroom learning.

AIIMS Bibinagar Institutional ETHICS Committee

ETHICS

Bio medical research involves a number of ethical issues that need to be addressed. The Institutional Ethics Committee (IEC) plays an important role in guiding researchers in the ethical aspects associated with the biomedical research as well as Clinical trials. Apart from ethical issues, IEC also reviews the research proposals for the scientific relevance and risk to the participants during research. The main responsibility of IEC is to safeguard the dignity, rights, safety and wellbeing of research participants.

The AIIMS BBN-IEC was constituted on 18 November 2020 by Dean (Academics) in consultation with the Executive Director. The chairman of this committee is Dr.Suryanaryana Raju, Former Dean Research,Senior Professor and Head of the Department of Surgical Oncology NIMS Hyderabad and Dr Madhavi Eerike, Assoc. Prof of Pharmacology as Member Secretary. It functions independently and as per the ICMR National Ethical Guidelines for Biomedical and Health Research involving Human Participant-2017 (ICMR National Ethical Guidelines) and New Drugs and Clinical Trials Rules 2019 (NDCTR 2019).

AIIMS BBN-IEC has already registered with Central Drug Standard Control Organization (CDSCO) and National Ethics Committee Registry for Biomedical and Health Research (NECRBHR), Department of Health Research (DHR).

After its constitution,a total of six meetings were conducted and the first meeting of the IEC was organized on 11th February 2021. Nearly 160 research proposals were reviewed during these meetings. The AIIMS BBN-IEC members underwent GCP training on 12 August 2021, which is mandatory requirement for any new IEC member. A separate web page in the AIIMS Bibingar website was created for the activities related to the IEC.

WORLD HEARING DAY 2022

at AIIMS Bibinagar Hyderabad

On the Occasion of World Hearing Day, 3rd March 2022, the Department of Otorhinolaryngology and Head and Neck Surgery, AIIMS Bibinagar, conducted an online CME centered around the theme for the year, which is, 'To Hear for Life, Listen with Care'. The event was graced by the Executive Director, Prof (Dr.) Vikas Bhatia, Dean Academics, Prof (Dr.) Rahul Narang and Medical Superintendent, Prof. (Dr.) Neeraj Agarwal. In his keynote address, Prof Bhatia acknowledged that hearing loss is a grave public health issue in the nation and encouraged awareness programs to alleviate this growing concern. Invited speakers included well-known audiologists, Dr Arunraj K from AIISH, Mysuru and Shri Hari Prasad, Assistant Director AYJNISHD, Hyderabad. Continuing with the online event, on 5th March, a health camp was organized by the Department of Otorhinolaryngology in collaboration with the Department of Community and Family Medicine at Bommalaramaram Primary Health Centre. The objective of the Health camp was to raise awareness about hearing loss among the locals.

24 MARCH
WORLD
TUBERCULOSIS
DAY

at AIIMS Bibinagar, Hyderabad, Telangana

Under the guidance of Executive Director Prof (Dr.) Vikas Bhatia and Medical Superintendent Dr. Neeraj Agarwal, World Tuberculosis Day 2022 has been commemorated in AIIMS Bibinagar with the theme of "Invest to END TB – Save lives" to raise awareness among the health care workers on Tuberculosis and latest on going health care programs on 24-03-2022. In presence of officiating Director & Medical Superintendent Dr Neeraj Agarwal, Dean (academic) Dr Rahul Narang, Dean (research) Dr. Sangeetha Sampath, Registrar Dr Aparna Varma, and faculty of department of Medicine & Microbiology have commemorated World Tuberculosis Day with case scenario presentations by students, seminar presentations by faculty on Tuberculosis elimination program, types of TB presentations, diagnosis & management of Tuberculosis for creating awareness and developing skill of diagnosing and managing the Tuberculosis cases in MBBS students and health care workers.

