

## **AIIMS Bibinagar restarted physical OPD from dated 05-11-2020**

The Out-patient department (OPD) services were resumed at AIIMS Bibinagar on 5 November 2020. OPD services in the departments of General Medicine, Obstetrics and Gynecology, Paediatrics, General Surgery, Orthopaedics, Ophthalmology and Community and Family Medicine started after a brief break. In view of the still on-going pandemic, adequate measures of physical distancing, wearing of masks and use of sanitizers/hand wash have been ensured. The first day saw brisk turnover of patients to various OPDs and Laboratory services. The free e-Sanjeevani services (10 am to 1:00 pm) and Tele-consultation services (2:00 pm to 4:00 pm ) are also being provided simultaneously.