SPARK

2022

The Sports Carnival

Sports committee organised The second annual sports day, "SPARK 2022" was conducted in All India Institute of Medical Sciences Bibinagar, Hyderabad, Telangana. The week-long schedule came to an end on 5th March 2022. The sports day was graced by Ms Naina Jaiswal, The International Table Tennis Champion and the child prodigy of the Telangana state.

The sports carnival was hosted by the Sports Committee and Sports Club Members of AIIMS Bibinagar. The occasion was chaired by Executive Director Prof. (Dr.) Vikas Bhatia, Dean of Academics, Prof. (Dr.) Rahul Narang, Dean of Examination, Prof. (Dr.) Nitin Ashok John, Dean of Research, Prof (Dr.) Sangeetha Sampath, and Deputy Director of Administration Col S P Anantrao. Ms Naina Jaiswal's inspirational message for the students was dedication, determination and positive attitude to succeed in their lives. The Whizkid, and the motivational speaker, Ms Jaiswal, highlighted the importance of respect and service to one's parents, and reverence towards the teacher (Guru-Bhakti). Professor Vikas Bhatia emphasised the role of sports in maintaining physical fitness. He encouraged the new batch of 100 MBBS students to be actively involved in regular sports along with academics.

The various sports events, both the indoor and outdoor activities were conducted for students, faculty, resident doctors, nursing officers, administrative and other staff. A Unity relay run was conducted involving all the cadres of employees and students for strengthening the integrity and team spirit.

This year the sports event held the breath of every sportsman, student and faculty when it kick started with cricket, football on the freshly mowed ground and it sure did lift the spirits to watch the match. The following day, Badminton, chess, caroms were held and students participated with a lot of enthusiasm to strike down to opponent to win. Throw ball, another nail-biting game, was conducted and each of the team has put their best efforts to pin down the other and was fun to dwell. Lastly, on the grand sports event, the most energetic day had the most energetic end with athletics and players participated with lightning speed and the event was concluded with prize distribution by the respected dignitaries and their valuable words marked the end with a great motivation, determination and dedication.

Conference Webinar

3. Emerging concerns of post COVID-19 avascular necrosis of femoral head:

Under the aegis of esteemed Executive Director, Prof. (Dr.) Vikas Bhatia and the guidance of Dean (Academics) Prof. (Dr.) Rahul Narang and Medical Superintendent Prof. (Dr.) Neeraj Aggarwal the Department of Orthopaedics -Dr.Maheshwar Lakkireddy, Additional Professor & HOD of Orthopaedics and his team had successfully conducted a webinar on the topic "Emerging concerns of post covid-19 avascular necrosis of femoral head" on 19th December 2021

The main agenda of this webinar was to prime the medical fraternity to be vigilant in addressing hip pain in the context of COVID-19 and create awareness on post COVID osteonecrosis of femoral head, early detection and appropriate management. Prof (Dr.) Vikas Bhatia, Executive Director delivered the keynote address about how the COVID-19 pandemic has changed the public health care, how we adjusted and how can be best prepared to protect our health. Renowned Senior Orthopaedic surgeons from various institutes participated in the webinar and appreciated the scientific content.

VIROCON 2021

Department of Microbiology AIIMS Bibinagar in collaboration with The Indian Virological Society (IVS) conducted the National Conference of Virology (Virtual mode) on the Theme “Emerging and Re-emerging Viral Diseases - Climate change impacts and mitigation”, In Hyderabad from March 26 to 28, 2022 in virtual mode.

Our Patron Prof. (Dr.) Vikas Bhatia, Executive Director, AIIMS Bibinagar, delivered the opening speech, a fascinating presentation on how this institute started wherein he conveyed that two years into the COVID-19 pandemic we’ve learned a lot about resilience. Chief Guest- Prof. (Dr.) George D’souza, President, AIIMS Bibinagar, had appreciative words to say and wished a great success for this conference.

Pathogens, especially neglected tropical disease agents, are expected to emerge and re-emerge in several countries. Conference Chairman- Prof. (Dr.) Rahul Narang, Dean Academics, Professor &

Head, Department of Microbiology, addressed the devastating consequences of climate change, and their role in the emergence and re-emergence of diseases.

Organising Secretary & Scientific committee Secretary (Medical Virology)- Dr Lakshmi Jyothi T, Additional Professor, Department of Microbiology delivered her thanks giving for the successful inauguration of the Conference.

It was an opportunity for us to interact with and gain knowledge about the latest advances from the internationally and nationally recognised experts, scientists and researchers working in the field of Medical, Veterinary, Plant and Aquatic viruses & Viral Diseases. The major highlights of the conference were the Joint symposium involving all these specialities, invited guest lectures by renowned scientists, various IVS oration awards, IVS young scientist awards and Oral and Poster presentations.

Eminent speakers included Prof. R.K.Ratho, HoD of Virology at PGIMER, Chandigarh, Dr V. Ravi, Senior Professor, NIMHANS, Bengaluru, Dr Pragya Yadav, Scientist F, NIV, Pune, Dr Tarun Bhatnagar, Scientist F, ICMR School of Public health, Chennai, Dr Gajanan Sapkal, Scientist F, NIV, Pune and Dr Ekta Gupta, Prof & Head, Dept of Clinical Virology, ILBS, New Delhi and many more. It was indeed a great source of inspiration and a wonderful learning experience for the young researchers and participants.

FIRST HEALTH CAMP

of AIIMS Bibinagar
(RHTC, Bommalararamam on 14 Dec 21)

A multi-speciality health camp was organised by the Health Camp committee of AIIMS Bibinagar on 14th December 2021 at Primary Health Centre, Bommalararamam in Yadadri-Bhuvanagiri district. The program was inaugurated by the Executive Director of AIIMS Bibinagar Prof. (Dr.) Vikas Bhatia in presence of Prof. (Dr.) Neeraj Agarwal, Medical Superintendent, AIIMS Bibinagar, Dr. Sambasiva Rao, District Medical Health Officer, Mrs Padma Sundari, Tehsildar and Mr. Jyothi Kumar, Mandal Special Officer. Dr. Bhatia welcomed all to the health camp with his address stating that AIIMS Bibinagar has begun services of speciality departments and is committed for community health service with future plans of a satellite campus at Bomalaramaram. He also added that AIIMS Bibinagar has been able to build confidence among people for providing community health services apart from quality speciality treatment. Dr Neeraj Agarwal also reiterated the commitment of AIIMS Bibinagar to extend the health service and to reach out other rural areas of the state.

The multi-speciality health camp was attended by Doctors of AIIMS Bibinagar from Department of Medicine, Surgery, Orthopaedics, Paediatrics, ENT along with Dr Sravan Kumar GR, Medical Officer PHC Bommalararamam and saw an inflow of 246 patients with 41 patients being referred inter-department (Table 01). The patients were provided with free health check-up and medicines. Patients from 39 villages attended the health camp with the major inflow being from Bommalararamam (33.79%) followed by Malyala (8.01%) and Maisiredipally (5.22%). The majority of patients belonged to the age group of 41-60 years (30.31%) followed by the elderly (27.17%).

The program was also attended by members of Health Camp Committee AIIMS Bibinagar Dr Vishakha Jain, Dr Kishore Jadhav, Dr. Debasis Bisoi also participated in the health camp and coordinated the programme. Dr Govindrao, Associate Professor, Dept. of Community Medicine and Nodal Officer of Health Camp delivered vote of thanks with the assurance of conducting such services frequently in the near future.

**Health, happiness
clinic at AIIMS**

Delhi: A health and happiness clinic was started at the All India Institute of Medical Sciences (AIIMS) in Delhi where the focus is to promote health and well-being of the individual, family and community. A 24-hour discipline has been started for disease prevention and there will be counselling for stress, anxiety and depression. Meditation, yoga, mindfulness and music therapy are also available for patients. The clinic was inaugurated by Rajya Sabha member Dr Banda Prakash. Sessions were taken up for World Yoga Day celebrations to be observed on June 21.
